INTERCLASS FALL CREW RACES

RACES FOR UNIVERSITY, CHAMPIONSHIP START TO-MORROW.

Christian Association Reception.
The Medical Department of the Uni-
versity Christian Association gave its
annual reception to the first-year men
in the auditorium of Houston Hall last
night.
Various phases of the work of the associ-
ation were presented by the speakers. The
new men were familiarized with the Pennsyl-
vania songs, and refreshments were served.
Dr. J. C. McCracken, '01 M. presented
the Medical School in China as a means of
doing much good and of
advertising the University. Thomas
St. Clair Evans outlined the Settle-
ment work and its opportunities.
Dean Charles H. Frazer gave his
heart's endorsement to the work of the
association, and recommended Bible
study to them. Philip E. Howard ap-
paired in each one to find a place in
some branch of the association's
activities.
The address of the evening was
made by Dr. Allen J. Smith, who com-
mented the idea that men of science
tend to atheism, saying: "The man
who enters upon the study of scien-
tific subjects and gets into an irre-
lution of thought had that idea in
his mind before he began to learn
science. He was prepared for his
atheism before he began the study
of his Creator. The more he found out
that he could not understand the more
he thought that it was not understand-
able even for an infinite mind."
Dr. Smith discussed the questions of the
divinity of Christ and the immor-
tality of the soul from a scienti-
field point of view. He showed that scienti-
fically considered, each of these is
possible though we cannot understand
it. The history of Christianity, its
achievements and the hold it has ac-
curred on the world are enough to indi-
cate the truth of what we can see is
possible though we cannot understand
it."
Dr. Smith's words were listened to
with deep attention, and when he had
finished many crowded around him to
express their admiration.
It was stated last night that the
Medical Department has always been
the leading department in the work of the
association, and the new students
were urged to keep it in their hearts.
Five hundred of the two thousand dol-
lasses which students of the University
are to raise for the new Medical
School in China are to be raised by
the Medical Department. This means
about one dollar each for every stu-
dent in the Medical School.

dent in the Medical School.

Cross-Country Medals.
The medals for the winners of the
cross-country run will arrive today
and will be exhibited at the Hous-
ton Club to-morrow. There will be
three of them, all of gold, the three
that have ever been awarded for this
sport.
All students are eligible and Fresh-
men should be interested, as the one-
year rule does not apply in this con-
test. So far few Freshmen have re-
ported, and the prospects are dubious
unless some first-year men come out.
All candidates should report to Root
or Haukens.

Cut in Pennsylvania Candidates.
The number of candidates now in the
field for The Pennsylvania has been
reduced from thirty to twenty. Be-
ginning with today only men whose
names appear below need report. New
candidates will be enrolled until Fri-
day: William Barker, Bully, R. H.
Smith, Flushier, A. W. Smith, B. R.
Bibb, Robbinette, Van de Boe, Lieber,
Widemeyer, Robinson, G. L. Brown,
Pitzer Gerald, Dotty, Whitsett,
Phillip, L. Johnson, W. K. Johnson.

Pay Your Bills.
Students are reminded of the fact that
a three per cent. penalty is added to
all rent and tuition charges if they
are not paid at the Bursar's office on
or before October 31st at 5 P. M. A
word to the wise may save three per
cent.

University Standard Notebook.
The "Houston Club Book Shop" has on sale a Separate Leaf Notebook (flat opening) which for economy and simplicity in taking notes cannot be excelled.

One notebook may be used for taking notes in any number of subjects. These can be sorted as desired at will.

Manila Piles are used to keep notes on different subjects in a convenient and systematic order. These may be used along with to submit to the Professors, as the University standard which is ready and the stock is larger than ever before. You know what that means.

We have long been the standard 25 cent garter. The flexible rubber diamond gussets with a half-dollar gusset. No wear or tear of the socks.

Can't spring loose or become accidentally detached. Made of finest quality webbing; all metal parts heavily nickel-plated.

While they are quickly and easily detached, yet they have the firmest grip of all cord garters. The flexible rubber diamond gussets with a half-dollar gusset. No wear or tear of the socks.

Our Fall showing of up-to-date woolens is ready and the stock is larger than ever before. You know what that means.

Add to this the style shown in the finished garments, coupled with the moderation in price, and you will have a trinity of excellence to best.

A cordial invitation is extended to the Penn boys.

Suits, $25 to $40.

Drawing and Tuxedos, $35 to $50.

Overcoats, $30 to $50.

U. OF P. STUDENTS

The "College Widow." The pretty "College Widow," with her following of enriching girls and roving students, returns to the Chestnut Street Studio Theatre, Philadelphia, for the second week of October. The play is under the management of the Chestnut Street Studio Theatre Committee, of which the late George S. Barlow was a member. The production is well directed, and the acting is excellent. The play is a comedy, and the cast is composed of young people, who are all in their first season on the stage. The play is a success, and the audience enjoys it thoroughly.
