NOWING the style of game likely to be used by the Indian next Saturday, the 'Varsity lined up against Jefferson Medical yesterday afternoon and tried out a large number of new plays, with only fair success. The amount of work was short and the score was 16-6 when time was called.

The Medical boys proved to be a harder proposition than was expected. Almost from beginning to end the game was dangerous, except when Smith, of Jefferson, carried the ball to the 8-yard line in an 8-yard run, the result of a fumble by Pennsylvania, they played the game with such dash and spirit that they broke up the 'Varsity's tries before they were fairly started.

Jefferson secured her only touchdown play on a 'Yankee, attempting a trick play of Jefferson's 18-yard line, fumbled the ball. Smith, of Jefferson, picked up the ball and ran eighty-seven yards, bringing the ball to Pennsylvania's 3-yard line before he was brought down by Scarlett. After three attempts Jefferson succeeded in pushing the ball across the line and then kicked the goal, scoring six points.

Walker scored Pennsylvania's first touchdown in the second half, after a long series of plays by an end after the 'Varsity had secured the ball on Jefferson's 20-yard line. After several points for the second touchdown from Jefferson were scored in the first half, the second half, scored the last touchdown from Jefferson's 18-yard line by a play through the left side of the line. Hoffterick kicked the first goal but failed to kick the other two, on account of the difficult angles.

Pennsylvania's playing at times was brilliant and at other times poor. One thing was clearly demonstrated in the game, and that was that the new plays are not a success, and the 'Varsity was seldom able to advance the ball by means of any of them.

Shibley, Shirley and Luby were tried at quarter-back, and all three did excellently good work, which fact goes to show that that position will be well taken care of during the rest of the year.

Captain Greene was in the game on a few minutes in the latter part of the last half, and for that reason no goals by drop or from placed kick were tried by the 'Varsity.

Tennis Enters Completed. Entries completed yesterday afternoon and drawings will be made this afternoon. The arrangement to determine the championship of the University is now completed. The matches entered for the singles and eight pairs for the doubles. Play will be started at soon as the courts are dry enough.

CAMERA CLUB PLANS EXTENSION

Will Instruct Members in Various Branches of Photographic Art.

A large number of members of the Camera Club attended the meeting of Mr. William Shewell Ellinwood, of the Photographic Society of Philadelphia, who gave an informal talk about his photographic experience. The address was illustrated by references to his pictures that are rare, and, when, and, when existent, printed through bolting cloth and gum-bichrome printing.

'Varsity Finds Jefferson

Soccer Practice To-day.

"Soccer" team practices this Thursday on the old Athletic Field. All candidates are expected to report at five o'clock and must bring their physical examination cards before Monday if they wish to be excused from the normal classes. Everyone must see to this at once, as no names will be accepted for any other class unless they have seen Dr. McKeon.

Acacia Fraternity Meets To-night.

The Acacia Fraternity, composed of University men belonging to the Ma- sonic Order, will meet tonight in Houston Hall. This chapter was organized at Pennsylvania during last year.

DEFEATED COLLEGE AND MEDICAL FRESHMEN BY LENGTH.

Seniors, Juniors and Sophomores Row This Afternoon—Juniors Elect Henry C. Dean Their Captain.

Despite unfavorable weather conditions the inter-class boat race held on the Delaware river yesterday was hotly contested, the College Sophomores winning by a length from the Freshmen, with the University Medics placed hopefully in the rear. The distance covered was 1,000 yards, and the victory will give the Sophomores one point toward the Dean's trophy.

The crew left the boat house at 3:30, followed by the launch, "Ben Franklin," with Coach Ward, Mr. Reath, starter; Ewing and Dean, time-keepers.

The day was raw and a strong wind blew across the course from the eastern shore.

Most of the Sophomores drew the west shore, the Freshmen, the middle, and the first-year Medicals the east.

The crew got off fairly even at the start with the Sophomores a little in the lead. When the middle bridge was reached the Sophomores had increased their lead to a length and a half on the Freshmen and three on the Medicals. From here on down the course until the island was reached the two leading crews kept the same distance, the Freshmen falling hopelessly behind. At the head of the island the Sophomores hit up the stroke, only to be followed by the Freshmen, who gained at every stroke. However the distance was then too short for them to catch up, and the Sophomores finished a length ahead of the Freshmen and the Medicals, the latter were about four lengths behind.

The official time was: Sophomores, 5 minutes 20 1/2 seconds; Freshmen, 5 minutes 21 2/5 seconds. No time was taken for the Medicals.

The crews rowed as follows: Sophomores: Shefflen, bow; Bost, Brettler, K. Brown, hull, Scott, Walton, bail, stroke; McEwan, coxswain.

Freshmen: A. Smith, bow; Brad- dock, MacGinty, Hoffman, D'Amore, Hofer, Fairman, Williams, Bullock, stokers; Jenings, coxswain.

Medical: Malta, bow; Rynold, Mc- Keon, Joyce, Pike, Kipp, Rickett, Max- son, Rossko, stroke; Davis, coxswain.

To-morrow the Senior, Junior and Sophomore crews will race for the Col- lege championship. The result of the winning team will receive individual cups as prizes.

The Junior College crew yesterday afternoon elected Henry C. Dean captain of the varsity team and notified the President that No. 3 at Poughkeepsie in Freshman year and No. 3 in the 'Varsity last year.

Mass Meeting To-Morrow Night.

The attention of all Pennsylvanians is called to the meeting to be held in the dormitory triangle to-morrow evening at seven o'clock. Old and new songs will be rehearsed.

FREEMEN MEET SWARTHMORE.

Quakers Will Find Pennsylvania's Youngeters Worthy Opponents.

The Freshman team will play Swarthmore this afternoon. While this is only a practice game, both teams will be vigorously coached from the side lines, the Freshmen hoping to show that they are capable of successfully to score by means of a field goal.

This year's team is one of the best Pennsylvania elevens ever sent out by Pennsylvania, and contains some ma-

tial that is of 'Varsity quality. It includes a number of the most promising men in the first year, and this team is expected to win for Pennsylvania.

The team ran through a long signal practice yesterday and showed good form. Boys at quarter-back kicked several goals from the field. There was a spirited contest from the start of the game between the 'Varsity and Je-

ferson.

Coach Smith thinks the Freshmen should make a good showing today. "They have speed and weight, and are in good condition, except Somers, whose injured shoulder will keep him out of the game, "he said. Swarthmore is considered to have a great deal of difficulty in getting the best of the Freshmen for practice until very late in the afternoon. Tonight the first time they have been together for a signal practice."
Ball schedule, being announced this week, The Pennsylvania desires to "derive from the Mask and Wig, a to its participants the benefits which thus far been reported in time for much practice. With this contest the intense rivalry must stop, for the winner cannot expect to triumph over the victor of the Freshman-Sophomore game if past conditions again prevail. What is needed to make the championship exciting is practice, and practice will improve any class team, and result in a close and exciting series of games.

New Deutscher Verein Officers.
The Deutscher Verein held a business meeting in the German Seminar rooms last night and completed its organization for the first term. The following officers were elected: President, W. K. Van Haagen, P. G.; Vice president, J. H. Barker, '08 C.; Corresponding Secretary, J. B. Holl, '09 C.; Recording Secretary, H. A. Muller, '07 C.; Treasurer, M. E. Chickerson. Mr. Van Haagen appointed a Membership Committee, as follows: H. A. Muller, '07 C.; R. L. Young, '07 C.; J. B. Holland, '08 C., chairman.

In accepting the presidency Mr. Van Haagen said that his time would not permit of his assuming the office for more than one semester.

There will be a regular meeting next Wednesday night in the German Seminar rooms. A German program has been arranged, and all new men interested are invited to attend.

Fencing Candidates Hard at Work.
There has been brisk practice in the fencing room during the past week and several new men have reported as candidates for the team. Four of last year's "Varsity" men are back—L. M. Fincher, '07 L.; E. L. Scott, '08 L.; H. G. Wendel, '09 C.; and W. C. Lemmel, '07 C. With such a nucleus and proper support by candidates, there is no reason why Pennsylvania should not have a winning team this year.

The hours for work are between five and six o'clock on Thursdays. Later in the season there will be extra practice for those who wish to string it. A series of bouts will be held to try out the new men. Fencing may be taken in lieu of gymnasium work. All interested should turn out and work in developing a representative team.

BILL HEADS, TICKETS, CLASS BALLOTS, PLACARDS, ENVELOPES, LETTER HEADS, AND GENERAL CLASS AND CLUB WORK

Office Open from 4 P. M. to 12 A. M.
The first call for candidates for the Mask and Wig preliminary play has been issued. At 4 P.M., Monday, October 26th, they will repeat at the club house, 326 Queenie street. Those who wish to try for the cast of the Easter performances must come out now. Candidates for the chorus are not wanted until spring.

The trials usually last for a week, and at the end of that time those who have not been dropped will be formed into two separate casts, which will in turn give their work, usually a short farce. The object of the fall trials is to find men who will be fit to take the places of those who graduated in the spring.

It is hoped that a large number of men will fill out and mail in advance the regular "preliminary trial blanks," which may be had on application at the office of the Houston Club. All students are eligible for the trials. They must be prepared to give some proof of their talent by dancing, singing or reciting.

It is earnestly hoped that a large number than usual will come out and help to make this fall's preliminary show the best ever. Signed: Charles Snyder Morgan, Jr., stage director.

Franklin Field Song.

The following parody on George M. Cohan's "Grand Old Flag" has been arranged by Thomas R. Donaldson, '90 C., and will be handed over, with several others recently received, for use in the bleachers:

"It is a grand old flag
And you freely may brag
When you flaunt it at friend or foe
When the Red and Blue float in view"

There's something to cheer for, you know.

"Hooray! Hooray!
Come and join our crowd and we'll whip it down for you.
For our colors of royal hue.
For that old flag all hearts are hew.
Take your hats off to Red and Blue.

Medical Department Absence Rules.

The rules of the Medical Department governing absences from practical work, as revised for this year have been announced, and are as follows:

1. No unexcused absence shall be allowed.
2. Absences up to ten per cent. can be excused by those in charge of the department.
3. Unexcused absences must either be made up or penalized as according to the present rules.
4. Marking of attendance shall be restricted to laboratory and sectional instructors.

Junior Ball Committees.

Novice Track Games Saturday.

The first set of novice track games will be held on Franklin Field Saturday morning at eleven o'clock. Notices from all departments are eligible to compete.
