FIRST MASS MEETING OF THE SEASON HELD IN TRIANGLE

BROWN, JONES AND DE VAN ABBY LEAD CHEERING AND SINGING.

A Large Number of Students Turned Out and the Organizing Committee Reaped—Coaches Not Present.

Last night's mass meeting was very largely attended and showed a great improvement over last year. The number of members present was encouraging to the leaders, who are trying to make these meetings a success.

Besides singing over the old songs several new ones were sung. Among these was an original parody on "Waltz Me Around, Willy," seemed to be the most popular and catching. The Marching Song, whose fate was doomed last year, was revived and apparently with much spirit, as well as also a parody on "Chevyeno," these songs were distributed to the printed sheets. Leader R. P. De Van announced that every song must be given over the song today.

J. H. Brown led the cheering, and was assisted by Lloyd Jones. A new and evidently approved yell had been discovered by Mr. L. T. Powell, was enthusiastically received and took effect with a mighty crash, for this yell is: "Ray, Ray, Ray, Penn—Penn—Pennsylvania," and the same is to be given as the effect of a locomotive, growing louder and faster to the end.

It was planned to "Mike" Murphy and some of the coaches at the singing, but they were unable to attend.

From new on meetings will be held on Thursday and Friday nights, until arrangements can be made for a place in Logan Hall. Un-til then meetings must be held in Houston Club, for the use of which Secretary Cline has kindly consented.

The following men only will report for Glee Club rehearsals in the Whar- ton School smoking room at seven o'clock sharp on the above-mentioned occasions.

Pennsylvania, left end—W. G. Draper; left tackle—W. F. Gallagher; left guard—Dillon; fullback—centre; Tight End—Ziegler; right guard—Larague; right tackle—Lobe; Split End—Gaston.

THE 'VARSITY will play the Indian's on Franklin Field today. The two coaches, Beacon Pierce and Frank Houston, with the team and sub- stitute crew arrived at the Normal last year.

The coaches are retired and will not talk, but it is very certain that they feel they have a better chance against Pennsylvania than they have had for the past few seasons. The Indian boys are in fine condition, and with the extra advantage in their favor for trick plays when the rules now give, there is every reason to believe that today's game will be one of the mighty contests of the year on the Chest Field. Last year, it will be remembered, the Indians fought the 'Varsity one of the severest battles of the season. Pennsylvania won by the score of 6-0, but it was the closest of the season and the fight made a mighty contest. Today's game will be one of the mighty contests of the season. Pennsylvania won by the score of 6-0, but it was the closest of the season and the fight made a mighty contest. Today's game will be one of the mighty contests of the season. THE PENNSYLVANIAN

ANN ARBOR, MICH.—The result of the annual game with Ohio State University is a source of satisfaction on the campus at Ann Arbor. In former years Ohio State was not looked upon as a formidable opponent, but this year the sentiment is different. Doubt was entertained as to the outcome, and when the whistle finally blew, calling the teams into action, the unusual spectacle was presented of a thousand Michigan sympathizers fearing less the Maize and Blue should be humbled.

Michigan sent to Columbus this year the weakest team she has turned out in years. The eligibility rules are being strictly observed, and enforced idleness of debauched veterans and new Froshmen stars is keenly felt.

With the six points scored Coach Yost was pleased. The uncertainty of his line-up on him pessimistic, and he seemed to be fearful that Ohio would score. Indeed the whole tone of Michigan feeling was bluer than that of any year since the coming of Yost. Where there was before sangunity, there is now doubt: where there was before confidence, there is now uncertainty. However if moral support comes for anything, the efforts of Michigan's football team ought to be crowned with success.

Mass meetings and "sings" are held in University Hall for the purpose of encouraging the men and at the same time furnishing an outlet for surplus enthusiasm.

These meetings are held for the most part under the direction of the Michigan Union, that comparatively new movement which is fostering the club house project at Michigan. The idea is familiar to all Pennsylvanians, as embodied in Houston Hall. The need for an institution similar to Houston Hall is strongly felt at Michigan, and the plans of the committee are fast maturing.

It has been the custom at Michigan since the Union project was conceived to hold each year some sort of large entertainment—the combined efforts of all students in all departments. This year plans are already on foot for a campus open, the proceeds to further the club house plan.

The registration this year is the largest in the history of the University. Although the figures are not yet compiled, it is estimated by Secretary Wade that the total will reach 5,000.

Zeta Hold's Weekly Meeting.

The regular meeting of the Zoological Society was held in the society's regular night. The regular routine of business was carried out. H. W. Johnson, Jr., '07 A, read a paper on "Teutonic Mythology." The society then indulged in an informal discussion of the negro problem. After the meeting three new members were initiated—H. P. Zinser, '09 A; W. C. Shekermierhorn, '09 L.; and F. C. Vieser, '09 A.

"Cheer Pennsylvania." The band at Franklin Field this afternoon will play "Cheer Pennsylvania," the words of which are also in the football program:

Cheer Pennsylvania, cheer evermore, We're back, as we see the Red and Blue score and score, And when we give a resounding How Royal to our Calhoun, Ever loyal to our Pennsylvania !"

Veterinary Medical Society Meets.

The Veterinary Medical Society held its first meeting last evening at Veterinary Hall. A smaller for the entering men was planned, and Dean Leonard Pearson gave the opening address of welcome to the new men.

Bradford County Club to Reorganize.

The reorganization meeting of the Bradford County Club will be held at 7:15 o'clock on Monday night on the third floor of Houston Club. Officers for the ensuing year will be elected.

SATURDAY, OCTOBER 27, 1906.

The absence of the Students' Guide Association has been very aptly remedied by the issuance of the "University Guide."

It looked quite like old times to see so many black caps being worn around the campus. Let the upper classmen keep up their good work.

The adoption of the "automobile cheer" is a move in the right direction, but we would suggest that it be preceded by "Hoo! Hoo! Hoo! Hoo!"

FIRST MASS MEETING.

Last evening the first mass meeting of the season took place in the triangle, and although not so largely attended as the mass meetings held last year, there was no lack of enthusiasm. The Marching song was practiced, and this certainly deserves to be one of the most popular of our college songs.

The different plans of mixing up rhymes and burlars is a good scheme and makes more effective the work of the men.

For the first mass meeting of the year last night's gathering proved satisfactory, and is sure to result in greater enthusiasm among the students and better support to the team. But to get this result it is necessary for every man to attend all future meetings and learn the songs and cheers. Last season the meetings were highly successful, because the large attendance gave dash and spirit to the singing, and resulted later in an exhibition of the greatest enthusiasm seen for years on Franklin Field.

The football team is going into a hard game to-day, and it depends upon every undergraduate to attend this afternoon's contest and by his enthusiastic, consistent support enable the Pennsylvania eleven to defeat the team from Carthage.

Work on New Dormitory Begins.

Work on the new dormitory house to be erected between Cote House and the old dining hall, was actually commenced yesterday morning at seven o'clock. A squad of twenty men was put to work doing the old frames and first ground was broken. No official ceremony attended the event.

Seven Reasons

"But apart from all the-choices, deductions, and things you may perhaps be satisfied with glittering generalities, there remain seven solid reasons for using an Electric Sign. These are to be found by a count of the letters which form a word spelled S-U-C-E-S-S-E-N-G, for that is what an electric sign spells to the merchant who places it over his door.

...Reception to Freshmen.

A most enjoyable reception was given to the entering class of the College by the Men's Club of the Walnut Street Presbyterian Church at the church building, Fourth and Walnut streets, last evening, Dr. Samuel McVay Lindsay, Professor of Sociology at the University, called the meeting to order. In a few words he reviewed the history of the club and explained its object. After welcoming the freshmen and their friends, Mr. Groseclose, he introduced Dr. C. McCracken, '91 M. Dr. McCracken told of his work in Canton, China, in connection with Dr. A. H. Woods, '29 M., toward founding a Christian medical school and dispensary in the Far East on behalf of the University Christian Association. Besides describing the conditions in China he spoke in part as follows: "Dr. Woods has been hindered at every turn by lack of an operating room. Many cases where it is absolutely necessary to perform an operation it must be treated with medicines, owing to the lack of facilities. It is to build a first-class medical school, containing besides a dispensary a men's ward and women's ward, both with a capacity for twelve persons, and an operating room, that I am trying to raise $100,000."

Mr. Evans, resident director of the University House, formerly the University Settlement, was then introduced. He described the new $50,000 house, opened last July. After telling the conditions in that neighborhood he described the work being done.

Rev. R. W. Dana, minister of the church, was presented and welcomed the students with a few words of kindly advice, and assured all students of a hearty welcome to the church at any time.

...Dental Prizes.

Dr. William Lemon Ellick, '97 D.D.S., of Salt Lake City, has donated $100 for two prizes in the Dental Department this year. The first price of $50 will be for the most meritorious article by an undergraduate appearing in the "Penn Dental News" during the current college year. The other $50 is to be used for a prize for the most efficient scholarship in the Freshman Class. The conditions governing the disposition of these prizes will be imposed by the Dean of the Dental Department, and the prizes are to be offered as he may see fit, either as cash or merchandise, books or instruments, purchases with the amounts named.

...Philo to Give Reception.

The Philomathian Society held its regular meeting last evening. The following were elected to membership: Harvey Sharp, '98 A.; C. F. Kleinbauer, '98 A.; N. W. Harker, '98 A.; H. White, '98; R. L. Johnson, '98 A.; A. W. Smith, '98 A.

The society will give a reception to the members and their friends on next Friday evening before the regular meeting.

...Speaker at Sunday Services.

Sunday services will be conducted in the Houston Hall auditorium tomorrow morning by the Rev. C. C. Al bertson, D.D., of Rockester, N. Y., formerly of the Germantown Methodist Episcopal Church. Dr. Albertson will also conduct the services on the following Sunday.
