YESTERDAY'S YARVSITY FOOT- BALL PRACTICE GRATIFYING
KEINATH AT QUARTER INFUSED MUCH LIFE INTO THE TEAM.

A spirited football practice was held on Franklin Field yesterday afternoon, though some of the players complained of exhaustion after the sweltering practice game, the good effect of the contest being manifest. The men went into each play with a gratifying willingness, and it is altogether probable that another practice game will be arranged before the Michigan game.

After an hour spent in kicking, in which Keinath, Greene and Holtenback ran back punts all equally well, almost led in the field. He varied his plays will and, continually reverted to the forward pass, which, with Keinath proved such a success that every player was able to hold his own at center. Holtenback at full back, although only a freshman,handles the ball well, though erratic in his punting. Captain Greene played his usual strong defensive and offensive game at right half. Thalmer Murphy only allowed Fieldwell in the scrimmage for about ten minutes. For the Scrub Kline and Pike excelled.

The Varsity entered twice, once after Keinath had cleverly recovered a fumbled ball, which had dropped for a broken field for a thirty-five-yard run, and, second, after some steady lines by captain Keinath and right tackle Greene. There was little kicking and little running back on this occasion. After Wharton and Former Coach Williams made the touchdown the Scrub pressed forward, though erratic in their punting.

The Freemen lined up against the Scrub first, and after a close fight the Scrub was strengthened by several Varsity recruits, but the Freemen had not enough in the way of a qualified team to make the needed gains.

A masquer ball will be held in the triangle tomorrow evening at 7.45, to practice new songs and cheers. Speeches will be made by the members of the team. Everybody is expected to turn out for this meeting. The Varsity line up was as follows:

Varsity—Leaven, Townsend, left end; Lavery, Draper, left tackle; Gallagher, left guard; Dwyer, center; Zeilinger, right guard; Reid, right tackle; Keinath, right end; Keinath, quarterback; Polidew, Dyer, left half back; Green, Balmer, right half back; Holtenback, full back.

Basketball Notice. A basketball notice will be held to night at 7.30, sharp, is the gymnasium, and it is hoped that a large number of men will report for the Varsity. Signed W. C. Faier, manager.

YESTERDAY'S NEW PLAN ADOPTED BY THE DEUTSCHER VEREIN LAST NIGHT

CONVERSATION SLIPS PASSED AROUND BY THE PRESIDENT.

Will be a Regular Feature of the Semi-Monthly Meetings—Five New Members Elected to Society.

An unusually well attended regular meeting of the Deutscher Verein was held last evening in the German Seminar rooms in the Library building.

An interesting program was rendered by the German by several members of the society, who paper was read by 1. J. John, '88 C, in a selection, "The Schiinkel," was given by S. Rosenblum, '90 C.

After the regular literary program President Van Hagen announced a new plan which has been devised by the Program Committee for the promotion of spontaneous German conversation among the members. Short conversational pages have been passed around each month and written the details of an imaginary trip to Germany, with questions bearing on the subject. Everyone present answered his share of the questions and joined in the general conversation which followed. The exercise proved to be both enjoyable and profitable to the participants, and it has been decided to devote a half hour or more at the next regular meeting to this feature. The practice to be gained in this way, as well as from the literary program and the regular conduct of the meetings, should be of great benefit to their interests in the spoken German. A man with ordinary ability and a fair amount of application should be able to speak the language intelligently after a year's membership in the Verein.

The following were appointed committees to arrange details for the annual German play: Baker, '88 C; Meister, '88; Brown, '89 C; Rosenblum, '19 C; Bandman, '97 C.

The following men were elected members of the Varsity Society: Reeves, '88 C; Wagner, '88 C; Leeb, '89 C; Kline, '89 C; Rosenblum, '10 C, and Martin, '89 C.

Dr. Young's Second Lecture.

The second talk in a series of discussions by Dr. James T. Young, of the Wharton School, on the subject, "Labor Problems and the Doctrines of Christ," will be held in the rooms of the Christian Association in Housen Hall this Thursday evening at 8 o'clock. The talk this week will be on "Factory Conditions," with subheadings of the second year on women and children and social effects of the factory system. All those who will be interested in the subject will be interested in the discussions.

Pennsylvania Subscriptions. Subscribers to the Pennsylvania are reminded that on and after November 15th, one week from today, the price will be advanced to three dollars per year, as announced, to such members who desire to profit by the two-dollar-and-a-half rate have plenty of time to do so, if they attend to the matter at once.

MARS MEETINGS.

We would like to see more mars meetings than have been held this fall. Three or four times a week from now on until the end of the football season we should have song services in the triangle for fifteen minutes. The more of these meetings there are the more men will come out for them as time goes on.

There are many Pennsylivania songs that the freshmen probably never heard sung, at least at any University mass meetings. They are "good songs," and should not be permitted to lapse. There is nothing like a series of good mass meetings to stir up the spirit.

We are well pleased with our cheer leaders this year. They have done good work thus far and will keep it up, we are confident. All that we suggest, however, is that they realize the value and practicability of more frequent meetings, and that they give up fifteen minutes three or four times a week to developing this beneficial side of college life.

ACTIONS OF UNDERGRADUATES.

A large delegation of Pennsylvania students emigrated from the campus and University surroundings Tuesday night to take part in the annual downtown celebration of election night. Many of these paraded the streets, others made merry in diversified ways, but a few attended a downtown theatre to while away the early hours of the evening. The action of those few men was a disgrace to the false name of Pennsylvania, for without the slightest provocation they paraded Pennsylivania songs and gave University cheers and otherwise interrupted the performance.

We want these few men to know that Pennsylvania is judged by the acts and mannerisms of its students whether such behavior meets with the cooperation and good judgment of a few or of many. To be happy and celebrate a victory is one thing and to be congratulated, but to interfere with the rights and enjoyments of others in such actions is to be seriously condemned and censured.

FRESHMAN PROCLAMATIONS.

One more week will remain during which the Freshmen can get up their proclamations. The traditional vigilance of the Sophomores by common consent, ceases on November 15th and it is "up to" somebody in 1910 to get good and busy in the next few days, lest the second-year men win by default. No credit attaches to the posting up of posters after the watchfulness of the other class has relaxed, and the Freshmen can, by prompt action, prevent a repetition of last year's farce, when no attempt at putting up "proves" was made before the time had expired. It is also to be hoped, however, that the Freshmen will use some care in the selection of backgrounds for their posters—when they are at least forthcoming. Posters can add little to the appearance of venerable structures, such as College Hall, the Library, Wasser Institute, Logan Hall, etc., and Freshmen should profit by the Dean's timely chapel criticism after these buildings were be-postered, and leave them hereafter severely alone. There is a place for everything.

College Sophomores Win at Bowling.

Yesterday afternoon the College Sophomores took two games from the Architects in the interclass bowling tournament. 97 C. was scheduled to meet 99 C. For some reason the Secon's did not report, and the Sophomore bowlers were substituted. The Sophomores took two games out of three. H. P. Hammond did the best bowling, having a total of 462 for three games. This is considered to be very good bowling. Following are the scores:

99 C.—H. P. Hammond, 194 206 163, 563; E. Smader, Jr., 130 130 121, 450; R. H. Hopkins, 129 143 149, 421; F. L. Bueck, 153 166 136, 454; D. Christopher, 125 141 141, 417. Totals, 711 743 741, 2,195.

This afternoon 99 B. meets 97 B. at three o'clock.

Law Registration To-Day.

Students of the Law and College Departments are reminded that day is the last day this year upon which they can file application for registration as a student at law in Pennsylvania. The County Board of Law Examiners will be in session this evening at three o'clock in the Lawyer's Club, 1541 Walnut street. All those desiring to register must appear in person and be provided with not only the proper affidavits from the Prothonotary's office, but letters of recommendation as to moral character and attainments from three prominent residents of headquarters city as well.

Class Football Team Practice.

The Junior College football candidates met for a few minutes after the Varsity practice yesterday afternoon. Captain Hicken raved out the signals and announced a few of his plans, in mean of which he hopes to put together a winning team. As several of the men had already been in training and were tired, only signal practice was held. Several Sophomores were out for practice yesterday. So many of them, including Captain Garrison, played on the scrubs, that they were unable to get together until nearly dark.
