PHILADELPHIA, SATURDAY, NOVEMBER 10, 1906

RECEPTION TO EVENING SCHOOL

Price, Two Cents

Pennsylvania plays Lafayette this afternoon on Franklin Field. With the football game still fresh, and in view of the fact that the Michigan game is only a week off, this game becomes one of the utmost importance. Pennsylvania has made good progress in the last week of preparation since the Indian game, as in that time two new quarter-backs, a new fullback, a new tackle, and a new center, have been developed, and it is hoped that these radical changes are going to greatly improve the Wolverine situation.

Lafayette has one of the strongest teams that have had for years, and they are expected to put up their hardest fight. It was not surprising therefore that the 'Varsity last year, largely through the playing of MacKay, the great fullback, was able to drop small star that the visitors place their hopes in.

Lawrence will start the game to-day at quarter-back, as he has shown great improvement in the last week in running the team. Kemnal will also probably be able to have a chance at the same position before the game is over. Hollenback will be at full-back, Dwyer at center, and Gaston at right tackle. These changes from the line up of the Indian game are expected to strengthen the Pennsylvania attack.

The coaches gave their last practice yesterday afternoon. This practice yesterday afternoon consisted mostly of running off signals. There was no scrummage, and only the lightest sort of work was allowed. Secret work was held before the close of the practice, to perfect some new formations.

Lancaster County Club Meets.

The regular meeting of the Lancaster County Club was held last evening in the Hotel in the City Club. New officers were elected, as follows: president, R. H. Wolf; vice-president, G. S. Gray. treasurer, T. J. Maloney; secretary, A. C. H. Munroe.

Agnew Surgical Society Meets.

At the regular monthly meeting of the D. Hayes Agnew Surgical Medical Society, held last evening in Young and the Men Who Stood By. The regular monthly meeting of the Greek Medical Society was held last evening in Houston Hall. Before the regular meeting, James Matthews, of the Temple, was elected as foreman. The presidents of the two medical societies were made welcome to the visitors place their hope in.

Dr. Van Dyke, a Sunday Speaker.

Dr. Henry Van Dyke, Litt. D., of Princeton, will be the speaker at the Houston Club services tomorrow morning. Dr. Van Dyke needs no introduction to the students of any other University, as he is one of the most prominent men of letters in the country. Last University Day, held in the Academy of Music, he addressed the students with a short speech, In the purpose of the Evening School and the association.

Dr. Van Dyke was received, followed by an informal smoker, during which college songs and college issues discussed.

The services commence at eleven o'clock, but to secure a seat it would be well to be there considerably before that time.

A "Gower" Game Today.

The "sneer" team will play Germanaw this afternoon at Queen Lane. The "sneers" are under the management of Dr. Van Dyke, and are made up of Percival, Morris, Wood, Pleasants, Weiss, Keating, and Torrey. They will be addressed at the University Club last night In Houston Hall to the entering class. There were nine welcomed and fifty students, several members of the Faculty, and other invited guests present. Dean Penniman and Dr. S. F. B. Morse spoke, and Dr. Smith gave his popular "Picture Book" talk.

Charles Wetlager, president of the association, proposed. He introduced Dean Penniman, who welcomed the students with a short speech, in which he emphasized the fact that the Evening School was becoming more allied to the day school, and the students showed they now unite In doing everything in their favor for the students, and learn that the more they do for the more benefit they would receive from their college.

Dr. Meade, the Director, will preside. A "Gower" game will be played at 117 East Twenty-first Street.

TO-DAY’S GAME.

That we are going to cheer a victorious team this afternoon when the University meets Lafayette for the annual football battle at Franklin Field seems assured by the confidence of coaches and team as expressed at last night’s mass meeting. It was said that there is a new spirit in the team, that the team has had a good deal of adversity to contend with this year, but that from now on the men are determined to let no consideration interfere with the spirit that wins. This is the inspiration that is bound to succeed even against odds, especially in combination with newly learned football craft. The team evidently realizes the situation. They have had to struggle of their own—troubles few outside of the training quarters know—we are perfectly aware, and our sympathy is with the team; the sympathy of the entire University should be with the team.

What we cannot endure is the man who criticizes in the latter spirit that seems to think the team and coaches have suffered defeat unwaveringly for some secret reasons of their own. It is a disgrace that certain individuals in the cheering sections have inculcated the notion of the cheerers that some teams of the team are not full, that they have done this without being thrown head over heels out of the stands. We are glad to say that such behavior has been discouraged by hissing and cries of indignation. Any man guilty of such conduct should be publicly exposed. We are going to win today’s game. Let the cheerers be the good old cheering. Let us sing and cheer till the cows come home. No matter how interesting a play may be, no matter how critical or fatal its result, the songs and cheers must go on. The cheer leaders will not permit one cheer to break or one song to die until the end.

WHY, OH WHY?

Dear Sir,—The letter contributed to this column recently by that public spirit Westerner, concerning Pennsylvania cheering makes me very tired. It is a good example of the way such people spread false and exaggerated statements over the country in order to "boost the West." In the matter of college cheering it may say that most of the cheers and songs in these Western colleges are "crude" on those of the Eastern Universities, with words changed to suit the particular institution. For example: "Tie!" is introduced here this fall Pennsylvania's three long "Yiss." John Brown himself, on his return from a Western tour last winter, remarked on this fact in connection with Stanford University. And then to think of his nerve in comparing our leaders to the leaders at the Cornell-Princeton game at New York, when they have always before them as an example the methods of Frank Tupper, the peer of all college cheer leaders. Aside from all this, I wonder what kind of spirit "Student" possesses when he "quits" his own team and goes over to New York. It seems to me his place was at Franklin Field that Saturday.

Very truly yours,
