University Rugby Team Won
Next Passing and Quick Team Work
Defeats the Brooklyn Club Team.

The Pennsylvania Rugby football team won from the Brooklyn Rugby football team by the score of 11-0 on Saturday. The game was played in Cortland Park, New York City, at 2:30 o'clock in the afternoon. The game was keen and fast. The passing of both teams was very good.

In the first half a "try"—three points—was secured by H. H. Hunter, Halfback, on a pass from "half-way," the half-back taking the pass at "half-way" and going in for a try on the goal line. From there it was handled by each of the centre "three-quarters," eventually reaching Hunter, who scored. Followers of the game pronounced this kick off of play as the best they had ever seen. Pike kicked the goal, making the score 3 to 0 in Pennsylvania's favor.

In the second half Brewer and Popic added a goal each with "tries," neither of which was converted into a goal. Good judgment was up as follows: Fullick, F. Barnsford; those who missed, J. A. Downey, G. Dechter, C. Lowe, H. Rawson, F. Eyring, F. Popic; half-back, F. Broomfield.

The following nominations were made for the Board of Directors:

Junior Committee Cancellation.

An important meeting of the Junior Committee will be held tonight, at seven o'clock in Room 397, Alumni, dormitory. The following are requested to be present: Harker, Mack, and Casperi. Harker and Casperi will designate the "three-eighths," signed: H. E. Reeves, chairman.
CHEERING

The cheering at Saturday's game was better than any heard on Frank- lin Field this season. Even when the Lafayette eleven were successfully holding the University for downs, the "rootsers" showed a much more lively sense of their responsibility than for some weeks; there was more appar- ent sympathy between them and under- graduates. As several football men said Friday night at the mass meeting, it is far easier to win if the team is encouraged by the under- graduates. We are under an obliga- tion to the men who fight our battles, and we are under an obligation to the cheer leaders. The enthusiasm and spirit of the cheer leaders is triturer- ous on the part of those who do not play.

LAFAYETTE GAME

The football team deserves credit for the marked improvement shown in Saturday's game with Lafayette. The Boston team, after working its hardest to prepare for this game, came to Philadelphia with a strong marquee highly developed in the new tactics and confidence of a victory. The Lafayette game has always been one of the hardest on our schedule. Even with last year's championship eleventh we succeeded in doing no more than tie the Eastonians with a 6-6 score. This year our team has taken a long time to arise, and excepting possibly the Browns game, has made an unusually poor showing, especially in the use of the new rules. Meeting us with a team at least not inferior to last year's, naturally Lafayette was encouraged to high hopes. That we not only avouched defeat, but even out- played the Easton eleven in a notable manner, demonstrates what hard work and determination can do. Our team is reorganized. This is illus- trated by the newly acquired ability to catch forward passes and punts, more effective tackling, and less fumbling. At quarter a new man was tried with tolerable success. It was Lawrence's first game and he played it with a strained leg. It is certain that he can make a better showing from now on. He is a good player although not a star, and will be ex- tremely valuable. A little more dash and quickness in running down punts would be a further improvement. When every man plays on his toes and does not hesitate for a second when he catches the ball, the result is certain. What spirit can do the team proved Saturday on Franklin Field. Every player was a new man and more alive to his responsibilities than at any time this year.

MICHIGAN'S MISFORTUNE

That Curtis, captain of the Michigan foot- ball team, has broken his leg is sad news here, and we sympathize deeply with the Ann Arbor men. While such a collision is very great, the Michiganers never- theless will meet us with a strong combination, and will play for the prestige of the West with a do or die spirit. Unquestionably we should have scored on Lafayette Saturday, since we outplayed the victors in every department of the game and virtually beat them. We may expect a much better showing against Michi- gan next Saturday, as the work of reorganization goes on, and if it is not too early to say it, we are con- dent that the team will grow stronger and stronger every day in the spirit that wins hard battles until we are able to regain our prestige with in- tertidence.

Sophomore-Freshman Debate

The Sophomore and Freshman Debating Committees have both organ- ized and drawn up rules to govern the annual debate between the two classes, which will take place on January 4th.

The chairman of the two commit- tees will determine the question for debate tomorrow morning. The side winning the toss will be compelled to announce its choice of sides by Thursday, November 15th, after which actual preparations for the de- bate will begin.

A meeting of all candidates for the Sophomore team will be held on Friday, November 16th, at 11:55, in the trophy room of the Houston Club. All candidates must be present at that time.

Dr. Van Dyke Addresses Students

At the services held at Alumni Hall yesterday morning Dr. Van Dyke spoke on "Worshiping God in every- day life." The general utility of the horse as used by the general in bat- tle, the draught horse, and even to draw street sweepers, was used as an ex- ample of a wide field of usefulness. The field of religion should be inclusive of all broad and scope and utility. Religious activity should be expanded to everyday life, and practical acts and deeds should substantiate our reli- gious beliefs and creeds.

After the service W. C. Mercer made an address on "Work and the Field of Missionary Work."

Sophomore Basketball League

The Sophomore Class of the University has organized a basketball league, composed of teams from the following departments: Mechanical Engineering, Civil Engineering, Chem- istry, Veterinary, Medical.

An invitation was heartily extended to the Departments of Law and Den- tistry, the Wharton School and the Arts and Sciences to enter the league. The teams must be composed of Sopho- more or second year men.

A meeting of delegations from the various departments will be held to- day, at 3:45, in the Houston Club. See notice on bulletin board for room.

special Christian Association service on Sunday morning. Other events will of course be worked into the week's program, notably the Brown Dog Fight between the Regulators and Freshman Classes, which will be held in the fall this year for the first time.

The whole celebration is in charge of a Junior committee, of which Paul R. Kilman, '86 C., is chairman. The committee will publish, before long, a little booklet of very small size, containing the complete Junior week program, so that the undergraduates may be enabled to keep all the events in mind. A meeting of the entire committee is announced for to-day, at 1:30, to perfect the details.

COMMUNICATION.

Houston Club Post Office.

Editor of The Pennsylvania.

Dear Sir: This communication col-

sum exists, unless I am mistaken, for the correction of the evils and abuses prevalent around this University, and there is one kink I would like to reg-

ist, which I know will meet with im-

munity from many. The Hous-

ton Club Post Office is managed in a most dirty and unsatisfactory man-

ner. I went over there yesterday, sent them my order, and the boy told me they were out of stocks, but would have them there this week. I pre-

sent a money order at the window once—needed the money badly, too—

and although it was only ten dollars, they told me they didn't have enough cash on hand to hand it, and I had to wait. Frequently they are out of stamps and postal cards. The amazing glory of the office, however, is its mail service. A letter mailed to a place we will say in West Phila-

delphia some evening is likely to be delivered any time in the afternoon of the next day but one. Every letter seems to lie there in the box and season a couple of days before it is ever collected. Cannot anything be done?

CHRONIC Kicker.

- Park—"Old Homestead."-

Given his choice of every occasion between a theatrical and the chances are a hundred to one that Denman Thompson, whose name has been the term, "Old Homestead," has chosen to be a farmer. His father's and grandfather before him were farmers, natives of New Hampshire, in a dis-

inct line of descent from one of the original six to whom the township of Swampscott was deeded by the Massa-

chusetts authorities in May, 1736. It was there in that little hamlet, re-

lared to in the life of Denman Thompson, as "just far enough away from Keok to preserve its homely int-

ed," that some of his pleasantest household days were spent. Therein in later years he made his home.

The "Old Homesteads" in this week's attraction at the Park. The sea-

son Tuesday, Thursday and Saturday matinees will be given.
