DEUTSCHER VEREIN MEETING

INTERESTING PROGRAM RENDERED IN THE SEMINAR ROOM LAST EVENING.

The literary program at the regular assembly, which will be held after the literary program, was led by President Van Haagen. The Verein had an imaginary tour of Germany. Each member participates in the exercise, which should prove beneficial to all.

Several names were proposed for membership, but no new members were elected at this meeting.

Sub-Committee Report Today.

All Juniors having tickets for the charity party at the Chestnut next Monday are required to account for all cash and tickets made paid. Those who have not been notified may be called upon by the committee.

University Debate Committee.

An important meeting of the University Debate Committee will be held this afternoon at 4.30. It is planned to take the Intercollegiate race, and probably the football squad report for practice tomorrow afternoon. Of the "Varsity" men every one who played in the Michigan game was in the line up and stayed throughout the practice yesterday afternoon.

The work of the afternoon consisted of a hard and thorough signal practice, the coaches acquainting the men with two or three new plays, and perfecting the forward pass. No scrimmage was held although everyone was in good condition, as the coaches do not think it good policy to keep the players at such high tension as last week, but rather to train for the Cornell game. There will be no fear of anyone going stale. This policy could not be followed last year after the Harvard game, since a hard game was made against Columbia and Columbia followed soon after. Little trouble was participated from Yale. The coaches are in charge of Bishop-Coadjutor White, and the American people, Attorney General Moody.

Dr. Young's report today, at 1.15, for practice on Saturday, however, and the coaches will practice this afternoon, at 4.30, on Franklin Field. As several promising candidates have reported, it is thought that a second team, which is largely composed of Sophomores, will be selected for the centennial basketball game on December 16th. Several names were proposed for the Sub-Committee, as several promising candidates have reported. Incorporated for the Bar Association.

The presentation of the Intercollegiate Commission to the President, however, will be held this afternoon at 4.30. who have reflected credit upon their
Nation and State, and, in so doing,
upon their college. James Wilson
founded a Law School which, though
nothing but a modest beginning, has
developed and widened its scope until
it now stands in the very front rank.
All of us are not able to attend the
ceremonies to-day, but it behooves
us nevertheless, whether ordinarily
given to sober reflection or not, to
remember today that in James Wil-

well be proud—a typical Pennsylvania

Bibliographic Club Reorganized.
The Faculty Bibliographic Club, which
until a few years ago was in
active existence, was reorganized at
a meeting held last Thursday in the
University Club. It was decided to
hold a meeting once a month when a literary program will be given.
One of the members usually reviews
an important book or speaks on some
new advance in one of the lines of study pur-
posed by the club.

At the last meeting Professor Jas-
HROWN read a paper on "A Recent
Translation and Biblical Account of
Man," containing an account similar
to that in the Book of Job.

Lecha Club Organizes.
The Lecha Club, comprising the
twenty-two students of the University
from Lehigh County, held a meet-
ing in the dormitories recently and
elected the following officers: Presi-

Edmonds has addressed the Wharton

each time spoke to a room
crowded to overflowing. Additional

COMMUNICATION.

Football Song Used in 1899.

Editor of The Pennsylvaniaian.

Dear Sir:—Back in 1899 Pennsylvania's "rooters" used the following song to the air of "Dixie":

"Founded first by good old Penn—
Syracuse! Hooy! Hooy! Hurrah!"

A tiny school it started, then it grew and grew till now it's—
Syracuse! Hooy! Hooy! Hurrah!

CHORUS

"Then give a cheer for Penn—
Syracuse! Hooy! Hooy! Hurrah!"

We'll raise our song to help along
The men of Pennsylvania.
Syracuse! Hooy! Hurrah for Pennsylvania!

"We've done them once and we will again,
We'll show what stuff we have at Penn—
Syracuse! Hooy! Hooy! Hurrah!"

We'll jump right in and we'll fight
Like men. We'll show what spirit is at Penn—
Syracuse! Hooy! Hooy! Hurrah!"

The words are good and the air
Is one of the most inspiring ever known.
Why not use it again? It would be
Sure to make a hit with the stands.

Mr. Joseph G. Rosengarten has presented to the Library a collection of dramas in thirty volumes, published in London, 1718. The books contain dramas translated from foreign languages as well as in the original English, and many of the pieces are very difficult to procure in any other form.
