SENIORS WIN THE FOOTBALL GAME FROM THE JUNIORS

FORTNIGHTLY SWIMMING MEET HELD IN POOL LAST EVENING

PHILADELPHIA, FRIDAY, DECEMBER 7, 1906

FIELD SO MUDDY THAT BOTH TEAMS PLAYED POORLY.

Scores End 60—Dyer, Keenan and andickham Play Well—Montgomery Makes Touchdown on Fumble.

In a sea of mud and slime the College Senior Football team defeated the Junior Class team yesterday afternoon on Franklin Field by a score of 60 to 6. Quite a few of the men in the contest were classes present when the game was played up having a short signal practice. The Seniors won the toss and chose to defend the east goal. Gribb kicked off for the Juniors. After exchange of punts the Juniors being unable to gain tried a quarter back but the ball went over the goal line. Dyer kicked out for the Seniors from the twenty-yard line. The Juniors tired a forward pass on the first line, but the ball touched the ground and it was the Seniors' ball in a mid-field. They fumbled and a Junior fell on it. Unable to recover, Montgomery kicked. The Juniors then ball but recovered it on his own twenty-yard line. Dyer then made the first of his several long runs carrying the ball to the Juniors' forty-yard line, where he was brought down for a gain by Keenan. The ball went to 1908 on a fumbled pass, and the immediate carrier was put mid-field on line punches. Bichand kicked a quick kick, but Dyer caught the ball and returned it forty yards but fumbled, which was again the Juniors' ball. They immediately kicked out, and Walker, watching the ball, got it the entire Junior team with members of both classes are expected to come out and cheer.

ARCHITECTURAL SOCIETY MEETS.

The regular monthly business meeting of the Architectural Society was held last night in the society's room in College Hall. After the regular business was disposed of several new members were initiated. Carl E. Howald, who has been the Treasurer for the Fellowship last year, and who has just returned from Europe, spoke to the society about his experiences while abroad.

CHESS AND CHECKER CLUB TO MEET.

Today's meeting of the Chess and Checker Club is to be held at noon in the Governor's Hall and will decide the percentile of the Exchange and make rules for the various tournaments. Other important business will be transacted. Signed: J. Henry Smythe, Jr., president.

CONSTITUTIONAL LAW AND PLEADING.

Professor Patton will be absent from the Law School today and will not meet his classes in Constitutional Law. Paton's examinations will be given in class in Constitutional Law on Tuesday at 5 P.M.

BOWL FIGHT POSTPONED.

On account of the recent snow and the condition of the field, the annual Sophomore-Freshman Bowl Fight against the Juniors will be postponed. On Franklin Field after the Christmas vacation.

The editorial board of the "Punch Bowl" meet yesterday at the Law School. Signed: Ralph J. Walte, President.
All votes for members of the Athletic Association Board of Directors must be received before twelve o'clock tomorrow morning at the office of the Athletic Association. No vote received after that time or bearing the postmark of the Philadelphia post office of a later date will be counted. Every member of the Association should cast a ballot upon the blank furnished. The undergraduate members should be representatives of the student body, and they cannot be unlesst those entitled to vote at this election make use of their privilege. Much probably depends upon the selection of the proper men to fill the positions. Undergraduates have often felt in the past that they have been unfairly treated by the Association. This would not be the case if the undergraduate directors represented the students as they should, and exercised their rights upon all occasions.

The Sophomore-Freshman football game will be played on Franklin Field tomorrow. The game promises, from the excellence of the Freshmen, at least to be a good one. Without doubt both classes will put up a good fight and furnish sport that will be well worth seeing. We would suggest that the Freshmen and Sophomore win this game in larger numbers than usual. It might seem that all the members of the class would take an interest in their class athletics, but such, unfortunately, is not the case. Many men in the class do not even realize that there is such a football game to-day. They should know about it, and the teams' management should suggest to the officers of their respective classes that class meetings be held immediately before the game and that the classes organize their own cheers and songs. Such a system would surely foster class spirit to a remarkable degree. And the football men to play harder and strive more steadfastly for the honor of their class. Unless they are encouraged and honored for their accomplishments more than they are at present, the men who play in the intercollegiate football games will never bring these contests to the important and honorable position they should hold.

SENIORS WIN THE FOOTBALL GAME FROM THE JUNIORS

(Continued from First Page.)

ced: Keanan, quarter-back; Wait, right half-back; Fullwheier, left half-back; Bickham, full-back.

T. W. Ochse, down, left end; Hardine, De Van, right tackle; Yorke, right guard; Kirkpatrick, centre; Thompson, arm guard; Bryan, left tackle; Golden, left tackle; Hawley, left end; Montgomery, quarter-back; Walker, right half-back; Carter, left half-back; Dyer, full-back.

Zoological Society Meets.
The regular weekly meeting of the Zoological Society was held last evening in the society's rooms. The committee on the Rockmountzscope debate reported that arrangements had been completed for the debate at Swarthmore next Monday evening. The debate with Barnard Society of Columbia will be held in Price Hall, School on Friday, December 15th. L. E. Stoom, '96 L., was initiated into membership.

The literary program consisted of a lecture by Meredith H. Jacobs, '96, on a summer's experience in the Selkir Mountains in British Columbia. Over one hundred lantern slides accompanied the lecture, many of them showing mountainous and glacial districts in the Big Bend country that were probably never traversed by white men before. Through the linking up of the exploring party a map of the region was made for the first time. A rising vote of thanks was extended to Mr. Jacobs for his splendid treat.

University Library Notes.
The Library has received from the American Book Company a series of "Progressive Arithmetic." Nos. 1, 2, and 3, by William J. Milnes. These books were sent at the request of the librarian for use on the reference shelves, and it is the removal of such works from the reference shelves that causes the Library authorities considerable displeasure. None of the books previously announced as missing have as yet been returned.

The new Library rules, approved by the President on November 29th, have just been printed, and will soon be framed and hanging in various parts of the Library building. The chief change is in the hours during which the building is open to readers. Instead of from 8:30 A. M. to 9 P. M. they are from 8:30 A. M. to 10 P. M. during the college year.

Philonian Society Program.
Phillies' program for this evening will consist of an essay on "The Future of the Negro," by Strass, the review by Gibbons, and a debate on the question of the recent dismissal of the negro troops in Brownsville, Tex. Bickham, Cole and Schellins will support the action of the President, and Griffith, Harker and Faust will oppose it.

Lecha Club Meets Tonight.
The regular monthly meeting of the Lecha Club will be held in the room of Messrs. Ochs and German, 140 Smith, Dormitories, this evening at 7:30 o'clock. Every member is requested to be present.

Soccer Practice Today.
"Soccer" practice will be held at 4:30 on Franklin Field to-day. All candidates are expected to come out. Signed: Keating, captain.

Orchestra Rehearsal Tonight.
The University Orchestra will rehearse this evening, at 7:30, sharp, at the Houston Club.

Xmas Gifts
Are you thinking of giving your room-mate a Christmas gift? If you live in the dormitories or in a "furnished" home where electricity is used, nothing would be more acceptable than an Electrical Shaving Cup, or Chatting Dish, Cigar Lighter or French Coffee Urn.

A late supper or early breakfast would be a matter of five minutes pre-paration, if you used Electrical Apparatus. See the Electrical Exhibit at Wannamaker's and Gimbel Bros.' stores - Homekeeping Departments, or call on
