Princeton defeated Harvard in basketball last Tuesday afternoon in the campus gymnasium by the decisive score of 32 to 29. The game was the fastest and most exciting played here this season and abounded in spectacular plays. The University team was chosen for the New York Athletic Association.

The schedule of the University track team has been announced for the coming season. The track team will compete in seven meets this year, of which three, with Columbia, Yale, and Harvard, are expected to be the most exciting. The team will meet first at Cambridge the following week.

The next and last meet will be held at the Harvard Athletic Association.

Princeton will have its first game from now on to get the men into shape for the fall. The schedule is not completely arranged yet, and a number of changes are to be made.
