PENN WRESTLERS WIN MEET

Four Souls Scored Against Columbia. Ralph J. Waite Elected Captain.

Pennsylvania defeated Columbia in the intercollegiate dual wrestling meet in the gymnasium last evening by a score of four bouts to three before an attendance of five hundred people.

Forty, Pennsylvania, did the best work of the evening by throwing Nagorski, Columbia's star wrestler, in the hundred and seventeenth round class, and Alcichinger in the heavyweight event, both in less than a third of the allowed time. Harrisen, who was to have represented the University in the one hundred and forty

round class, was prevented from appearing by an enlargement of the heart.

The results were as follows: 115 pounds, Ralph J. Waite, Pennsylvania, over William, Columbia, in 6 minutes 12 seconds; 125 pounds, Newell, Pennsylvania, over Lindo, Columbia, in 5 minutes 24 seconds; 135 pounds, the decision over Wesson, Pepsin- Pepsin over Pennsylvania, over Wesson, Pennsylvania, over Lindo, Columbia, in 4 minutes 20 seconds; 153 pounds, the decision over Page, Columbia, in 2 minutes 15 seconds; 175 pounds, Fitch, Pennsylvania, over Wesson, Pennsylvania, over Lindo, Columbia, in 5 minutes 36 seconds; 185 pounds, Over page, Pennsylvania, over Page, Columbia, in 3 minutes 57 seconds; 200 pounds, Fitch, Pennsylvania, over McCallum, Columbia, in 4 minutes 11 seconds; 210 pounds, Hamilton, Pennsylvania, over Fox, Columbia, in 4 minutes 7 seconds; 225 pounds, Costello, Pennsylvania, over Keinath, Columbia, in 2 minutes 55 seconds; 250 pounds, Fisher, Pennsylvania, over Smith, Columbia, in 2 minutes 53 seconds; 275 pounds, Fitch, Pennsylvania, over Randle, Columbia, in 3 minutes 46 seconds; 300 pounds, Wilson, Pennsylvania, over Randle, Columbia, in 3 minutes 46 seconds.

After the meet Ralph J. Waite was elected captain of the University wrestling team. Brown having resigned on account of having to devote his time to baseball.

PHILADELPHIA

Death of George Cheston.

George Morris Cheston, son of Dr. Randolph Cheston, who yesterday was attending at his father's home at Chestnut Hill, entered the University in 1904 and was compelled to discontinue his work in his Sophomore year on account of ill health. This year he returned to Philadelphia and took up studies preparatory to entering the law school next year.

He contracted pneumonia on last Sunday, March 3d, and steadily grew worse until early yesterday morning, when he died of his disease.

While in College he took an active interest in baseball, and was a member of the Delta Phi Fraternity and the Counsellor Club of the University.

Basketball Captain Injured.

Captain George P. Flint, of the "Varsity" basketball team, sprained his ankle while running back in the gymnasium yesterday afternoon, and as a result was prevented from playing yesterday afternoon.

Dr. McKenzie bandaged the ankle to prevent swelling and had the Injured man placed on his back. However he attended the game on crutches last evening.

Senior Banquet Committee.

There will be an important meeting of the Senior Banquet Committee on Monday, March 11th, at 11.30 in Hobs, to go over the plans and programs for the event that is to take place at the Bijou Theatre, on 8th street.

The treasurer still reports a de-

ficiency, and is very anxious that everyone pay up their dues by Easter Monday, March 12th, or they will be withheld from the class banquet, to be held next Thursday at 7.30 o'clock in the Conference room, and all of the green tickets, $1.

There is a possibility that the treasurer still reports a deficiency, and is very anxious that everyone pay up their dues by Easter Monday, March 12th, or they will be withheld from the class banquet, to be held next Thursday at 7.30 o'clock in the Conference room, and all of the green tickets, $1.

Sophomore Class Meeting.

Eighty dollars from the receipts of the Sophomore dance was turned over to the class to aid the injured veterinary student. The class basketball team was awarded the gold and the swimming team got the medals.

During the course of the Banquet Committee, reported that the bowl that had been damaged in the fight nearly repaired.

The report of the Picture Committee to play the Carlisle Indians in a game of clear weather will be taken on the Library steps at 11.30 Tuesday, the 12th, otherwise on the following day.

The Brewer, in behalf of the Ban-

quet Committee, reported that the class banquet, to be held next Thursday at 7.30 o'clock, in the Conference room, and all of the green tickets, $1.

ficiency, and is very anxious that everyone pay up their dues by Easter Monday, March 12th, or they will be withheld from the class banquet, to be held next Thursday at 7.30 o'clock in the Conference room, and all of the green tickets, $1.

Much interest is being taken in this election for the class council, which is to be held next Monday. For these reasons, there has been an arrangement with the Freshmen to clothe the outside of the Freshman building with the Freshmen banner, which is to be built by a narrow margin.

Baseball at Indiana.

Instead of playing the Athletics on the Friday and Saturday before Easter holiday, arrangements are under way and arrangements very nearly completed to play the Carlisle Indians in a game of clear weather will be taken on the Library steps at 11.30 Tuesday, the 12th, otherwise on the following day.

The change was made because of the inability of the Athletics to play at such games. Pennsylvania has been arranged with them to be played on Pennsylvanians, and if the Pennsy-

villans return from their Southern trip.

The squad will be cut down to 11 after the game against Washington, a game that is coming rather tedious to the men, and the schedule of the Southern trip is complicated by illiterate immi-

gration. Pennsylvania's first baseman, C. D. Dor-

sey, L. T., attacked the assumption of the affirmative that the people we are getting now are more ignorant or poorer stricken than those which formerly came from northwest Eu-

rope. He said in conclusion: "The present restrictions are sufficient, especially with the law passed by the last Congress excluding the physi-

ically unfit. The United States needs more men." T. W. Gilkyson, '88 L., the second speaker, stated his belief that education should be emphasized in the educational test "as a remedy for non-assimilation and non-

assimilation only." He claimed that an educational test would keep out as many per cent. of the non-assimilating and non-

assimilating as possible. Ignorance unites for citizenship according to our ideals of life and government. If we demand education on the part of our na-

tive children as a prerequisite to citizenship we must ask the same of our immigrants.
