The meet will be started at 6 o'clock, and the 'Varsity men will be in the water by 8 o'clock.

The Combined Musical Clubs will give a concert in the First Presbyterian Church of Camden to-night. All members will meet in Logan Hall at seven o'clock.

Zelosophic Society News. A departure from the usual program has been arranged for tonight's meeting of the Zelosophic Society and the staid precincts of Zel Hall will be converted into a place for fun and laughter. The evening's program will consist of a mock joint session of the National Senate and House of Representatives, the special Business being the election of a President to office. C. A. Asels, in the capacity of President pro tempore of the Senate, will provide over the august gathering. While White and Watson will serve as sernan-ent angels and chaplains respectively. Among the bills to be brought up for discussion will be an "Act to restrict the liquor trade," and Sauner, the bills' father, will be opposed by Miss Georgia Libby, the last Monday champion, in the debate.

A number of bills of a more or less revolutionary nature will be laid before the House, and these discussions are to be entirely extemporaneous, it is expected that the "next of reason and the flow of folly will suffice for the even the most aversative of the members.

A memorial to the late Panama Cal- nual will be read by Roosevelt, and a petition to abolish the hard condition of labor in the Wharton School is to be presented by Gordon. The famous Committee on Rivers and Harbors is to play a prominent part in the proceedings.

Distant motions and parliamentary technicalities are buried under the supervision of the Committee on Rules, of which Roosevelt has been appointed chairman. This will serve to en- liven the monotonous brilliancy of wit. All members are invited to attend.

Dormitory Rooms for Rent. Owing to withdrawals from the Uni- versity there are a number of very desirable rooms vacant in the Dormi- tories. Any student who desires to take three rooms shall thereby be granted the opportunity to hold the rooms for next year, should apply to the Bursar at once. Amendments will be made for the time already elapsed. The rooms are: 25 Morgan, single room, rent at $126 for the year; 12 Morgan, single room, $89; 30 Morgan, single room, $89; 216 Hopkinson, single room, $135; 12 Hopkinson, single suite, $150; 306 Bayrd, double room, $156; 46 E. "In New York Town," as the title
implies, is based and founded on har

corn girls. All in all there are
ity members in the new musical od
and the concluding, scenic, stage
and electrical effects are among the
foremost that have ever been seen on
any stage in recent years.

"In New York Town" is the joint
of Willard Holcomb and Loney
кладом, while the music was especi
written by Tel Tovar and Eiffel
Meade, and comprises eighteen con
secutive, and集体 song hits.

"In New York Town" is not a hodge
maker for any sexes, but one of those
effortless and spotless musical od
that never fail to please even the
most fastidious of music lovers from the
rise until the final fall of the cur
on the stage.

The mañana will be on Tuesday,
