Grandy—"The Vanderbilt Cup." "The Vanderbilt Cup," the great automobile comedy drama, which is now the attraction at the Grand Opera House this week, is a liberal education in "motorization." It is a play built entirely upon motor cars and the "wheels" who at present almost live in their magnificent touring cars. The plot hinges upon the great race on Long Island for the cup sponsored by W. K. Vanderbilt, Jr., and brings in a delightful reunion of the old Actors, as well as a few New York names.
