Baseball Squad played a Game on Regular Diamond

The Scrub was defeated by the large score of 12 to 2. Six different pitchers were tried in all and showed up encouragingly. Air too cold for best work.

Playing on the regular diamond for the first time this year the Vantry overwhaled the scrub yesterday afternoon by the score of 12 to 2. The weather was a little trying for both teams but the game was fast and the men showed up well. Six pitchers were used in their work but were very satisfactory. Batting order and line for Varsity:

**CONCERT ON ATLANTIC CITY PIER**

To be given Easter Monday, followed by a dance on the Steel Pier.

In preparation for the annual Atlantic City Concert, Masonic Clubs held their final rehearsal last evening. The concert is to be given Easter Monday by the President Day and Manager Ecken- rode, of the clubs, spent Saturday at Atlantic City in perfecting arrangements for the appearance of the clubs. Most prominent among the clubs will be the first to reach the height of history of the clubs. Several additional concerts have been made to the programs since the Western trip. At least nine men will be taken to the shore. The clubs Maclay and the Yale will have their headquarters at the Wildfire, on Virginia avenue.

The annual Pennsylvania play concert and dance, which will be held in the Grand Opera House Monday night, April 8th, is exciting considerable interest already. Amherst clubs have always been very high, and this is their first appearance at Pennsylvania. Most prominent of the clubs and a noted historian, has been engaged to address the meeting.

In a graduate of the University of Pennsylvania, being a member of the Class of 1889, while here he was a member of the Princetonian and ivy post of his class. He is now a prominent figure in the New York Bar. He will be introduced tonight by Vice-President Smith.

**Smoke for New Jersey Men**

Undergraduate departments are now preparing for the annual banquet, which will be held in the University Hall auditorium at eight o'clock.

Hon. Francis B. Lee, one of the most prominent men of that State, and a noted historian, has been engaged to address the meeting.

In a graduate of the University of Pennsylvania, being a member of the Class of 1898, while here he was a member of the Princetonian and ivy post of his class. He is now a prominent figure in the New York Bar. He will be introduced tonight by Vice-President Smith.

The New Jersey Club is the largest of the University State organizations, and for the new year will have a membership of almost three hundred. The smoker given under its auspices tonight is open to all members of the University. Light refreshments will be served.

**Law School Notes**

The petition of the first and second-year classes of the Law School for a true and successful the following Tuesday has been granted. This vacation privilege has not, however, been extended to the third-year class.

**Special Phi Mu Meeting Thursday**

A special meeting of the Phi Mu chapter of the University will be held on Thursday, March 28th, at 11:30 P.M., in the Phi Mu Hall. Invitations are extended to members only.

**Senior Class Key Committee**

There will be a meeting of the Senior Class Key Committee on Tuesday, March 20th, in the treasurers room, House Club, at 11:30 P.M. Every member is requested to be present.

**Freshman Class Meeting**

There will be an important meeting of the Freshman Club on Wednesday, March 27th, at 11:30 A.M. Signed: A. Smith, acting moderator.

**MASK AND WIG PRODUCTION**

**Rapid Near Completion**

Only two more rehearsals and the Mask and Wig will be ready for its final in a year's time. For the past week full rehearsals have been held during the afternoons at the Chestnut Street Opera House. A number of rehearsals of the Mask and Wig will be held before the dress rehearsal.

**The Dress Rehearsal to be Held Thursday Morning.**

Initial Bow Will Be Made in Young's Pier Theatre, Atlantic City, Saturday afternoon of this week.

**COACH WARD CHANGES CREWS**

First Boat, Stroked by Emig. Remains the same—Other Men Shifted.

Coach Ward has made a considerable shift in the arrangement of the men in both the Varsity and freshman second and third boats while one change has been made in the first.

Freshman boat, Woodhouse having been substituted for Robinett. The first Varsity eight remains the same and the second is now stroked by Emig.

On Saturday morning the 'Varsity and first Freshman eight were taken almost double the regular distance up the river and raced to the head house. Two Freshman crews were able to keep right along with the Varsity for a large part of the distance. Finding has been the feature of the practice whenever two boats could be started together. The Freshman crew succeeded in staying ahead of the second crew to the last boat, yesterday afternoon.

The hand line is beginning to toll, and several men have dropped out of both squads. The Varsity are waiting for one person, and the first and second Freshmen have three men each.

The men are rowing as follows:

Freshmen—First boat: Bow, H. T. Robinson; No. 2, L. W. Miller; No. 3, C. G. Banks; No. 4, S. B. Banks; stroke, L. W. Miller; 7, A. G. Darke; 6, G. R. Banks; 5, S. B. Banks; 4, H. F. W. Strong; 3, C. L. Morgan; 2, L. W. Miller; 1, C. A. Johnson.

**Water Polo Practice**

Water polo practice for the Western trip was resumed yesterday afternoon and several new candidates reported. Large and heavy men are especially needed now on account of the fact that one end of the Western tanks is shallow, and here weight is a most important factor. Practice will be held tonight and tomorrow afternoon at five o'clock, and every candidate for the team must report for practice at that time.

Arrangements for the schedule are almost complete, and it is planned for the team to leave on Sunday night, April 7th.

**Basketball Captain Elected**

J. A. Fitzpatrick was last Saturday elected to captain the 1906-07 Varsity basketball team. He will engineer and has, therefore, one more year to play. He received four votes, while R. Kilmer received the second with three.

**Third-Year Medical Class**

Another candidate for graduation writing will be held Monday, April 29th, at four o'clock.

The PENNSYLVANIAN

TUESDAY, MARCH 26, 1907.

IT was decided by the Class Day Committee to hold that celebration in the triangle this year will meet with better support of the undergraduates. The triangle was abandoned a few years ago on account of the varied success of holding the exercises in the open air. There was the uncertainty of the weather; the limited accommodations, and above all the unsatisfactory results of open-air speaking.

None of the class day officers are accustomed to addressing large audiences in the open, and although the triangle makes the occasion exceptionally fine, it is in the opinion of this body, we do not think that advantage overbalances the many obstacles to be overcome.

The presence of a large number of "students' hall" posters in the immediate vicinity of the campus will undoubtedly tend many undergraduates to believe that they are being specially entertained. This affair in a function with which the students have no official connection. We request seriously that the name of the University is such a prominent part of the phrasings and that our colors Red and Blue are placed across one corner to attract the attention of the undergraduate body.

No affair will not be a Pennsylvania affair. It will be attended by a large number of students and would-be students, and of this number we think Pennsylvania men will compose a very small part.

Prize for Ivy Stone Design.

A prize of $5 will be awarded by the Class of 1897 for the best design for an Ivy stone. The award will be made to the family of the faculty members in architecture. All designs must be sent to 52 Memorial Tower, dormitory, not later than April 10th.

More Men for Gun Team.

It is very necessary that more men come out and try out for the Gun Team, as the present number is hardly sufficient to pick a good team from. The intercollege affair will not come off probably in May, so it is hoped that more men will respond to this last call.
