VOLUME XXIII.—No. 149

PHILADELPHIA, WEDNESDAY, APRIL 10, 1907

FRICF, TWO CENTS

BASEBALL WITH VILLANOVA

Game with Main Line Team Will Be Played Today, Weather Permitting.

On account of the disagreeable weather the game scheduled to take place on Franklin Field yesterday between the Athletes' Yankees and the "Varsity" was postponed. The postponement was held in the afternoon and the entire squad was given a rest.

This afternoon, weather permitting, the "Varsity" will play Villanova on Franklin Field. This suburban college team always makes a good show- ing in baseball, and as their team this year is considered one of the best they have had for years, the game will be well worth witnessing. The "Varsity," from the form displayed on the Southern trip, should win by a good score.

The baseball order of the "Varsity" will be as follows: Henry, centre; Sadowski, left field; Thomas, third base; Brown, catcher; Jude, first base; Keatnich, second base; Torrence, second base; Twintime, pitcher.

Medical Vacancies on House Staff.
Examination of candidates to fill vacancies on the house staff will be held at the Harlem Hospital, 533 East One-hundred-and-twentieth street, on Tuesday, April 14th, at 10 A.M., and at 8 P.M. Two vacancies will be filled, the examinations being held on February 1, 1908. Applications, including two letters of recommendation from physicians not on the hospital staff, should be forwarded, giving full particulars of qualifications, to J. T. Bird, D. M. S., 226 West One-hundred-and-twentieth street, New York City.

Football Practice in May.
Contrary to the many rumors which have been current concerning spring football, the main trip was not held yesterday, and this month should not be called out for another month. The practice will be held at 4 p.m., except during class signal practice and kicking. The average will be on developing a quarter-back, in order to prevent any of the difficulties of last year.

Crew Practice Postponed.
For the first time since the call for crew candidates last January practice was not held yesterday owing to the weather conditions. Most of the men have had colds, and Coach Ward did not think it advisable to risk taking any chances of losing athletes through sickness.

Colorado State Club Meets.
A meeting of the Colorado State Club was held at eight o'clock last night in Room 1, Houston Club. A majority of the men from the State of Colorado were present and were discussed for increasing the representation at Pennsylvania from Colorado.

Freshman Picture Ready.
The 1906 picture is now ready and orders should be placed as soon as possible with any of the following: E. R. Reynolds, 33 N. 19th st.; R. T. Norrie, M. E.; H. Maus or Weider- shein, A.R.

National Fraternity Convention.
The national convention of Sigma Kappa Psi was held at Syracuse last winter, headquarters being at Yale's Hall.
To Form a Rifle Club.

All men interested in forming a rifle club will please meet in Room 256, College Hall, on Thursday, April 11th, at 11:30 A.M., to organize. This will be a departure at Pennsylvania, as the Red and Blue has never been represented in this line of sport. President Roosevelt a few weeks ago stated that in his opinion rifle shooting was one of the most interesting and useful sports that a man can indulge in. Recently both Yale and Princeton have organized clubs, and it is hoped that why an intercollegiate schedule should not be arranged.

It is hoped that a large number of men will respond to this call and make the attempt of organizing such a club a success.

News of the College World.

University of Minnesota traditions have formed a council, composed of one delegate from each, which will pass judgment on the candidates for the various chapters, and at the end of nine weeks, during which time and in the relay races on Franklin Field the standard will be established. This has been made necessary by the low scholastic Among the first-year men.

Princeton is adopting the plan of forming sectional clubs among the students for social purposes and also with the idea of interesting young graduates in the University. The latest organization is the Club of the Oranges, with about twenty members. It is announced that the Yale-Harvard football game will be played at Cambridge on November 23rd. Yale's football schedule will be submitted for faculty approval this week.

"College Topics," the University of Virginia paper, says of the series of baseball games played with Penn, in which each team took one: "Fen- nel's pitching was probably the feature of the game, with the exception of the last two innings. Henry lined out three singles out of four times at bat. Brown's backstop work was excel- lent."

The Ben Greer Company is to give a series of Shakespearean performances at Princeton next week in Alexander Hall.

Columbia defeated New York University Saturday by a score of 142 in a lopsided played game. Massachusetts Institute of Technology is putting forth every possible effort to develop a winning team for the relay races on Franklin Field April 30th. This will be "Tech's" first appearance at these races.
Keith's—Important Announcement.

By a new rule and regulation of the management of Keith's Theatre, all seats (except second balcony) may be reserved by mail or phone order, tickets to be held until 2 P. M. and 7:30 P. M. of date designated. This change entails no increase in prices and proves convenient in any way with the long-established plan of continuous performance. Prices remain the same. Prices are 25 cents to $1. This new rule is established particularly in deference to the wishes of out-of-town patrons who, by reason of distance, social or business engagements, cannot be on hand early to reserve closest locations. Patrons living remote may now secure by phone or mail, the most desirable seats.

Executive Board Meeting.
The following men are asked to report in the Houston Club trophy room for a meeting of the Executive Board of the Jewish Chautauqua Circle at 1:30 promptly today. Plans for the new year are to be discussed: H. B. Newman, O. Friedman, A. M. Epstein, H. L. Summer, S. Pifer, A. M. Rose, J. M. Benjamin, A. Levy, J. Koh, W. J. Portner, M. Berkwet, L. Kem neutron, D. Schuchman, M. H. Wilsensky, B. Rosenbaum, C. G. Bandman, chairman.

Zelo Poster Selected.

Of the eight posters submitted in the Zelo poster competition, the design drawn by H. Hasley Stonion, '04 Arch, was awarded the prize by the committee. The poster—an announcement of Ben Green's coming engagement under Zelo's auspices—is now being printed, and will be put on sale within a week.

To Residents in the Dormitories.
The rule concerning the rental payment of $10 upon the signing of Dormitory lease has been modified so as to affect only applicants who have not previously been residents of the Dormitories. W. O. Miller, Bursar.

Professor Harshberger to Lecture.
Professor John W. Harshberger, of the Botanical Faculty, will give a lecture on "The Physiological Relations of Fruits," at Biological Hall on Saturday, April 13th, at three o'clock.
