**PITTSBURG SWIMMING MEET**

Pennsylvania 'Varsity Team Won All Events Except Water Polo Game.

At the swimming parade, held with the Carnegie Alumni on Monday, the 'Varsity team won all the events save the water-polo game, which went 7 to 6. Coach George Kistler gave a proper time and dignity and division of the events.

The cold rain, which made it necessary to cancel the game with the Athletic Club, continued on Tuesday, and contributed to the postponement of yesterday's game with Villanova. Manager J. G. Dungan, however, has notified the members of the squad to report today, at 2:30, when the game will be played if the weather conditions permit. The game will be called at 1:30 o'clock, as usual.

Ivy Hall Committee.

There will be a meeting of the Ivy Hall Committee today, at 1:45, in the gymnasium. The trouble is there to receive any money that has been collected, and to distribute more tickets to those who need them. Tickets may be had at three dollars each from any member of the committee, from the patrons, or from the secretary.

The events except Water Polo Game.

It is important that a large number of tickets be sold. This must be done on a more or less systematic basis. The events include the following: shot put, broad jump, high jump.

**BASEBALL IF WEATHER PERMITS**

Again the weather prevented the 'Varsity team from playing its scheduled game. The cold rain, which made it necessary to cancel the game with the Athletic Club, continued on Tuesday, and contributed to the postponement of yesterday's game with Villanova. Manager J. G. Dungan, however, has notified the members of the squad to report today, at 2:30, when the game will be played if the weather conditions permit. The game will be called at 1:30 o'clock, as usual.

**SPRING GYMNASIUM EXHIBITION**

Will be Held Wednesday Afternoon, April 24th, on Franklin Field.

Preparations are about completed for the open air gymnastic exhibition to be held Wednesday, April 24th, on Franklin Field. One thousand men and women will go through the current exercises and formations accompanied by martial music supplied by Beale's Band and arranged by Physical Director Sloan and Dr. H. Tait McKenzie. The exhibition is to be made a University affair. The Provost will present the prizes, and all departments will be suspended for the afternoons. Five thousand invitations have been sent to the friends of the University, to many preparatory schools, and to representatives from the physical education departments of other colleges. Tickets of admission are being sent out from Dr. H. P. McKenzie's office, where they may be obtained by those desiring them.

The exhibition will start at four o'clock.

The men will assemble in Wheatman Hall and march to the field under the leadership of Assistant Instructors Curtis and Forniss. The track will be formed into four bodies extending over the entire field. From this formation the various exercises will be performed, including hurdlles, jump, and long and short jumps.

The exercises will be concluded by an exhibition of wall scaling by twenty picked men of the Pkla Zouave Troupe, which now performing at the Lyceum Theatre, will come to the gymnasiurn on Friday morning to coach these men. The sealing will be done so as to score stands, and as the men reach the top of the wall the remainder of the participants in the exhibition will march toward them from the north end, and the whole body will then leave the field, marching to the time of "John Brewer's Body" in the Civic Stage Club, in which he will continue the work for the University which he has been doing for the past two seasons as a stage manager.

The exhibition will count for four units. Dr. McKenzie is very anxious that all men taking gymnastic work take part in the exercises. He also asks that the men attend all the classes just preceding the exhibition, so that the exercises can be run off much better.

A rehearsal with music will be held tomorrow with each of the regular groups. Several members of the Architectural Department will take part in the exhibition, and it is hoped that the men will attend all the classes just preceding the exhibition. The exercises will be concluded daily with a performance of "John Brewer's Body" in the Civic Stage Club, for which the men will be paid.

The Exhibition.

An exhibition will be held at St. Barnabas' Hospital, High and Montgomery streets, beginning June 1st, and continuing for two months medical and six surgical students.

Dormitory Rooms for Rent.

Owing to withdrawals from the University there are a number of very desirable rooms vacant in the Dormitories. The rooms are: 26 Bodine, single room, renting at $120 for the year; 12 Morgan, single room, $90; 33 Morgan, single room, $25; 246 Lincoln, single room, $120; 241 David, double room, $150; 46 F. P. Smith, double room, $175; 243 Provost Smith, double suite, $250; 144 Provost Smith, double suite, $250; 327 Hopkins, double suite, $250; 38 F. P. Smith, double suite, $250.

Keith's—Important Announcement.

By a new rule and regulation of the management of Keith's Theatre, all seats (except second balcony) may be reserved by mail or 'phone order. Tickets to be held until 3 P. M. and 7:30 P. M. of date designated. This change entails no increase in prices nor interference in any way with the long-established plan of continuous entertainment. Prices remain the same—25 cents to $1. This new rule is made with the particular intention to the wishes of out-of-town patrons who, by reason of distance, social or business engagements, cannot be on hand early to secure choice loca-
tions. Patrons living remote may now secure by 'phone or mail the most desirable seats.

Waldum—"His Honor The Mayor."

There is but one thing to say about "His Honor The Mayor," Harry Kelley and Aarons' Dancing Dolls. They are still drawing crowded houses to the Walnut Street Theatre, and the combination makes the best two hours entertainment seen in Philadelphia for many a long day.

To Residents in the Dormitories.

The rule concerning the rental payment of $10 upon the signing of Dormitory leases has been modified so as to affect only applicants who have not previously been residents of the Dormitories. W. O. Miller, Bursar.

Archaeological Tea.

This afternoon at four o'clock the president and board of managers of the Department of Archæology will give a tea in the Free Museum of Science and Art.
