Ward Makes Changes in Octoepde and Second Boat

Two other crews included in the 'Varsity squad.

Senior and Freshman Third Boats Dismembered—Four crews will probably row in American Henley.

Coach Ward has made what is probably the most important changes in the crews this year. Bretheren, Pitt, Scott and Hallard were taken from the Second boat. Reaves, the stroke of the third, which was dissolved, goes in row in the second. Hylies, Baldwin and Brown, formerly in the second boat, are now in the crew with Range and Bryant from the old third boat. These changes will leave two Varsity boats, the octoepde, and the first and second Freshman crews.

All of the first four, the second Freshman will take part in the American Henley, to be rowed on May 25th. In the Freshman boat Nelson was moved into the first boat and Smith and Reaves, forerunners.

Freshman Base Ball Schedule.

Morton Gibbons-Nett, manager of the Freshman base ball team, has announced the following schedule for the team:

Monday, April 15th, Chestnut Hill Academy at Chestnut Hill, April 17th Delaware at Westmoreland, April 18th, Penn Charter at Queen Lane, April 24th, Bethlehem Preparatory, at Bethlehem, April 29th, Villanova, at Villanova, May 1st, Haverford Grammar School, at Villanova, Pennsylvania Military College, at Chester, May 8th, Columbia Freshman, at New York, May 11th, Yale Freshman, at New Haven, May 15th, Haverford College, at Franklin Field, May 17th, Mereberg, at Franklin Field, May 18th, St. Paul's School, at Porte-town.

Zoeopoeic Society to Meet.

There will be a special business meeting of the Zoeopoeic Society at Zolo Hall at 1:30 to consider important business in connection with the Zoeopoeic Engagement. All members are asked to attend.

The regular meeting will be called at 7.20 promptly and adjourned in twenty minutes, after which the members will attend the Phila-Haverford debate in a body.
A final class dance of the season promises to be the most successful.

The Ivy Hall of the Class of 1907 will be held this evening in Weightman Hall at 8.30. The ball has been very tastefully decorated. White wooden pillars with lattice work surround the dancing hall, and the latter is trimmed with smilax and other flowers, which gives a very pretty setting to the room. The walls of Weightman Hall are decorated with college colors, and promise to be very attractive. The programs are more expensive than for several years past, consisting of gray leather cardcases with a metal Red and Blue "P" on the front cover. Bush's Orchestra, augmented by several more pieces than have been used at class dances, will furnish the music.

Archaeological Tea.

An archaeological tea was given at four o'clock yesterday in the Free Museum of Science and Art to the members of the Civic Club. Mrs. Charles Platt, Mrs. William Pepper, and Mrs. C. Yarnall presided at the tables. Miss Elizabeth Stappin Green, the noted illustrator of child life, poured the tea at Mrs. Houston's table. The Provost was unable to be present, as he was attending a meeting of the Trustees of the University, held yesterday in the Governor's office in the State capital at Harrisburg.

The Civic Club has planned two receptions, one given on April 18th and 25th, when those who are unable to visit the Museum in the daytime will be shown over the building.
