NEWS EDITOR FOR TODAY'S ISSUE.
RITNER K. WALLING.

The Freshman track team showed excellent qualities in the run against the Princeton Freshmen last Saturday. Good form and speed gave them an advantage over the visitors that should also be present today in their meet with the high school teams. Everybody should go out to encourage the Freshmen and all members of the Freshman class especially. This is an occasion for the first-year men to show their spirit.

Special attention should be given by dormitory residents to the care of the shrubbery recently planted in the triangle. That it has greatly added to the beauty and attractiveness of the place is noticeable. The plants have no protection, however, except that of the undergraduates. Some men may thoughtlessly do what under consideration they would condemn in others. Upper classmen especially are requested to see that their neighbors do not cause the shrubbery to be injured in the coming days.

The baseball team will, we hope, brave up before Saturday's game with Princeton. The rarity of hits yesterday was a proof that the team is not yet playing consistently. However it is the prevailing opinion that Pennsylvania will defeat Princeton this year. The latter team is very weak in the batting, while it is to be expected that the University team will show something of the form that appeared in the Columbia game and one or two others. There was no cheering again yesterday. Even though our opponents were not college men, at least a small amount of cheering would encourage our players and give the cheering sections some much-needed practice.

"Lamm and Lowe,"

Posters announcing the production of "Lamm and Lowe," the comedy to be presented on May 31 at St. James' Hall by the members of the Deutscher Verein, were placed yesterday in various parts of the campus.

The year's play promises to be the most elaborate ever staged by the society. Herr Wagnerman, the manager of the German Theatre, has been coaching the cast for the past two months, and all the men have been thoroughly drilled in their parts. The dress rehearsal will be held on Wednesday afternoon at the St. James' Hall. M. E. Cusakden, H. F. Zinner and R. L. John will play the female parts. All of these men took similar roles last year, and their impersonation of women will be especially good.

Programs with a synopsis of the comedy by scenes, translated into English, have been prepared for the benefit of those who are not familiar with German.

The action of the play centers about the efforts of two young men to change their identities and characters in order to satisfy the demands of their prospective father-in-laws.

The Verein has selected the Pennsylvania medical work in Canton, China, as the benefit of this year's play. The cause is one which should appeal to all University men. Tickets for the play are available at the dozen of the members of the Verein. The price is the regular price, but students may obtain the tickets for fifty cents.

Owing to the May Day Sports the regular meeting of the Verein will take place this evening, at eight o'clock in Room 12, Houston Club. Nominations for next year's officers will be made.

Complimentary tickets will be distributed to members in good standing at the meeting this evening. All members desiring to avail themselves of this opportunity will please be present.

Freshman Cricket Candidates. All candidates for the Freshman cricket team reported in the trophy room, Houston Hall, at 11:30 to-day.

**What is to be worn this season?**

The above question is now frequently asked us, and in reply would say that fifteen minutes talk with us and an inspection of our stock (largest ever) will satisfy you in every detail.

As leaders in the College trade it is our business to keep thoroughly posted, and we certainly try, and judging from the business given us, we have made a notable success in our endeavors.
