FORDHAM DEFEATS VARIETY IN PITCHERS' BATTLE, 2-0.

Bunched Hits in the Second inning and an Error by Henry Give Visitors Two Runs and the Game.

The Senate of Pennsylvania yesterday passed a bill appropriating $100,000 to the University of Pennsylvania. When the bill was placed before the Senate on Tuesday Senator Grim, of Bucks County, added an amendment to the effect that the University be required to give the state seventeen scholarships and that the recipients should be named by the University. Mr. Grim withdrew his amendment, stating that he had been given to understand that the University meant to give fifty scholarships, so one between each senatorial district in the state.

Senator Charles I. Brown, of Philadelphia, fell in favor of the bill, telling what the University was already doing for the state in the way of scholarships and sending Provost Harrison's work. After Mr. Brown's speech, Mr. Grim presented a motion to dispose of the bill and it was immediately sent to the House.

The success of a number of Freshmen to appear on Franklin Field last Monday to take part in their track meet with the Philadelphia high school has caused considerable unfavorable comment upon the spirit displayed, if not by the entire class, at least by certain individuals. Any class that does not sufficiently impress upon its members the indispensability of allowing any kind of a meet to be lost by defeat is not actuated by the principles that make a class respected by the rest of the University. It does seem as though the Class of 1910 had been long enough at Pennsylvania to know what they should do and that the general sentiment is against any such a showing as that made yesterday. There were no good reasons why many of the Freshmen who arrived Tuesday's fact should have done so. If Freshman classes cannot organize themselves, the Undergraduate Committee will be called upon to undertake this new function in the future. Rifle Club Organized. Lieutenant K. V. Casey came up from Wilmington, Del., where he is stationed, yesterday afternoon, and gave a lengthy talk to the men who are interested in rifle shooting. He explained in detail all the matters that must be considered in forming a rifle club, and expressed himself as being exceedingly anxious to see such a club started at Pennsylvania. To send a good team to Creedmoor, N. Y., where the intercollegiate show will be held in June, it is necessary that more men come out and join the club. At present the number is about fifteen, but should be at least double. University men who are either members of some regiment or of one of the troops are earnestly requested to try for the team. Either the First Regiment range at Easton or the Second Regiment range at Norristown will be secured for practice-shots, which will be held twice a week. There will be a meeting of the club to-morrow (Friday), at 1:15, in Room 266, College Hall, when permanent officers of the club will be elected. The Krag army rifle is the only rifle that can be used, and these can only be procured at the cost of manufacture by affiliating with the National Rifle Association.

Freshman Debate Plans.
The Freshman Debate Committee is in considerable doubt as to whether the debate between Columbia's Freshman and Pennsylvania Freshman, scheduled Saturday evening, May 4th, will be held or not. At the request of the New York committee, who claimed they were unable to secure judges, the debate was postponed from the original date set, Friday, April 19th, to that above mentioned, and up to the present time the Pennsylvania Freshmen have not yet heard from Columbia.
