Pennsylvania, second. Other Middle States
championships were held next Saturday at
interpools. The most outstanding set of
scholastic track games ever given under the
management of this University. Several records
will go by the board, as picked athletes from
Haverford, Germantown, New York, Brooklyn
and other cities will be here in their finest
form. No one can produce. This year's
championships will be notable in that

the first time in this city the teams from
Hill, Merion, and other schools will
have a contest. These three schools alone
make an interesting meet, as there is
the rivalry between them, and
they all have excellent teams.

Committee Answers Senior's Query.
Editor of The Pennsylvanian.
Dear Sir,—In answer to the
article in yesterday's Pennsylvanian,
referring to "What Does He Mean?," I would
say that "Senior" might at least have consulted said committee before
publishing such an article.
COMMITTEE.

Dear Sir,—In yesterday's Pennsylvanian I objected to the price of
committee invitations and programs. The managing committee has created so
much dissatisfaction among the readers that it is our duty to inform you of it. If the entire
staff will take its cue from the editor,
the paper will cease to be a
merely a bulletin, and men who don't
have cooperative work have no
interest in the various invitations
they have their clothes made at the same place
with subscription.

One thing— the editor— is com-
pelled to bear the displeasure of all
those touched by his pen for violating the
sentiments of the majority of stu-
dents in unfortunate. Let him remem-
ber that he has back of him the stu-
dents who stand for progress and
higher ideals.

I ask you to publish this, not as a
personal complaint, but as a plea for
co-operation in lifting The Pennsylvanian from the rapid-repud to the
level of a newspaper.
SQUARE DEAL.

ORDER NOW BEFORE TOO LATE.

Commitment invitations and pro-
grams may be had from the follow-
ning men: Chemistry, G. A. Deeter;
Physics, J. H. Broull; Chemical, Elec-
trical and Mechanical Engineers, R. W.
Welsh; Arts, R. S. Dierssen; Civil
Engineers, M. C. Maxton; Architecture,
T. H. Ellett; Biology, B. Bennett; Invitations, 2 cents; programs, 15 cents; total, 15 cents. Signed: Committee.
Freshman Track Meet Tuesday.

Next Tuesday, May 16th, the Fresh-
man track team will meet Haverford,
George and Episcopal Schools.
This meeting will give the
winner the privilege of wearing his
full uniforms. It is desired that more
first-year men engage in these meets.
Signed: R. D. Smith, manager.

CONGRATULATIONS.
We congratulate the first-year class of the Law School upon its adoption of the honor system, and hope that the same success will follow its inauguration in the Department of Law as has been experienced in the Wharton School.

BLACKSTONE FOR ARTS MEN.
A petition, noting that the course in Blackstone's 'Commentaries' be opened to Junior and Senior students in the Arts course, will be presented to the faculty today. Inasmuch as the course is not given in the Law School, we can see no reason why the privileges of admittance to this course should not be extended to Junior and Senior Arts students who feel to enter the legal profession.

TODAY'S BASEBALL GAME.
This afternoon the 'Varsity baseball team will meet the Harvard nine on Franklin Field in the first of two scheduled contests. Although many recent deals meet with Crimson teams have received in our favor, baseball fans here have been a weak branch of our athletics. Since Theodore Brown pitched Pennsylvania to victory in 1899, the Crimson has triumphed over the 'Var-
