FRESHMEN WIN BALL GAME AT NEW HAVEN BY SCORE OF 8-3

TEAMS GIVE POOR EXHIBITION, DUE TO THE COLD WEATHER.

Nicholas Does Good Work for Pennsylvania—Thayer Excels with a Home Run and Two Base Hits.

While the ‘Varsity baseball team was defeating Yale on Franklin Field Saturday, the Pennsylvania Freshmen secured a victory over the first-year team at New Haven by the score of 8-3 in a rather poorly played game. The Freshman infield went to pieces at certain times due to the cold weather, the temperature hovering around the forty-degree mark all day. Nichols pitched a good game allowing but six scattered hits. Thayer won the honors for Pennsylvania, making a two-base hit in the first inning and a home run in the fourth. His work at center field was exceptionally good.

Secondary Teachers’ Conference.
The Private Secondary School Association of Pennsylvania closed its fourth annual meeting in Houston Hall Saturday morning after an enthusiastic though somewhat poorly attended session. Rev. Oscar L. Krubeel, A. M., head master of Perkiomen Secondary and president of the association, presided. Dr. Hadley, of Yale, was not present.

“The Modern Languages in Our Private High Schools” was the subject under discussion, several very interesting and instructive papers being read from both the school and college standpoint. A general discussion, opened by Dr. Learned, of the University, followed, after which the meeting adjourned.

Dr. John Macfarlane Honored.
Dr. John Macfarlane, professor of the University Biological Department, was the guest of honor at a dinner given in his honor by the student body of the Biological Department. The dinner was attended by the John Bartum Association in the Botanical Garden Saturday afternoon. Dr. Macfarlane brought back photographs from England last summer, several magnificent, and the first public view of them was had at the reception.

NEWS EDITOR FOR TODAY'S ISSUE.
D. MACPHELAN.

Senior singing will be held tonight on the campus between Houston Club and College Hall. Every College Senior should be there to take part and members of the other classes should also be on hand to listen. This is the inauguration of a University custom. Let it be well done from the beginning.

The victory over Yale last Saturday was a splendid antidote to the gloom of the previous week and the contrast between the two could not have been more marked. The work of the team was in every way a credit and more up to the standard of what we all know the team is capable of. The playing was cool and consistent from beginning to end while the efforts of individuals produced brilliant results, both in the score and in the put outs. The battery was probably the most successful that has been seen on Franklin Field this year. Brady was in much better form than last week, when his condition and the fact that he had not pitched a home game before were against his showing what he really can do. Brown, who caught a very difficult pitcher with considerable brilliance, should be assured of that position for the remainder of the season if his work can keep up to the pace he has set for himself. Altogether we believe that Coach Blakeley has every reason to be proud of his team. The entire University has reaped whatever confidence may have been lost, and the team itself should feel encouraged to continue its splendid work in the coming games.

Another cause for congratulation was the cheering done by Scarlett and Walker. The proper spirit was infused into the cheering sections to such an extent that many of those whose remarks are often annoying to the undergraduates seemed to feel that nothing but staunch support of the team, even in unlucky moments, would be tolerated. Disloyal remarks should not be permitted in the cheering sections even from those who have no right to be there. They have a bad effect upon the cheering. Last Saturday, however, this was more consistent and enthusiastic.

Rev. J. M. Swain Preaches.
Yesterday morning the Rev. James Ramsay Swain, of the Woodland Presby¬terian Church, delivered a most interesting sermon at the Houston Club, closing for his subject, "Alms." His text was from Isaiah (2: 2). 2. 2. on the prophecies of Isaiah.

"Man," said the speaker, "is the instrument of God. Whenever God has a great work to perform He accomplishes His end through the aid of man. Such works as the founding of your own great University, for instance, required the work of a good man, and in Benjamin Franklin our Saviour found an admirable instrument to carry out his great work. The union of the North and the South after the Civil War was another example of God's greatness, brought about through a worthy member of His flock, our martyred President, Abraham Lincoln.

Mr. Fink sang a solo and the University Quartette rendered "Go Ye Therefore and Teach All Nations."

Distinguished Visitors at Penn.
Among the visitors to the Dental Department last week were Dr. Franz Prandstetter, of Austria, and Chevalier Theodore de Thodorovich, Consul of Austria-Hungary, whose mission includes a report to their government concerning some activities of this University.

Mask and Wig Beneficiary.
The Delaware Hospital, at Wilming¬ton, Del., was the beneficiary of the Mask and Wig Club in the sum of $900 from the performance of "Here Lies Lohengrin" in that city during the annual tour in April.

George Schleicher German Prize.
The examination of students for the George Schleicher Prize in German will take place Thursday afternoon, May 23d, at four o'clock, in Room 218, College Hall.

N. E. M. T. S. Club Smoker.
The Northeast Manual Training School Club will give a reception and smoker to N. E. M. T. S. students on Friday evening, May 24th, in Houston Hall.

Botanical Excursion June 1st.
There will be a botanical excursion to Fort Washington and Amberl on Saturday, June 1st.

Fein Wina Freshman Track Meet.
There has been much discussion this year as to the comparative
strength of the track teams representing Pennsylvania and Cornell.
Both the "Varsity" and the Freshman teams of the two universities are well
matched this season and will be the
chief rival in the collegiate hurdle race.

The Pennsylvania Freshman team
drew their inspiration to the Illi-
cana last Saturday in the dual meet
at Franklin Field when they defeated
their opponents by the close score of
12 to 10.

Both teams were handicapped by
the inability of their best men to
compete. Cash, of Cornell, and Won-
coll, of Pennsylvania, were both out
of the meet on account of bad knees.
By the Pennsylvania Freshman for-
feling the two-mile run the Illiniacs
started off with a lead of nine points
a hard handicap to overcome. But
the "Varsity" Freshmen were in good
shape and started rick after first
places.

Hartford, of Pennsylvania, took a
good share of the points, winning the
two hurdles and finishing second
place in the hundred-yard dash.

The half-mile event was the most
interesting race of the day, being a
toss-up between Boyle, of Pennsyl-
vania, and Hitchcock, of Cornell. The
latter won out by two yards in 1:3
at the finish. His time was
240. In. Hitchcock was also victor
in the quarter-mile race, in which
Whitman, who won the 320-yard dash
for Pennsylvania, took second place.
The field events all went rather
easily to the Red and Blue, and helped
to swell the score. Marklin in the
shot put, Parker in the pole vault,
Towne in the broad jump, and John-
sen in the high jump, all won their
respective events.

Examination Time!
In a few days we will
jump from cool spring
days into good hot
weather. In a few weeks
colleges will be on
holidays. Do you realize
how much easier it would
be to prepare for your
exams. if you had an
ELECTRIC FAN
in your study? You could
keep cool and comfort-
able, you could pass bet-
ter examinations, and the
cost would be far less
than employing a tutor.
You could not only pass
exams, if you hail an
Electric fan, but you would
make the experience
more interesting and
enjoyable. You could
enjoy your study time
rather than waste it
worrying about the
future. Do you realize
examination time will be
longer than you imagine?

If you want to make
money this summer
We have a proposition by which a
good man can, in three months, make
more than enough to defray his
college expenses for the next year.

If you will write us, we will  gladly
post your city. We have a noble success in our endeavors.

"Stylish brownes"—our first tip.
Thanking you for past favors, we are

To the Students of the University of Pennsylvania:

Gentlemen:

We respectfully solicit your laundry work and take this means of doing so.

We are located close to the college, so you can call for your laundry any day any time on "the small or phone order.

We allow a discount of 25 per cent to students.

We do this because we have no agents and much prefer dealing direct.

We guarantee satisfaction, and might also state that we renew broken bands, put on buttons, etc., free of charge. Hoping you will favor us with a trial.

Respectfully,

Fairmount Laundry
