The graduation sermon of the University will be preached in Northminster Presbyterian Church, Thirty-fifth and Market streets, on Sunday morning, June 19, at eleven o’clock, by the Rev. John W. Hoag, D. D., pastor of the church. Dr. Cochran was born in Princeton, N. J., in 1859, was ordained in the Disciple Church of Illinois and is now practicing law in Los Angeles. He was graduated from the Minneapolis High school in 1875, from Manchester College, St. Paul, Minn., in 1880, and from McCormick Theological Seminary in 1885. For the following five years he was pastor of Christ Church, Middletown, Conn., and a member of the New Haven, Conn., ministerium in 1890. On March 18th of this year he was unanimously elected secretary of the Presbyterian Board of Education.

The address of the Academy of Arts and Science, delivered by the Hon. John A. Johnson, Gov- ernor of Minnesota, whose subject was “The University Day’s Opportunity,” John A. Johnson was born at St. Peter, Minn., in 1861. His parents were both born in Sweden. He rec- eived his education in the public schools of his native town, the pres- ent population of which is between four and five thousand, and while at that time have been a small village.

At twelve years of age he went to work in a printing office and has con- tinued his education as a self- taught printer, being at present present at the present address of the “St. Peter Free Press” in St. Peter, Minn., where he has served seven years in the Minnesota General Assembly, becoming captain, and also rep- resenting St. Peter in the Minnesota State Senate. He has been elected Governor of the State.

The chaplain of the day will be the Rev. James Henry Darlington, Bishop of Harrisburg. Bishop Darlington was born in Brooklyn, N. Y., in 1850. He was graduated from the University of the City of New York in 1872 (B. D., 1875) and pursued courses in theology and philosophy at Princeton University (Ph. D., Princeton). Bishop Darlington is a president of the Female College and member of the Society of the Council in Legal Studies in the United States, and St. Nicholas House. He is also the editor of the New York St. Louis Post-Dispatch, and the author of several religious works.

America’s ‘Henley’ Will be Held on Saturday, May 25th

A. R. A. REGATTA TO TAKE PLACE ON THE SCHUYLKILL RIVER.

Most Interesting Event Will Be the Senior Eight-Oared Shell Race for Stewards’ Challenge Cup.

America’s ‘Henley,’ the annual regatta of the American Rowing Association, will be held on the Schuykill River Saturday, May 25th.

The event of most interest to the University will be the Senior eight-oared shell race for the Stewards’ Challenge Club, in which Cornell and Harvard crew Captains Powell will be seen.

Two weeks ago the second ‘Varsity’ crew was discontinued, since there this time has been doubt as to whether the University will be eligible for any prize winning.

The ‘Varsity’ eight has been accepted for the receipt of the regatta. At this time it would be felt that at first Varsity, an octopede and a Freshman crew in the second eight event will be the only boats entered. The ‘Varsity’ eight have been accepted for the receipt of the regatta. At this time the University will have five oarsmen and the freshman crew will be entered.

About one hundred and fifty prizes, representing the sixty intercollegiate photographic exhibitions, were placed on view in the reading room of the Elgin Club yesterday by the Camera Club. Pennsylvania, Harvard and Michigan have prints entered. The Dartmouth and Washington clubs are not represented.

The exhibition of the Pennsylvania and Harvard clubs is of an unusually high standard of merit this year. There has been considerable interest on the part of the public in the exhibit, which has been made up by some of the best artists in the city.

The exhibit of the Dartmouth and Washington clubs is also well represented. The exhibit of the Dartmouth club is the best that has been put on this year. The exhibition of the Washington club is also excellent.

The photographs entered by the Harvard club are the best that have been entered by the club. The exhibit of the Pennsylvania club is also well represented.

The following men reported: Folwell, Orton, Dwyer, Macklin, Pike, Levene, Miller and Ordway, all of the Harvard Club, and the Quaker City Club crew. The crew was discontinued, having won three exhibitions. Penn- sylvania, including the ‘Varsity’ eight, which is expected to win.

The Vesper’s also have an octopede entered.

From the old second ‘Varsity’ crew, York, Hothok, Sheehan, and Ballard, stroke, have been put into a four-oared shell in which they have been rowing daily. The ‘Octopede’ will probably be broken up by May 23rd.

Although Yale has announced that they will not send a second ‘Varsity’ crew to the regatta, a capable second eight will enter.

This afternoon at three o’clock the Freshman track team will compete against teams representing Harvard, Swarthmore, Le-HIGH, and University. The Carsonian, scheduled to take place on Sat- urday, has been cancelled, owing to lack of interest. The ‘Varsity’ eight with a strong track team of Swarthmore Col- lege are expected to take place. Senior singing on the new Senior fence was a pronounced success last night. As an institution we hope it has come to stay. Perhaps there were not quite as many Seniors there as should have been, but the class was well represented nevertheless and the rendering of many of the well-known college songs was enjoyed by listeners on various parts of the campus. The walls of College Hall were a pronounced resonater and the excellent and all the men.

The delay in making public these facts has come to stay. Perhaps there were not quite as many Seniors there as should have been, but the class was well represented nevertheless and the rendering of many of the well-known college songs was enjoyed by listeners on various parts of the campus.

The inauguration of such an honorable method of notifying Juniors of their election should have had the open approval of the entire University, especially the leaders in various College activities.

The delay in making public these names was due to the fact that several of the Juniors elected were not present in Chapel last week and that their names were withheld until to-day. The inauguration of such an honorable method of notifying Juniors of their election should have had greater recognition from the entire College. Until this year elections have never been made public, but we believe that a society which is doing and has done so much for Pennsylvania should have the open approval of the entire University, especially since the professional schools are represented as well as the College Department.

**Swimming Association to Meet.**

The Dilettanti Swimming Association will hold its yearly meet on May 21st in the Gymnasium tank. All preparatory schools in Pennsylvania or vicinity will be represented. Lew涔vville will not compete this year however.

H. H. Zieher, '09 M. L. is set to present the load for the Kislor long-distance swimming cup with C. H. Hoover, '10 Arts, second. The events to date: E. E. Zieher, 84 miles, 4,580 feet; C. H. Hoover, 14 miles 46 feet; G. C. Rymanier, '09 M. S. 3,60 miles, 2,340 feet; W. H. Polkar, '08 M. E. 17 miles, 6,500 feet; Fitchler, 33 miles, 2,320 feet; Gallagher, 26 miles, 290 feet; Zieher, 24 miles, 1,220 feet; Dalrymple, 20 miles, 1,260 feet; Bryant, 17 miles, 660 feet; E. Hopkinson, Jr., 15 miles, 1,180 feet; Johnson, 14 miles, 1,580 feet; Simpson, 10 miles, 2,800 feet. There will be four prizes awarded.

**Junior Singing Last Night.**

Senior singing was auspiciously inaugurated last night. The members of this year's graduating class assembled at the Misk and Wig fence, behind College Hall, shortly after seven o'clock.

After about seventy-five members of the class had assembled Kenneth Williams, the leader, began the singing. "Bed and Blue." "Alma Mater," "Cheer Pennsylvania," "Angelina," "Mary Had a Willam Goat," and many popular melodies were sung. A large group of under-graduates gathered in the Houston Club steps and in the near vicinity.

Senior singing will be indulged in every Monday, Wednesday and Friday night at seven o'clock.

**Varsity Baseball Practice.**

The varsity baseball team had light practice yesterday afternoon as Coach Blakely was away and the men were eating up from Saturday's game. Several of the pitchers from the Freshman team gave the men batting practice, to accustom them to a left-handed pitcher. This was done in preparation for the Columbia game in New York tomorrow afternoon, as the New Yorkers depend a great deal on left-handed twirlers.

The short fielding practice was sharp and snappy and all the men seemed to be in the heat of shape except Brown, whose hand bothers him a little where it was hit by a foul tip in the Yale game.

**Priestley Chemical Society.**

Dr. J. Merrill Mathews, of the Philadelphia Art and Textile School, will deliver an address on "Chemistry as Employed in the Textile Industries," this afternoon, at 3.30 o'clock, in the Harrison Laboratory. When the weather is Hot.

Garrison—"Neal's Ark." "Neal's Ark" is the musical comedy which entertained last week at the Garrick, and has been transferred this week to the Garrison, where it will continue for the remainder of the local engagement. Clare Kammer, the author of this musical comedy, has for years been receiving royalties as a writer of songs, and "Neal's Ark" is her initial effort in the line of a completed stage work. Among her song successes may be mentioned the popular "Dixie," which was interpolated in Frank Bardville's comic opera, "Sergeant Frye;" and first song by Ralfe Fisher, who is the prima donna in the "Neal's Ark" company. The play is in many ways a distinct hit, due to the old style comic opera or rather musical extravagance. Though Biblical in name and introducing dozens of attractive figures of childhood days—"Noah, the Ark, the animals, and Noah's sons—the author has made use of the libretto's license to introduce other characters, among them "Bill," the Boss of the Ark, who takes care of the animals and does—oh! pretends to do—all the work. In this role Harry Butler has topical songs and a fund of jokes. Mrs. Kammer has also introduced a chorus of stowaways in the Ark.

Walden—"His Honor the Mayor." "His Honor the Mayor" has taken a new lease of life at the Walnut Street Theatre and for an indefinite term, and for that purpose has decided to dress himself up a bit with new songs, new dances and some new dressers, to assist in entertaining the many visitors to his municipality. With these purposes always in view to give the best, brightest, most concealing and fastest show seen in Philadelphia, his reputation warrants a belief that the object will be gained. There has yet been no diminution of receipts, and Harry Kelley, Aaron's Dancing Dolls, and the rest of the very clever little company, are received with vehement acclaim now as when they first opened, at the Walnut Street Theatre, twelve weeks ago.
