FOUR PENNSYLVANIA BOATS TO BE IN SATURDAY'S RACES.

Pennsylvania's "Varsity" crews will row in the annual regatta of the American Rowing Association on the Schuylkill next Saturday, May 25th. The following have been officially entered to represent the University:

First Varsity eight—Row, Thomas; 2, Batsche; 3, Kirschner; 4, Reger; 5, Henderson; 6, Watson; 7, Doan; stroke, Engeb; coxswain, Mills. Second Varsity eight—Row, Hills; 2, Brown; 3, Lea; 4, Schelling; 5, York; 6, Rottke; 7, Byrnes; stroke, Ballard; coxswain, McGee.

Second Varsity four—Row, York; 2, Henderson; 3, Rottke or Schellin; stroke, Ballard.

First Varsity single—Row, Woodhouse; 2, Heider; 3, Steever; 4, Duvall; 5, Cebula; 6, Hoffman; 7, For, stroke, O'Leary; coxswain, Valentine.

The first Varsity crew is made up of the men who entered the boat race in March. They have gone through a thorough course in training, and the coaches are expecting a victory for them. The second eight of Yale and Harvard, the Bachelor Club eight, and a crew from the Nassau Club of New York, are also entered in the Stewards' Cup race, in which the first Varsity eight will row.

The Yale second boat has proven, however, at least equal in many instances to the Bachelor crew, stroked by Zeno, will be a formidable opponent.

In the Frosh eight, the second crew will meet George-town, while the Frosh four, which will be rowed, is the opponent of the Penn crew.

For all except the first crew this will be the race of the year.

FOOTBALL PROSPECTS GOOD—CAPTAIN ROBERT C. FOWELL

NEW TRAINING HOUSE WILL BE VALUABLE ACCESORY.

Ex-Captain Torrey Will Act as Head Field Coach—Keen Competition for Places Will Mark Trials.

Robert C. Fowell, captain of next year's "Varsity" football team, will act as head field coach, and keen competition for places will mark trials for the team next fall, modestly reported:

"There is not much to be said, but our prospects are sound—the brighter we have to be. With our added facilities in the way of a new training house, put together with a good system of graduate coaching, we are certainly fairly reliably turn out a championship team.

"The captain Torrey will be head coach this year, and will be ably assisted by Capt. Williams, Hodges, Morike, and probably Lamsen.

"The new training house is expected to be finished by next fall. This will give the men better quarters and opportunity for study, and better care can be taken of them."

"We shall have Lewis, Zeigler, Lawrence and probably Lavery in the junior collegiate eight event next year. As Lawrence will not return, the quarterback problem is still to be solved. But we have good candidates for the principal position in Keinath, Sheehy, Holdaway and Rogen. This place, together with a good system of graduate coaching, will, I believe, make us quite a strong team."

"The Mercersburg boys, coached by Alvlin Kraenzlein, the former Pennsylvanian, have greatly revolutionized scholastic records. The Middle States championships, held on Franklin Field in April, resulted in establishing many new interscholastic records.

"The Mercer boys, coached by Alvlin Kraenzlein, the former Pennsylvanian, won the Middle States scholastic record by breaking the time of the American scholastic by 1.4 seconds in the last trial. The best time was 44.9 seconds."

"The University Quartette rendered an encore of "Sorrell's Orchard" and "Beautiful Isle of Somewhere.""

College Wire Track Games.

The Interdepartment Track Games, held on Franklin Field Saturday morning, were won by the College Department with a score of 54 points. The other departments scored as follows: Medicine, 17; Dental; 8; Veterinary; 5; Law; 3.

Haskins, by running the mile in 4 minutes 22 2/5 seconds, not only broke the college record but also went on second faster than the Intercollegiate record. Taylor in the 440 yards event equaled the intercollegiate record of 49 1/5 seconds, held by himself. Cartmell in the 100 yards did ten seconds flat and in the 220 yards dash did 22 5/6 seconds. Moffitt in the high jump cleared 6 feet 2 1/2 inches, and Jones won the two miles in 9 minutes and 58 seconds.

The University had met a better team. The cheering section had been enthusiastic, while in many respects the baseball game of Saturday was the best that we have seen this season. Undoubtedly the Cornell team is the strongest aggregate that has appeared on Franklin Field, and to the pitching of Deshon the Ithacans is due their well-earned victory over the University team by the score of 5 to 1. Cornell has defeated both Harvard and Princeton, and her claim to the college championship seems more than valid. Of course much will depend upon the results of the University's home games with both Cornell and Princeton, but while the outcome of that with the Orange and Black is uncertain, Deshon in the 100 yards did ten seconds faster than the Intercollegiate record but also went one and a half yards even!

On account of the Middle States Championships in the afternoon the 180 yards run, the 120 yards hurdle and the 220 yards hurdle were postponed until tomorrow afternoon. The summary:

**Examination Time!**

In a few days we will jump from cool spring days into hot summer. In a few weeks examination time will be here. Do you realize how much easier it would be to prepare for your exams? If you had an ELECTRIC FAN in your study? You could keep cool and comfortable, you could pass better examinations, and the exit would be far less than employing a tutor. Fans of all sizes at different prices.
