ALUMNI DAY ARRANGEMENTS
June 19th Chosen as Date of Annual Reunion—To Be Held in Triangle.

The General Alumni Society has completed all arrangements for Alumni Day, Saturday, June 19th. Heretofore Tuesday of the preceding week was chosen as Alumni Day, but it was decided to change the celebration this year in order to bring Alumni Day in line with the request of many out-of-town men, who do not at times that are to be entered into.

The day will be devoted to various reunion and special social games and exhibits in the Gymnasium. Special surgical clinics have been arranged in the University Hospital by Dean C. H. Frazier. In the evening "jive" and other "renew" reunions will be held in the Triangle. Last year there were about sixty different classes—1901 to 1926—occupying dormitory rooms. The class of '95 was the largest in attendance, fifty-four classes were there. This year, '27 has made elaborate preparations for the twentieth reunion.

All University buildings will be open for inspection, and the Gymnasium will be opened to alumni except between the hours of 2.30 and 4 o'clock. Admission to the Triangle will be by tickets. Applications for all classes may be made to the General Alumni Society, 8461 Woodland avenue, and will be handed in, as the accounts have been paid in full.

The annual business meeting of the General Alumni Society will be held in Houston Hall, 15 P. M., Saturday, June 19th.

CRICKET TEAM'S ITINERARY
Arrangements for the Varsity cricket team's trip to England have been completed and the schedule arranged. The team will sail on the steamship "Finland" on June 18th and reach Dover June 24th, where it will make Burlington. It has quarters throughout its stay. The first game will be played with the Harvard School at Oxford, on or before June 21st, and from that date the team will be almost constantly in action up to its return. On July 21st the team will go to Ireland and play two or three matches with the University of Dublin and the Bray School. The men will witness the famous Royal-Harrow match on July 12th and 13th. A game will probably be arranged with Middleborough University for one of the open dates.

The schedule: June 27th, Harrow; June 29th, St. Paul's; July 1st, Clifton; July 4th, Ruggles; July 5th and 6th, Chelten; July 8th, Marlborough; July 12th, Harpiftc; July 20th, Guidelake; July 22 and 23d, Dublin; July 24th and 25th, Brixton; July 27th, Charter House; July 29th, Betti

VARSITY LOSES BALL GAME TO LAFAYETTE BY SCORE OF 10-2

Freshmen Win Close Contest from Varsity in Sixth, Makes Sixteen Strike Outs.

Lafayette defeated Pennsylvania on Franklin Field yesterday in baseball by a score of 10-2. The Eastonians outlasted the Varsity in every department of the game, batted harder and running bases with consummate skill and judgment. The visitors treated both Simpson and Twitlmore equally rough. After working up the forlorn Varsity team, including double doubles and a home run, good for five runs, Simpson re- tired in favor of Twinmire. The lat- ter was no more effective, four hits, with three bases on balls, yielding the Harson and White five more runs. The score—LAFAYETTE, R. H. A. E. 10, VARSITY 2.

The Freshman baseball team won its fast game against Hill School at Pottstown yesterday by the score of 10-2. The Pot- tstown club had the run in the first and the Freshmen earned one in the second inning, after which the score was tie until the tenth, when Nichols and Smith made the score 3-1. Nichols, the first-year, also pitcher, made sixteen strike outs as against eight by Adams, the Hill School pitcher.

Class Due and Assessment.

At the last class meeting held on May 16th, a motion was made, seconded, and passed, that the class be allowed to take part in Class Day exercises on June 16th or be given tickets for the same who have not paid their class dues and Senior assessment. It was also moved, sec- onded and passed that such payment must be made on or before June 2d to entitle him to these privileges.

The reluctance of some undergraduates to place their dormitory rooms at the disposal of the Alumni Society for the evening of Alumni Days, June 15th, does not show a very loyal spirit on their part. Although it may be an inconvenience to a dormitory resident to be obliged to store away all his goods before Commencement, he should not permit his personal comforts to interfere with the success of such a gala occasion as Alumni Night. He should also be generous and courteous enough to reply to the committee as soon as the request for the room reaches him.

The occasion, however, ought to be better controlled than it has been in the past, and it should not be necessary for undergraduates to devastate their rooms for an alumni party. The alumni should be able to use the rooms without disturbing furniture or decorations in the least. It would not rob the alumni of any of their goods before Commencement, he ought to be obliged to store away all his belongings. This would require only a little more care to insure rooms from damage. This committee as soon as the request for the room reaches him.
