YALE ADMINISTERS SEVERE DEFEAT TO VARIETY TEAM

FINALE SCORE 14 TO 1 AFTER A POORLY PLAYED GAME

Fennell and Brady Allow Opponents Hit Eight of New Haven Players Secures Victory.

The baseball team suffered one of the worst defeats in its history on Saturday when it met New Haven in the opening game of the six-game series. Although the score was 14 to 1, it is believed that a stronger New Haven team could have scored 20 or more runs.

The Yale team was completely out-manned and out-played all day long. The rival team is expected to win the entire series, and the outcome of the remaining games is in doubt.

Penn's Crews Fail in Win in the American "Henley"

The University of Pennsylvania's men's crew is not expected to win the American "Henley" title this year. The team is not well enough trained and is not in good enough condition to be considered a serious contender for the championship.

The Yale crew, on the other hand, is expected to win easily and to send two of its members to the final race.

The summaries:

First pair-oared shell—Won by William J. Dunn, Fred Fussell, Metropolitan Rowing Club; second, W. P. Carpenter, L. Johnson, Jr., University Boat Club.

First eightscrewed shell (Steward's Cup)—Won by Yale Athletic Club; New York City (R. T. Borrower, W. G. Gilbisou, W. F. B. Rice, L. D. Hooper, J. P. F. Winn, C. Kocher, H. Warning); second, Bachleor's genera,
The "Varsity" crew rowed a good race over the Henley course last Saturday and should not feel utterly discouraged at the result. The older and more experienced men in the other boats are tried oarsmen and that they defeated the University crew by the short distance that they did in no disgrace, especially since the New Yorkers broke the record of six minutes thirty-eight seconds for the course by doing it in six minutes fifty-five and a half. The men rowed their hardest and if they lost, they were not to blame.

The Octopede and the Freshmen also put up a good fight, but the Second Eight was altogether outclassed and should not have been placed in such company. It is said that the failure to develop a good Second Eight this year is due to the vacancies of Ellis Ward who in his efforts to boat the crack Philadelphia crews had overlooked the advantage of winning the minor college races and kept the material so constantly shifting from one combination to another, even up to within a few days of the races, that the men never knew when their boat was rigged. This kind of work must necessarily be demoralizing to any crew, and appears to be a well-founded reason for the poor work of the Second Eight in the Henley. Ellis Ward has not developed a winning crew at Pennsylvania since 1901 and there are many who have lost confidence in him and say his day is past and that Pennsylvania must consider the importance of securing a man like O'Dea (who has just left Wisconsin) while Ward is retired on a pension as an advisor. Although we do not venture to go as far as this just now, it does seem as though the time for a graduate coach was almost at hand. The year's Pumphkegs regattas will show Ward's crew almost won the race last year. This year he may achieve the triumph that we are all hoping for.

Freshmen Win from Cornell.

In a rather uninteresting game the Freshman baseball team played Cornell. Freshman to a staunchly at Franklin Field Saturday, and a two hours' hitting bee resulted in a score of 15 to 4 in the Pennsylvania young men's favor. The hitting on both sides was hard but the fielding was equally weak.
