Football Practice.

Rain slightly interfered with the practice of the football team yesterday. The field was a mud pond anduditmation.

Every regular was out and all appeared to have fully recovered from the effects of the Lafayette game. Captain Feltham is again in first-class condition and should soon be at full form.

The practice consisted wholly in running and development of the team.

The weather conditions were so unfavorable, however, that little progress was made.

	The Pennsylvania Limited to Take Party to Michigan

Requirements include Greek, Latin, and Algebra-Other Qualifications.

Announcement of the date for the Rhodes scholarship examinations in Pennsylvania has provoked inquiry among students of the University as to whether they have their residence. They may pass the qualifying examination at any centre, but must be prepared to present themselves before election to the committee several weeks in advance.

Candidates are to elect whether they will apply for the scholarship of the State or Territory in which they reside, at least the end of their Sophomore or second-year work at some recognized degree-granting university or college.

Football Practice.

Yesterday's football practice was one of the best which has been held on Franklin Field this year. The team played a quick and snappy game and showed much improvement over former practices.

All of the varsity men with the single exception of Greene, whom Coach Murphy is allowing on extra long rest in preparation for the games with State, Michigan and Cornell, were present and seemed to have fully recovered from the effects of the Lafayette game last Saturday.

Some time was spent by the coaches in thoroughly drilling the men in the forward press, both in offense and defense.

The same drill, however, was the same between the Varsity and Freshmen. In which both sides worked double, the Varsity making one touch down and kicking a point from the field while the freshmen succeeded in crossing the opposing goal line for two touchdowns.

Manser, Johnson and Cotsen put up the best game for the freshmen.

Santas at Michigan Game.

Quite a number of applicants were being received by the treasurer of the Athletic Association. University of Pennsylvania, for reserved-seat tickets for the Penn-Michigan game at Ann Arbor on the sixteenth. The price of tickets is in dollars and the price of box seats four dollars each. Mr. Clifford Pomerene, Jr., treasurer, 1643 Real Estate Trust Building, advises us that he has still on hand quite a number of tickets for seats in the centre of the field in the Pennsylvania section that are ready for delivery to Pennsylvania graduates and undergraduates.

W. H. Embick & Sons.

The 10 per cent. student reduction announced in your Houston Club Book on Embick tailoring is a reduction on prices $1.00 to $10 less per suit than their nearest competitors' prices. Establish this fact for yourself. Suits, $5 to $50. W. H. Embick & Sons, 1628 Chestnut street.

Some Trophies Are Still Missing in Houston Club

Ernest Effort on Part of Those Connected with Winning Teams Will Return Them to the Collection

Even after the great effort Mr. A. P. Climo, custodian, has made lately to bring together the trophies in the trophy room of the Houston Club, there are still many missing. Last spring Mr. Climo made a tour of the University and found several trophies.

They are the 1896, 1897, team of those having the selection of trophies.

The trophies are in the form of silver cups, silver shields, silver medals, wreaths in which suitable gravings are Imposed, and other objects of beauty, with the condition, nnd should speedily return their property of the University.

Mr. Climo offers a suggestion to those having the selection of trophies in charge. The usual trophies are in the form of silver cups, silver shields, silver medals, wreaths in which suitable gravings are imposed. As can be engraved and will last forever. Some of the Schuylkill Navy has sided over by Professor Bohlen.

Tomorrow Price Hall to Be Scene of First Big Debate This Year.

Preparations have been completed by the team which will represent the Zelosophy Society against Swarthmore in Price Hall tomorrow evening. The University interested in debating are awaiting the outcome with considerable interest. The Zelosophy debaters will defend the affirmative side of the subject being debated. The Constitution be amended so as to vest in Congress the power to impose a general income tax, and expect to experience some difficulty in establishing the sufficient prima facie arguments for the side of the question. The Scholastic debaters have no mean reputation in debate. The members of Zelo's team are...

Charles Edward Paxon, '08, C. captain. He prepared at Camden High School. In his Freshman year at College he won the Willis Terry prize for scholarship in the Wharton School. He was one of the speakers on the Sophomore team against the Freshman last year and was a member of Zelo's winning team against the Barnard Association of Students in December of 1906.

Maurice Seat White, '09, C. He prepared at Harvard Grammar School, where he took part in interscholastic debates in 1904 and 1905. He was a member of Zelo's team against the Philomathean Society in 1905 and captained the team against Barnard in 1906. White is now vice-president of Zelo.

Theodore Campbell Cater, '09, C. He prepared at Penn Charter School, where he was member of the University of Pennsylvania academic championship debating team in 1906. He too was a representative of Zelo against Iowa in 1906.

The alternate is Isaac Theodore Potter, '07, C. He prepared at Pennsylvania Military, where he took an active part in literary and debating activities. He has been a member of Zelo for two years.

The practice consisted wholly of the reading of the first paragraph page 427. L. 8. report:

Citizenship.

Tuesday, November 1, 1907: The class will prepare an analysis of Scott vs. Sandford, 19 Howard. 393. Facts page 297 to end of third paragraph 298. Opinion, page 462, middle of first paragraph to end of second paragraph on page 408; beginning of second paragraph on page 412 to end of first paragraph page 427. L. 8. Rowe.

RHODES SCHOLARSHIP IN 1908

Requirements Include Greek, Latin, and Algebra—Other Qualifications.

Announcement of the date for the Rhodes scholarship examinations in Pennsylvania has provoked inquiry as to the Rhodes requirements. For the information of those interested, the following is reprinted:

The scholarship is valued at $1,200 a year and is tenable for three years. Candidates must be unmarried, and between the ages of nineteen and twenty-five years of age.

It has been decided that all scholars shall have reached, before going into residence on the scholarship, the senior year of their senior or sophomore year at some recognized degree-granting university or college.

Candidates may elect whether they will apply for the scholarship of the State or Territory in which they have acquired any large part of their educational qualifications or for that part of the State or Territory in which they now reside. They may pass the qualifying examination at any one of the States to which they must be prepared to present themselves before election to the committees in the State or Territory they select.

For the regulations examination of 1905, see the following subjects: Aristocracy, the whole, or the elements of Geometry; Greek and Latin grammar; translation from English to Greek and Latin book, one each, and one Latin book.

In accordance with the wish of Mr. Rhodes the trustees desire that in the selection of a student to a scholarship regard shall be had to (1) his literary and scholastic attainments, (2) his kindness or success in any outdoor sports, (3) his qualities of manhood, truth, courage, devotion to duty, sympathy for and protection of the weak, kindness, unselfishness and fellowship, (4) his exhibition of liberal moral force of character, (5) his exhibition of the power to think and to take an interest in his scholarship.

The scholarship is tenable for three years.

Another mass meeting to rouse up football spirit and to help the team win the hard game with State on Saturday will be held this afternoon on Franklin Field, and the importance of every undergraduate attending it cannot be overestimated.

The result of the spirit shown last week was evident in the Lafayette game, when the cheering was better than ever before this year. The true test of our cheering ability will come on Saturday if the game goes against us. No one expects that it will, but such things can always happen, and undergraduates must be just as well prepared for a losing game as a winning one.

Let us all come out this afternoon and rouse ourselves in our team spirit, for the team and every other student at the university will be watching us. Let us represent University men.

$3.00 for Army-Navy Boxes.
The annual auction sale of boxes for the Army-Navy football game, to be
played at Franklin Field on Saturday, November 28th, was held yesterday
morning at Thomas'. Thirty-two boxes were put up and a total of $150 was
realized, making an average of nearly $5 a box. It was announced that the
boxes would be sold to the highest bidder and that the successful party could
have his choice.

An attempt was made to start the

first at one hundred dollars, but there

was no bidding, and fifty dollars

started the ball rolling. Seventy-five

came from a spectator, but he was

effused with an offer of one hundred

flat. Then the bidding rose slowly to

$120, at which price Mr. R. George

was given his choice. He took Box No.

15, in the centre of the Annoplos

stand, and then retired from the field.

The next selecte went to Mr. G. S.

Hutchinson for $110, and he took Box

No. 25 in the West Point section. The

price held to $110 for the first nine

sales, and then it gradually fell until the

low sum of $70 was reached, but

two only went at that figure, the

prices increasing until the last was

dispersed for $85.

The names of purchasers, outside of

the speculators, were as follows: Mr.

C. C. Harrison, Mr. George S. Graham,

Mr. John B. Parsons, Mr. George D.

Wildner, Mr. Joseph G. Rosegarten,

Mr. George H. Prater, Mr. James W.

Paul. Mr. Craig Ligginbot, Mr. Ed-

ward Moore Robinson, Judge J. Willis

Martin, Mr. Henry M. Warren, Mr.

wald, Mr. William Townsend Wright,

Mr. J. F. Hoffman, Mr. Alfred C. Har-

rison, Mr. James Riveron, Jr., and Mr.

Princeton Cross-Country Meet.

In a dual cross-country meet be-

tween Yale and Princeton over the

Princeton intercollegiate course yester-

day Princeton won a decisive vic-

tory from her opponent by the score of

51 points to 48. The course was

well, owing to yesterday's incessant

rainfall, so that the time made was

not as fast as it might have been un-
der more favorable conditions. White-

ley, '18 Princeton, the present Middle

States half-mile champion, came in

first by 250 yards in thirty-five

minutes 52 1/5 seconds; Mcgee, of Prince-

ton, was second, and Wills, of Yale,

third. Spitzer, of Yale, who had been

considerably expected by Yale to win

the race, made a disappointing poor

showing, coming in last.

Central High School Club Meets.

A preliminary meeting of the Cen-

tral High School Club was held in

Houston Hall last night and organiza-

tion for the year effected. The fol-

lowing officers were elected: Presi-

dent, Donald McDonald, '08 C.; vice-

president, Ralph J. Waite, '08 C.; secre-

ty, Frank A. Paul, '08 C.; treas-

urer, & Rosenbaum, '18 C. An execu-

tive committee of four will be elected

at or after the next meeting. Thurs-

day, December 5th, is the date de-

cided on for that meeting, at which

time exception to new members will

be given. Professor Ernest Lacy has

convinced to attend the reception and

will be one of the speakers.

score of 136 to 140. Those who shot
