KEINETH REPLACES REGAN

At quarter-back to-day.

Coaches think these changes will strengthen the team—Yesterday's Practice Encouraging.

Rogan has been taken from the 'Varsity line up and his place has been filled by Keineth. Pauxtis will take Miller's place.

In the past several games, including those with Carlisle and Lafayette, Rogan has failed to fulfill the expectations of the coaches and now a change has been made. Throughout the season Keineth has played splendidly on the scrum back, often distinguishing himself at the expense of the 'Varsity, so his selection as the regular quarter-back does not come as a surprise. For two seasons Keineth has shown his worth and many a time has the general public expected that he would be put on the 'Varsity at any moment. But heretofore there has always been a better man for the position and then, too, Keineth is playing better than ever before. Last year he had a bad leg, but this is now entirely healed and does not trouble him at all. He plays a hard, snappy, aggressive game, not only running with the ball well but being particularly good on offensive play. In handling the forward pass and inside kicks there is hardly a man on the squad who can beat Keineth; and still another point in his favor is the way in which he handles his team. He keeps the men on the jump all the time.

reported to have linked two-thirds of the goals they have attempted in scholastic contests and is always a dangerous man inside the thirty-five-yard line. Besides his ability in this line he is also a football general and is very clever at catching punts. Hirshman and McCleary are a well balanced pair of backs, showing each other good interference besides being particularly strong on the defense. Left end Captain Burns may be called a star. He is particularly efficient in breaking up runs attempted around his wing. The Varsity realizes the task before them and after last week's victory and this week's hard practice, feel more than equal to defeating "Pop" Golden's proteges. Yesterday's practice was crisp and snappy, consisting mostly of signal practice and developing the forward pass. The usual scrimmage was lacking, the scrum not even being on the field.

Sharwood Prize Increase. At a meeting of the board of managers of the Society of the Alumni of the Law Department, held on October 29th, the following resolutions were adopted: "Resolved, That the amount of the Sharwood prize be increased one hundred dollars and that the society appropriate annually an additional sum of fifty dollars toward the expense of printing the essay of the student taking the prize;" and "Resolved, That this information be brought to the attention of the student body either by printing in the catalogue or in some other way that the Dean of the Law School may believe desirable."

Mask and Wig Club Elections. At a recent meeting of the Mask and Wig Club the following University undergraduates, who participated in east and chorus of "Herr Lohengrin," Easter, 1907, were elected undergraduate members of the club: J. T. Bailey, '10 C.; F. C. Campbell, '10 C.; W. A. Wiedersheim, '26; '10 C.; F. A. Lewis, '10 C.; H. M. Martin, '10 C.; R. B. Burns, '18 C.; F. J. McMichael, '10 C.

York County Club Meets. About twenty-five men from York county met last evening in the dormitories and laid plans for a smoker and dance during the Christmas holidays. The club was addressed later in the evening by Mr. E. C. Mercer.

Athletic Association Nominations. Nominations for directors of the Athletic Association will be received at the office of the Athletic Association until 5 P.M. Monday, November 11th. By order of the secretary.

Michigan Trip. Until last night not more than twenty five men had made up their minds to go on 68 Ave Arbor. All names should be handed in at once.

time, putting life and spirit into them at critical points and using his beard well in following plays. At least Kei- neth has shown himself to possess all those qualities in practice; only a man will show whether he is as good in the thick of the fight. Unless some- thing new enforced occurs Keineth will start the Young College game to-day in place of Regan at quarterback.

Other changes in the line up have been made during practice. Markell at tackle was put in Draper’s place and Draper at centre, replacing Drayer. It is not likely that Draper will take Drayer’s place permanently. Possibly, too, to have the performance over Miller for today’s game.

Owen did not appear in the line up on Thursday, but this was be- cause of the braces he received in the Lafayette game on Saturday. He will of course start the game today at half back. Drayer took his place Thursday and played a rattling good game. The dash and power with which Drayer hit the scrum line showed that he is a "Varsity" possibility. On offense and defense alike Dyre has been very strong.

INTERCOLLEGIATE SHOOT TO DAY

Harvard, Yale, Princeton and Penn- sylvania Represented by Teams.

The Intercolliegate Gun Shoot will be held thilse afternoon on the grounds of the Clareview Club. The uni- versities that have entered teams are Harvard, Yale, Princeton and Penn- sylvania. The University team will be made up of the following men: T. R. Wunder, captain; J. W. Leipzig, H. M. Neil, H. H. Smith and H. M. Parley. The substitutes will be Lewis and Van Camp.

Three desiring to witness the shoot may take the 2:05 train from Twenty- second and Chestnut streets for Seven- enty-second street.

The team has been practicing faithfully on the Clareview grounds twice a week and Captain Wunder especially has made an excellent average since the first practice shoot. This year’s team is far superior to the one that represented the University last year.

Freshman Win from Mercersburg.

The Freshman football team won a well earned victory over Mercersburg Academy yesterday afternoon by the score of 5-0. The game was played on a muddy field and was hard fought from start to finish. Manber, the 1911 fullback, who was formerly a star at the University of Tennessee, lived up to his reputation, and scored the touchdown for the Freshmen. During the latter part of the game, however, he broke his arm and was forced to retire. The Freshmen showed good team work, outplaying Mercersburg at every point. The 1911 line up was as follows: Hawley, left end; Cones, left tackle; Irwin, left guard; Kep- linger, center; Bootk, right guard; Pom- rkin, right tackle; Favourite, right end; Johnston, quarter-back; McEn- tyre, left half-back; Dornon, right half-back; Manber, full-back.

Sunday Morning Services.

The regular Sunday morning ser- vices in the auditorium of Houston Hall to-morrow morning will be con- ducted by Mr. Clayton B. Cooper, of New York. Mr. Cooper has visited practically all of America’s import- ant colleges and has done more to interest fraternity men in right liv- ing than any other man in the country. Another meeting will also make an address to the students of the Uni- versity at 7:30 o’clock in the evening. The subject being "Student Problems as I Have Seen Them."

ZERO WINS DEBATE WITH EASE

Defeats Swarthmore in Intercollegiate Contest on Income Tax Question.

The two presidents of the two institutions met yesterday afternoon in the auditorium of the University Club of Philadelphia, with the earnest hope that the result would be a two-way tie. But, to the surprise of the entire company, the Zelosophic Society, which represented the students of the University School, led by President Zimo, were triumphant. The number of votes cast by the members of the University was two to one. The Swarthmore men were not disappointed, however, as they were able to work up a large number of votes by the assistance of their friends in the city. The Zelosophic Society, which is composed of the students of the University School, is under the management of President Zimo, and has a membership of 200. The Swarthmore men, on the other hand, are divided into two sections, each having a membership of 100. The debate was held in the auditorium of the University Club of Philadelphia, and was conducted by Mr. C. F. Hay, of the University Club. The Zelosophic Society was represented by President Zimo, and the Swarthmore men by Mr. C. F. Hay. The debate was conducted in a most courteous manner, and both sides gave good arguments.
