STUDENT ROOTERS' PARTY IS STILL LACKING IN NUMBERS

FOUR OF THE FOUR CARS IN SPECIAL PROVIDED FOR.

Three of the Four Cars in Special Provided for.

Committee Will Be in Room 104, College Hall, To-day to Take Names of Men Wishing to Join Party.

Yesterday's efforts to get a large number of the students to take the trip to Ann Arbor were not particularly successful. Quite a number of men started their intention to take advantage of the special rates, but as yet the required number has not been reached. Those who have turned out will be enough to fill two or three cars, but there is still more room to be filled. It is up to the students to decide whether the number can be brought up to that required by that railroad company to ensure the obtaining of the entire rate of thirty-one dollars for the round trip.

To-day will be the last for the handling of names; the committee will be in Room 104, College Hall, from 9 until 2:15 o'clock for the completion of the list.

Michigan band and one hundred volunteers to Franklin Field last year will be等等 to make themselves heard, and the committee urges every man who can to help fill up Pennsylvania's section at Ann Arbor.

The following circular has been sent out, giving the complete itinerary of the trip:

Friday, November 16th, leave Philadelphia, Broad Street Station, 1:30 P.M., arrive at Altoona 7 P.M., dinner at Logan House; arrive Pittsburgh 8.45 A.M., breakfast at hotel, leave Toledo (via Ann Arbor Railway) 5.20 P.M. arrive Toledo 6.19 P.M., dinner at hotel, leave Chicago (via Pennsylvania Railroad) 8:30 P.M. Sunday, November 17th, arrive Ann Arbor 11.15 A.M., arrive Altoona 7:45 A.M., breakfast Logan House, arrive Broad Street Station, Philadelphia, 1:20 P.M. Rivet trip, Philadelphia to Ann Arbor and return will be made in special trains of Pullman cars. Rate is thirty-one dollars, which covers railroad transportation, single berth in Pullman car, and meals en route.

The number of persons that can be accommodated on this special train is limited. A very early and particular success of those who have turned out will be enough to fill two or three cars, but there is still more room to be filled. It is up to the students to decide whether the number can be brought up to that required by that railroad company to ensure the obtaining of the entire rate of thirty-one dollars for the round trip.

The movement to send the scratch football team to Ann Arbor: origin- ated by the Law School has been joined by the College Department. The chairman of the undergraduate committee has appointed men in the arts, Wharton, engineer, chemistry, to the number of thirty-one, and the executive and chemical engineering departments, so that every student in the College may do his part by paying one of the men in his department. The collectors will make an effort to get a large sum of money as soon as possible, so that it will be definitely known whether the trains will be sent or not.

The following are the men who have been appointed to take care of the subscriptions:

Class presidents are reminded that the collectors for the general subscription to send the scrub football men to Ann Arbor for the Michigan game should be appointed not later than to-day. If the scrubs go they will form part of the cheering section which leaves here on Friday. It will be necessary to collect about five hundred dollars, which, at an assessment of twenty-five cents per man, should not be difficult.

The collection is now going on in the College and Law Departments. It remains for the Medical Dental and Veterinary Schools to continue in the good work.

Tonight the football team leaves Philadelphia to begin their long trip to Ann Arbor. To give them the proper encouragement the entire student body should turn out to attend the mass meeting in the Triangle. Everybody remembers the send off given to the team that went to Cambridge in 1904 to defeat Harvard. Let that of to-night be as great and as enthusiastic, and we can be confident that the results will be as splendid.

All the undergraduates must do their part toward winning a victory next Saturday. The cheering and singing will begin at 7.20 o'clock. All undergraduates are urged to reach the mass meeting in the Triangle. The cheering and singing will be as great and as enthusiastic as the train leaves the station. Let us make it the biggest mass meeting in the history of Pennsylvania.
