CROSS-COUNTRY TEAM TRAINS
FOR INTERCOLLEGIATE RACES

EIGHT MEN HAVE BEEN TAKEN TO Varsity Training Table.

Squad Runs Three Times a Week in Fairmount Park—Intercollegiates on Wednesday, November 28th.

Track work among the colleges at the present time consists mainly of cross-country running. While most of the sprinters, hurdlers and field men are out practicing daily, they do little hard work and do not keep in regular training, as there are no meets now until the indoor season opens. But the cross-country squad runs daily and is fast rounding into form for the Intercollegiate championship on Wednesday, November 28th.

Last Friday a trial race of a little over five miles was run in the Park, and as a result of this eight men have been taken to the Varsity training table, and more will be added as their running warrants it. The men who qualified on Friday are: Captain Lloyd Jones, Our Hawkins, N. T. Moore, R. Jack, Boyle, Conn, Rock and Lash. In addition to those eight about ten others are in training, and some of these may be added to the Varsity squad at any time. Lloyd Waldman is also running remarkably well, and should he decide to run cross-country, he would be a great help to the team. H. H. Norris, the former Harvard College distance runner, who is a Senior in the Medical School, is still another man who may be added to the training table. He has had considerable experience in cross-country work and has been running with the squad regularly but did not compete in the final race.

The team runs three times a week in Fairmount Park at present, but will probably go out every day, beginning next Monday. Before the championship race Captain Jones will take his men down to Princeton to get them used to the course, which has been slightly changed since last year.

Lackawanna County Club.

A meeting of the Lackawanna Club of the University of Pennsylvania will be held on Thursday evening, November 11th, at 7.20, in 22 Morgan, dormitories. Officers for 1907-8 will be elected. Please try to come out. Howard Process, secretary.

Soccer Team.

There will be a call for candidates for the soccer team some time next week. It is hoped that there will be a good number out, so that Penn may make an excellent showing in the conference games with the other colleges this year.

Freshmen to Give Jeff Practice.

This afternoon at three o'clock the Pennsylvania Freshman eleven will play the Jefferson Medical College practice game on Franklin Field. All members of the squad must be present. Signed: Bob Mothers, coach.

Junior Football Elections.

Franklin Rogers was elected captain of the Junior football team yesterday by the members of last year's 1908 team.

Athletic Association Cannot Afford the Entire Expense. It is Up to the Undergraduates to Give the Scrubs What They Have Earned by Hard Work.

IF WE DO OUR PART THE ATHLETIC ASSOCIATION WILL HELP.

SHOW THE SCRUB TEAM THAT WE APPRICIATE THEIR EFFORTS.

To the Undergraduates:—"The Scrub team deserves to be sent to the Michigan game. We are sorry that the Athletic Association cannot afford this year to pay all the expense of sending fifteen or twenty men, but that is the case.

"It is up to the undergraduates to do their share. Many of them have already done so. The rest of the University should follow this example. The College and the Law School have shown the right spirit. Now it is up to the other professional schools, who are also interested, to do their part.

"A scrub team never worked harder than ours has done this year. They deserve to be on hand to cheer the team. They can't get in the game, but so far as their efforts and their spirit is concerned, they deserve that privilege as much as any regular."—Robert C. Foellw, captain of the football team.

Mr. Clifford Pemberton, Jr., treasurer of the Athletic Association, is authority for the statement that the association will pay half of the expenses of sending the scrubs to Michigan, if the undergraduates will pay the other half.

Coach William Morice, in address the undergraduates who are not interested, to do their part.

Mr. Clifford Pemberton, Jr., treasurer of the Athletic Association, is authority for the statement that the association will pay half of the expenses of sending the scrubs to Michigan, if the undergraduates will pay the other half.

Coach William Morice, in addressing the undergraduates in the West Philadelphia Station after the departure of the team, urged every man to pay up his assessment at once. "The scrubs deserve to go to Michigan," he said, "and you ought to send them."
Never has a team leaving Pennsylvania to fight a difficult battle on another field received heartier encouragement than did the team which last night was escorted to West Philadelphia Station by three thousand undergraduates and wished a God-speed on their way to meet Michigan at Ann Arbor.

Pennsylvania with one voice told the University year in the Inutest of its own territory we made a better showing in numbers and spirit than any other college. And in that spirit we can show our respect for the nineZen service, for the value of the squad and the valuable services rendered in the field. Rather let it be our boast that we can do to show our recognition that the squad will be a large one.

The new men were Conroy, chairman; George N. Nicholson, Class pictures: John A. Brown, chairman; Marshall B. Beach, chairman; William C. Brown, chief, Joseph A. Dolan; associate editor, William L. Worthington, Frederick A. Loberhelmer, Charles M. Graham, Joseph Carson, Voe Tomlinson, Oliver P. Brown, dore E. Nlchterlein, Garrett A. Brown.

men, Lewis, Frinkles, Dwyer and R. C. Polfvel, captain.

Quite a number whose names do not appear have signed their intention of coming out, and it is assured that the squad will be a large one, and should develop some excellent ma-
terial.

time champion of the art, and he will be assisted by Charles T. Brown, in-
tercollegiate champion in 1906. Among others which Penn will meet are Yale, Princeton and Columbia.

The regular hours for team prac-
tice have been set for Tuesdays and Thursdays between 4:30 and 5:30, but the men will spend much more time on the mat than this. All men who can should give their names to Man-
ger Waite and come out.

A Matter of Common Sense.

We take it for granted that no wise and honest man believes that he is getting something for nothing when clothing is offered him—for whatever pretended reason—at less than its value. Under its true colors it is worth all it costs.

We believe that the clothing made by Browning, King & Company is as fine as it is made. We'll leave it to the judgment of any well-informed man.
