PRICE TWO CENTS

PLATT’S CONDITION SERIOUS

Just exactly how serious is the injury sustained by Frederick E. Platt, ’88 C, ’10 L, cannot yet be definitely ascertained. This continued uncertainty is causing great anxiety to the Platt family and many friends.

Platt, it will be remembered, fractured his spine near the base of the neck last Sunday afternoon while engaged with two chums in a friendly scramble for the possession of a football. The accident occurred at Waldfogel, within sight of his home, into which he was carried suffering from paralytics.

The patient is reported to-day as having passed a good night. Although absolutely without any feeling below the neck, his head is nevertheless clear. This permits him to speak in a low tone of voice, and he inquired of the nurse yesterday concerning the celebration of events.

The uncertainty in the case resulting from inability to definitely ascertain the nature of the spinal break is causing much distress to the family. Platt was attempting yesterday afternoon by a surgeon to be stationed in Philadelphia to determine exactly how the aid of an X-rays an examination was made, the results of which were not released until this morning.

During a few humorous remarks about Michigan and the big German, Schultz, in particular, not taking fellows his own size. He then told how they left West Philadelphia through rows of expectant faces, de- siring the team to win over Michigan for their beloved Alma Mater on Thanksgiving Day against Cornell. "Follow us, we'll go together against Michigan and beat them. We are going to pull together against Cornell and beat them too," were the sentiments expressed by Dwyer.

George Turner, assistant trainer and famous starter, said "Almost two years ago this time we beat Harvard, and, boys, we could do it in a minute now." Dwyer cracked a few humorous remarks about Michigan and the big German, Schultz, in particular, not taking fellows his own size. He then told how they left West Philadelphia through rows of expectant faces, desiring the team to win over Michigan for their beloved Alma Mater on Thanksgiving Day against Cornell. THE THEATRES.

A Matter of Common Sense. We take it for granted that no wise and honest man believes that he is getting something for nothing when clothing is offered him—for whatever pretended reason—at less than its value.

Under its true colors it is worth all it costs. We believe that the clothing made by Brown, King & Company is as fine as it is made.

We'll leave it to the judgment of any well-informed man. Suit $15 to $60. Overcoats $18 to $60.
