SWIMMING CONTESTS TO NIGHT
HONOR SYSTEM IS ADOPTED

Wharton Freshman at Meeting Yesterdav Vote for Association Member.

A meeting of the Freshman of the Wharton School was held yesterday in Logan Hall to consider adopting the honor system, open to the membership, adopted by one of the candidates in any previous contest. There is plenty to keep the candidates busy.

The event to be contested this evening is the 100- and 200-yard freestyle race (for men who have not won this event in the past), to be held at 7.40 o'clock. The shy will be by the length of the pool swimming hack.

The score of the system has proved to be a great success in every way and there is no doubt but that it will be adopted sooner or later in other departments of the University. Some people believe that the system is not to be born a man, but that is not true, and the system will develop it where it is needed. It's right up to you freshmen to start right, and I'll assure you you'll never have to regret being so good.

Phantom of the University does not want anything but to become a man. As for the system itself, it is not to be, and the system will not develop it where it is not needed. It's right up to you freshmen to start right, and I'll assure you you'll never have to regret being so good.

The nomination to represent the class in the honor system was as follows: W. R. Hull, W. F. Johnson, E. D. McCarthy, E. G. Minda, C. H. Pennington and R. E. Thompson. As the voting resulted in a tie, all five freshmen of the Wharton School will vote on either Tuesday or Thursday for John, or John, or McCarthy.

Senior Photographs. Individual portraits of the members of the Class of ’08 C. must be taken by February 1st. In order to have uniformity of these photographs the committee has made arrangements with Messrs. Gilbert & Bosco, 1038 Chestnut street. The cost of one photograph plus the expense of having a hat made for members of the Junior Class will be two dollars, which must be paid to Gilbert & Bosco at the time photograph is taken. No individual record can be printed in the “1808 Class Record” unless it is accompanied by a photograph. Therefore every 1808 College man will at his earliest convenience please present himself at Messrs. Gilbert & Bosco for a sitting. The committee has succeeded in making an arrangement with Gilbert & Bosco under which each Renier desiring to do so can secure an extra dozen regular eight-dollar photographs for three dollars. This is an opportunity to get some first-class photographs very cheap before Christmas. Signed: Paul Killian, business manager.

Lancaster Students Organize.

The Lancaster County Club held its first meeting of the year at the Hounsom Club last night. President Armstrong called the meeting to order and introduced Vice-President Edgar F. Smith, who gave a detailed and extremely interesting talk upon Lancaster County's present influence at the Union and the number of important men—graduates—who have made national history.

The election of officers for the ensuing year was next held and resulted as follows: President, R. W. Embick; vice-president, J. M. Wenger; secretary, H. S. Mosser; treasurer, C. H. Witter.

Germantown Academy Club.

A meeting of the Germantown Academy Club was held yesterday afternoon in Houston Hall, which about thirty men attended. John Collins was elected temporary president, after which plans for the year were discussed in an informal way. All the graduates of the academy in the University are requested to take the 13.41 train from West Philadelphia Station for Germantown to encourage the men of the football squad before the Penn Charter-Germantown game, after which they will attend the game at a polytechnic.

A Matter of Common Sense.

We take it for granted that no wise and honest man believes that he is getting something for nothing when clothing is offered him—for whatever pretended reason—at less than its value.

Under its true colors it is worth all it costs.

We believe that the clothing made by Browning, King & Company is at all times equal to the price.

We'll leave it to the judgment of any well-informed man.
