standard from year to year we are continually making it more difficult for a man to make his University team and as a student in good standing, remain in college. The 'Varsity letter, therefore, if awarded under the improved and restricted conditions proposed will mean more as an indication of both the wearer's scholastic and athletic standing than any other university's letter.

**Junior Exit Committee Meets.**

A hearing of the Junior exit committee was held yesterday in Room 205 of College Hall to settle various details. A largely increased attendance and consequently a larger number of适合 any order will be drawn without much difficulty by the time the affair of the committee are finallv settled. Any balance remaining over all expenses will be paid into the treasury of the Junior Class. There is nothing the matter with our clothing.

It is worth every cent that we ask for it.

We offer it simply as the best clothing that we know how to make. It is stylish and it is well made.
