Juniors Defeat Sophomores

It was noon on October 27th, and the football game was about to begin. The field was ready, the crowd gathered, and the excitement was palpable. The Juniors, led by Coach Smith, were determined to defeat their younger counterparts, the Sophomores.

The game started with a deep pass from Braddock, but it was intercepted by Townsend, who returned it for a touchdown. The Sophomores took the lead early, but the Juniors were not to be outdone. After a series of powerful runs from Dashwood and Lucas, the Juniors tied the game at the half.

The second half was even more exciting. The Juniors entered the end zone for another touchdown, but the Sophomores quickly responded with a field goal. The game was back on, and the Juniors were determined to win.

In the final moments, the Juniors, led by a last-minute interception by Crooks, secured the victory. The game ended with a 14-13 score in favor of the Juniors, who had defeated their younger rivals.

The victory was a significant one for the Juniors, who had won the annual football game for the first time in several years. TheSophomores, although not pleased with the outcome, congratulated their opponents on a well-played game. The next match, scheduled for next week, promises to be even more exciting.

WE have already commented upon the gravity of the basketball situation at Pennsylvania, but although this is well known after being demonstrated by a defeat in the first game of the season, no one seems to take more interest than before. There are only five regulars in daily practice and do something for a change?

We congratulate the Undergraduate Committee upon its return to life. In carrying out plans for an eight o'clock chapel hour it will be well for the committee to move carefully. An attempt to put the question to popular vote might result disastrously unless plans were taken before hand to learn how the majority of undergraduates stand in regard to the change. Let us not give the administration the chance to kill the plan before they know anything about it and have come to realize how imperative it would be to the University.

Dr. Michelson Gets Nobel Prize.

The Albert H. Michelson, Professor of Physics at the University of Chicago, has been awarded the Nobel prize in physics. It will be recalled that during the Franklin commemoration exercises, held in April last at the University, Dr. Michelson, along with Niels Einar Bfl, Andrew Carnegie and others of world fame, was awarded the degree of Doctor of Laws.

Delaware State Club.

The regular monthly meeting of the Delaware State Club has been postponed until Friday evening, December 30th, at eight o'clock. A full attendance is requested, as important business will be transacted. An address will be made by Dr. Chandler, of Wilmington.

Riegels, Donald Hendrie, president.

Musical Clubs Smoker.

The Combined Musical Clubs gave a smoker on Saturday evening in Long Hall. After a business meeting and election of officers refreshments were served.

The clubs have secured rooms in the studio building, to be used as a business office and club room. A new venture was decided upon in the form of graduate managers. This will render the arrangements for the February trip to be completed more easily.

The following officers were elected: President, Hooper Wade Day; Man- ager, Duncan Allen Weerrell; first as- sistant manager, J. Archibald Wil- liams; second assistant manager, M. B. Long; graduate managers, Dr. Wil- liam Greenbaum and Robert E. Griff- iths.

Swimming and Polo Practice.

Practice for all swimming and water polo candidates will be held every afternoon this week with the exception of Friday. On Friday evening the fourth luncheon meet will be held and consequently there will be no practice. The Thursday afternoon practice will be the last until after the holidays, and it is the earnest de- sire of Coach Ritter that every man be on hand at that time.

Found—Lafayette Medal.
Edward Rogers, by calling on Coach George Kultur at the gymnasium, may have returned to him lost medal which was won by him at the Lafay- ette swimming meet last spring.

“Elements of Physics.”
Found, Gage’s “Elements of Phys- ics,” with name Cleon Kerr on cover. Apply at The Pennsylvania office.
