Dr. Rowe Speaks at Michigan.

J. A. Macfarlan, s. Rosenbeunj; J-  C.

Dr. Rowe outlined plans for the establishment of closer relations between the universities of the United States and the lower institutions of learning of the countries of Latin America. He held special emphasis on the necessity of active participation on the part of the universities of the United States in the Pan-American Congress, to be held in Chile in December next. The speaker then entered upon a discussion of the remarkable extension of English and American influence in Latin America, and the importance of this Influence in the intellectual intercourse granted that intellectual intercourse almost exclusively guides our attitude Is erroneous. Un-

Freshman Debate Trials.

Trials for the Freshman debating team will be held in Room 211, College Hall, to-night at 7:30 o’clock.

Over twenty men are expected to try for places on the team. M. Kiseleff, Mars and Agricola, of this year’s Central High School team, are candidates. Others trying for the team are Lanrooff, of the Brown Preparatory School team; Proctor, of Friends’ Central; Mark, of California Preparatory School; Gilson, of Central High; Pugh and Strong, of Philadelphia High School, and Blöch of Penn Charter.

It is necessary to present a direct argument for five minutes and to make a two-minute rebuttal speech.

Eight men will be chosen, four of whom will constitute the team which meets the Sophomore, and the other four will debate Central High School.

The Sophomore-Freshman debate will be held in Price Hall, Law School Building, on Friday, February 21st.

**Seniors at Alumni Banquet.**

For the first time in the history of the Alumni Society Seniors will be invited to participate in the annual banquet on February 22nd. It has also been decided to reduce the subscription for the banquet from five dollars to two dollars and in this way assure the attendance of many of the alumni to whom the former price was prohibitive. The increased number of banqueters will necessitate moving the scene of the dinner from the University Club to the larger quarters of Wattamore Hall, in the gymnasium.

By inviting the 1000 men to subscribe, it is hoped to interest them in the Alumni Society during their undergraduate days, and so secure their membership after graduation.

**Sophomore Debate Trials.**

Trials for a team to represent the Class of 1910 in the annual Sophomore-Freshman debate will be held in Price Hall on Monday evening, January 21st. The subject is: "Resolved, That the United States should adopt a system of ship subsidies and bounties for the encouragement of the merchant marine." The contest will be held on Friday, February 21st.

Speakers in the Sophomore trials will be permitted a first speech of six minutes and a rebuttal of four minutes with choices of sides optional. Candidates are requested to hand in their name slips with the next week's date to Marriott, Kiseleff or Rosenbaum.

**Final Varsity Debate Trials.**

Final arrangements for order of speeches in next Monday evening’s final trials for the Varsity debate team has just been determined upon. Candidates will report promptly at 7:30 o’clock in Price Hall, Law School, and speak in the following order: Price Hall—Affirmative; Kiseleff, Alexander; Negative: Loveosten, Paul, Richardson and Sauer. Court room—Affirmative: Duane, Hynesman, McCann; Negative: Molvin, Smith, Delan.

Final speeches will be seven minutes in length, while rebuttal speeches will be limited to five.

**Frazier Tickets Out To-day.**

Tickets for the Frazier prize debate, which will be held next Thursday evening in Price Hall, are on sale, and can be obtained from Mr. Hoag, Room 201, College Hall, or from any of the following members of the University debate committee: Bikckham, Paul; Gilson, Wainger, Kiliman and White.

**Engineering Club to Meet.**

The regular monthly meeting of the Engineers’ Club will be held tonight at eight o’clock in the Engineering Building. There will be speeches and refreshments.

It is unfortunate that the Musical Club management has not been able for some reason or other—apparently financial—to take our musical organizations upon as extensive a trip as last year, when the itinerary included besides Philadelphia, Buffalo, Erie, Rochester, and Wheeling, V. Ya.

Our Musical Clubs, while every year reaching a higher grade of excellence in every respect, still need more attention and interest on the part of the student body. While the Mask and Wig Club absorbs a large part of the material which at other universities would make a successful musical club, it has been found possible by a number of men to take part in both, and there is evidently no reason why others should not do the same.

There is no better way to spread the name and reputation of Pennsylvania in New England and the Middle States than by just such trips as that taken by our clubs last year. Everywhere they were enthusiastically received by Pennsylvania alumni, and the results have appeared in the increased enrolment of new men from those sections. Instead of narrowing the literary it is should be broadened and that of the Mask and Wig should also be extended as far as possible.

The value of such trips to the Itinerary it should be broadened more—farther can hardly be underestimated. The value of such trips to the Pennsylvania alumni, and where they were enthusiastically received by Pennsylvanians in New England and the Middle States than by just such trips as that taken by our clubs last year.

No reason why others should not do the same.

The Cut and the Quality.
In the choice of a suit, the cut is the first consideration, of course. It may be the Jaunty, slightly slouched front of our "Columbia" or the upright and right g'"A'some," some of our several variations of these models.
The certain thing, however, is that no one of our suits correct in cut, lost in choice of patterns and colored fabrics represents the best achievement of today in tailoring.
Suits $15 to $50.
Overcoats, $15 to $60.
