The Cut and the Quality.
In no choice of a suit cut the tie is the first consideration, of course. It may be the button, slightly rounded front of our "Columbus" or the straight and stylish "Acme," or some of our several variations of these models. The certain thing, however, is that not only are our suits correct in cut, but in choice of patterns and elegance of finish they represent the best achievements of today in tailoring.

Suit prices $15 to $10.
Overcoats $25 to $60.

TO PENNSYLVANIA MEN.
A Personal Word from the President.

The college men who obtain the best, temporary or permanent positions in July are usually the ones who start looking for them in January.

Before you get enthralled with any expense or inefficient employment agency or before you start on a more or less aimless individual search for the position you desire, it will be worth your while to learn about our Cooperative Membership. We are an organization of college men. We can save you time, travel, trouble and money by furnishing you with accurate information while in college and by securing you a desirable position or business opportunity when out of college. There are no losses incurred, no costly commissions, no red tape, no strings attached to our service. We think we solve and problem in a new and better way.

Will you let us prove it to you? Just write for particulars, stating your needs.
