Hard Game for Freshmen.

This afternoon the Freshman basketball team will meet the George School team at George School. During the past week South Ehlers has been at work preparing the team for the hard contest which is expected to take place between the two rival teams. He has emphasized the importance of good shooting and passing, and in those particulars hardly any fault will be found with the members of the team.

The Freshman Freshmen have done excellent work in the past, having succeeded in winning the interest league Freshman championship by defeating the Yale Freshmen.

The inauguration today will be Captain Saxo and Hough; forwards; Hess; center; Kennedy; Guider (Tohey), guards.

Juniors Elect Treasurer.

At the meeting of the Junior Class, held yesterday in College Hall, Raymond Martin was elected class treasurer. A motion was also passed to the effect that a special meeting be held, the date to be announced later, at which time the class will vote on the question of adopting the honor system and the election of president.

The meeting will probably be held two weeks from next Friday.

The Junior Banquet committee will meet Monday, at 11:30 o'clock, in Room 290, College Hall. It is important that everybody be present.

At a meeting in College Hall yesterday the Senior Class decided to have the group picture taken next Wednesday. Provost Harrison, Vice Provost Swift, Dean Penman and the heads of the various departments will be taken with the class.

A Personal Word from the President.
The college men who obtain the
best temporary or permanent posi-
tions in July are usually the ones who
start looking for them early in the
year. Before you get engrossed with any
expensive or inefficient employment
agency or before you start on a more
or less senseless indiscriminate search for
the position you desire, it will be
worth your while to learn about our
Co-operative Membership. We are an
organization of college men. We can
save you time, travel, trouble and
money by furnishing you with accu-
rate information while in college and
by securing you a desirable position
or business opportunity when out of
college. There are no involved con-
tracts, no costly commissions, no red
tape, no strings attached to our ser-
vice. We think we are proving a
new and better way. Will you
let us prove it to you? Just write for
particulars, stating your needs.
