VARSITY WINS SWIMMING MEET

IS VICTORIOUS OVER COLLEGE OF THE CITY OF NEW YORK.

Shyrock Swims Up Well and Captures the Two Hundred and Twenty Yards Race with Strong Finish—Score, 467.

& Metide.

The University of Pennsylvaniasteam won on Saturday night in the gymnasium demonstrating their prowess by defeating the strong team from the College of the City of New York by the score of 467 to 7.

In Captain Shyrock and Shyrock Pennsylvania has for the sprinters two of the swiftest in Penn's East, while in Dalrymple and Hinkson the red and blue has two men worthy of testing the greatest swimmers in the Eastern colleges. Schuett was really the star for Pennsylvania.

Pennsylvania took the lead from the start by winning the relay race. In the fancy diving event Shyrock was the winner, giving the spectators one of the prettiest exhibitions ever seen in the junior East. The 220 yards cuto, proved to be one of the roughest events of the evening. It was won by Shyrock, of Pennsylvania, after one of the most spectacular races ever seen in the junior East. The time was 2 minutes 52 seconds, cutting 7 1/2 seconds from the best individual record of last year, which was 2 minutes 59 25 seconds.

Summary:

Second event, fancy diving—Won by Dalrymple, Pennsylvania, 175 points; second, College of the City of New York, 103 points; third, Muhlen, College of the City of New York, 90 points.

Fourth event, 100 yard swim—Won by Sylvester, Pennsylvania; second, Phifer, Pennsylvania; third, College of the City of New York. Time, 1 minute 52 seconds.

Fifth event, 100 yard freestyle—Won by Hopkinson, Pennsylvania. 50 25; second, Chapman, Pennsylvania, 55 45; third, Schuett, College of the City of New York, 56 45.

University Rifle Club.

All the members of the University Rifle Club and those interested in work of this kind and concerned in事宜 of the coming meeting will be held in Room 205, College Hall, tomorrow afternoon at 3:30 o'clock.

Last year a number of undergraduates chose to come to the formation of such a club and elected officers for the coming year. The year was too far advanced, however, to arrange any dual shooting matches or to choose a train to represent the University in the annual Intercollegiate meet, which was held in June. Several previous shots were held at a nearby range under the guidance of one of the city's best marksmen, and the men were instructed in the use of the regular army rifle on the 200, 500 and 1,000 meters.

This year it is hoped that the practice will go under way earlier so that a representative team may be sent to the meet in June. Negotiations are under way for the formation of an intercollegiate rifle association, and in all probability a number of dual meets will be arranged for the coming spring with several of the Eastern colleges.

The following universities have at the present time well-formed clubs: Harvard, Cornell, Yale and Massachusetts Institute of Technology.

It is sincerely hoped that a large number of men will report at the specified time, as no previous experience is necessary. Signed: Harold M. N. Scull, president.

Assistant Baseball Manager.

All candidates for the position of second assistant manager of the University baseball team will hand their names in at the Athletic Association office during the 2.05 quarter. Any number of men are entitled to criticise when it does not exactly suit us.

Fraternalism can do much for the paper. Organised action counts for more than the work of individuals. We need candidates of the highest calibre. If individuals do not offer their services, let the clubs send out their representatives, have the men they want? We hope that they not only have the men but will take the trouble to see that we get them as candidates for the paper and that the men will do the right kind of work when they do accept our...
