STUDENTS FROM DIXIE DANCE

SOUTHERN CLUB'S ANNUAL, FAIR A BRILLIANT SUCCESS.

Decorations, Suggestive of Confederacy, Warm Hearts of Men from South—Patronesses and Committee.

Houston Hall auditorium was again the scene of a brilliant social event last evening when the Southern Club gave its third annual dance.

Unusually pleasing was the appearance of the audience. In addition to the decorations from the Houston Club which had been allowed to remain, a most unique and striking effort was made by the committee of several large Confederate flags and pennants, which were artistically draped upon stalls, columns and greens. Another unusual touch, suggestive of "The Lost Cause," was introduced by a peculiar arrangement of gray Spanish moss and blue bonnets, which the committee had procured from Mrs. James P. Martin, Mrs. William D. Divine, Mrs. Paul Breed, Mrs. George M. Chestnut, Miss Helen Bowen, Miss Edward B. Sledge, Miss Ida Pulweller, Mrs. William W. Wilkison, and members of the Varsity Social Club, who also contributed to the Southern Club's annual. The decorations were of striking eye appeal, and had the effect of setting the scene suitably to the Southern Club's annual.

Another unusual touch, which was a feature of the St. Valentine's Day Fair this year, was the use of pennants, of cul flowers, rendered large quantities blue and white, with a Southern airs such as "Creole Hard Luck," which were used for, and Maryland," etc.

Mrs. Bernard Pattee is always in charge of the decorations of the Southern Club's annual, and has always the effect of setting the scene suitably to the annual. The decorations were of striking eye appeal, and had the effect of setting the scene suitably to the Southern Club's annual.

The Freshman Basketball To-Morrow.

Off for Lancaster, the Freshman basketball team will leave West Philadelphia Station at 5:00 this afternoon to play Franklin and Marshall College tomorrow evening.

Opposed to the Freshmen the Lancaster collection will place one of the strongest teams to be found among the minor colleges of Pennsylvania. Up to date theshawing has been most creditable and the expectation is that at Franklin and Marshall the Freshman team will prove easy prey.

A record of not a single game lost and .Brito continuous victories has spurred the Freshmen to a determination to maintain their unbroken schied into the season. During the last few games the team work has been of an exceedingly high character. Owing to the fact that most of the remaining games will be played away from home, unexpected reverses may be encountered.

The following will report at West Philadelphia Station: Saxe, Hough, Kennedy, Hess, Tozer, Golber, Signed: J. K. Lee, manager.

Philosophian Society Program.

George Wagner will read the review of the evening, written in verse. The debate of the evening will be: “Resolved. That the comic sections of our Sunday newspapers do not contain real humor.” Affirmative, Miller, Koosher, and Homer as alternate; negative, DeVeaux, Briggs, and Brachfeld, alternate.

Wear for Triangular Debate.

TO PENNSYLVANIA MEN.

A Personal Word from the President.

The college men who obtain the best temporary or permanent positions in July are usually the ones who are looking for a job early in the year. Before you get entangled with any expensive or inefficient employment agency or before you start on a more or less false or individual search for the position, it is desirable that you should have some preliminary knowledge about our Co-operative Leadership. We are an organization of college men. We can assure you that you will have a chance to travel, travel, travel, and by furnishing you with accurate information while in college and by securing you a desirable position or business opportunity when you leave college. There are no bonded contracts; no costly commissions; no red tape; no strings attached to our services. We think we are able and willing to work in a new and better way. Will you let us prove it to you? Just write for particulars, stating your needs.

Arthur Everett Small, President.
