The annual University Day exercises will be held in the Assembly of Anatomy at eleven o'clock this morning. The orator of the day will be Hon. Joseph H. Choate, who is a leading member of the American Bar and was the United States Ambassador to England under President McKinley.

Dr. Choate will speak on "Washington's Presidential Policy," and on the negative GUI. Mr. Thomas Macfarland, Holmes, and White, speakers on the affirmative.

The next meeting will be held on Saturday, February 27th, at 1.15 o'clock, or the regular University Senate service in the morning, at eleven o'clock, in the auditorium of Holland Hall. Mr. Bhay was in the assembly of the Pennsylvania State in the campaign through Manchuria during the Russo-Japanese War, and he was known for his brave and honest leadership which he will tell us about this time. He will also tell of the relations the work being done in this country by the foreign missions.

Columbia Wins at Fencing.

By a native margin of one boat the Columbia fencing team defeated the one representing the University of Pennsylvania last evening. All the boats were closely contested, and it was not until time was called could the winner be decided. Two of the boats were called drawn, and it required two additional persons to one minute each to pick the best man.

Collegians took the lead in the beginning when Amund won his boat; Wendell won the next, and from then on each team alternately won until 9.30, when they were very evenly matched. The match was played in the university gymnasium. The smaller part of the audience was profusely decorated. It was a very attractive promenade. The services are for a year each.

August the trailing plants and vines, making of the marble wall were very elaborate, the marble wall of the new Engineering Building last night. As a matter in which bank has fought a draw with Levine, Pennsylvania, and Amund won after an additional minute, Byron, Columbia, Columbia, defeated Levine, Pennsylvania, Martin, Pennsylvania, defeated Per- rino, Columbia. Third round—Amund, Columbia, fought a draw with Levine, Pennsylvania, and Amund won after an additional minute, Byron, Columbia, defeated Martin, Pennsylvania; Wompen, Pennsylvania, defeated Per- rino, Columbia.

In recognizing greatness in any line of the world's work the University is doing a dignified and worthy act. By the conferring of honorary degrees the University as the greatest educational institution in the country is giving public encouragement to all lines of intellectual effort.

Every undergraduate should attend the exercises this morning in the Academy of Music. The celebrated man who will address us is heartily welcomed as our guest. We confer a distinction upon ourselves by honoring him. To all the other recipients of degrees and guests of the University we extend the same hearty wel- come.

...The Brain Trust...

The event of the week at the Architectural Society play, "The Brain Trust," which is to be presented at the "Gran Street Theatre," Third and Sixth and Spruce streets, on Wednesday, Thursday and Friday evenings of this week, are now hard at work on the show to make it even greater as a success than it has been in former years.

The scenic artists, with J. B. Peterson, '27, as their chief, have completed the new pentagon and arch scenery for the first act, and are now working on the moonlight scene act, which includes a fountain with real water.

This is the sixth annual play of the Architectural Society; the proceeds to be devoted to the library of the School of Architecture.

Those who have seen the plays in former years remember them for their brilliant lines and original hits. This year's play is expected to surpass all former attempts.

Tickets are on sale at the Houston Club office, Houston's, and the Supply store, on the third floor of College Hall. Admission will be fifty cents.

TO PENNSYLVANIA MEN.

A Personal Word from the President.

The college men who obtain the best temporary or permanent positions in July are usually the ones who start looking for them early in the year. Before you get entangled with any expensive or inefficient employment agency or before you start on a more or less aimless individual search for the position you desire, it will be worth your while to learn about our Cooperative Membership. We are an organization of college men. We can save you time, travel, and money by furnishing you with accurate information while in college and by securing you a desirable position or business opportunity when out of college. There are no involved contracts, no costly commissions, no red tape, no strings attached to our service. We think we solve your problem in a new and better way.

Swimming Team Schedule.

On March 7th, the second intercollegiate swimming meet for the Varsity swimming team will be held against Columbia. The swimming outlook for Pennsylvania grows brighter daily. The encouraging defeat of the College of the City of New York in the first dual meet of the season was a cause of great satisfaction to Coach Kickler. The intercollegiate schedule, recently announced, is as follows:

Impeachment Re却 for Library.

Dr. C. A. Albee, Jr., presented the University Library with a souvenir of the impeachment of President Johnson. It is a casket designed by George P. Brown, sergeant-at-arms, admitting the bearer to the gallery of the United States Senate on April 17, 1868. On its face are written the words, "Impeachment of President." This casket of admission has been framed, and will be hung in the outer reading room, alongside of many other historical relics.
