The Varsity basketball team returned from a successful trip to Varsity territory. The game which practically clinched the intercollegiate championship was played on Friday night with Cornell, and resulted in a Varsity victory by the score of 27 to 2. Pennsylvania took the lead at the start and kept it until the end. The Ithacans however, took a rally in the second half and kept down what might have been a larger score. The final one point against the Varsity while Crosby and Avery excelled for Cornell. In about the last two minutes, Keinath met with an accident, winding his shoulder by falling on the west end of the court. In the Varsity next defeated the Rochester team, 20 to 6. This was the hardest proposition the Varsity has had to overcome this season, and they had their hands full to win the game. It was won well on the part of Rochester that kept the Varsity to a standstill. It is pleasing to note what the Varsity seemed to lack, and what they hold to be well on the line. A future coach who has shown this would have been a sure defeat. McNichol caught the ball on the line and sent it to Pittrop, who then scored on a feed from Rochester. The floor was very slippery and this was quite a handicap in the second period, but the application of an oil less from this time on the game moved at a terrific pace. This time was one team more than three points in the lead. The first half ended with the ball in the hands of Keinath, who did not start in the game because of his injuries. Third baseman, Terry, under manager of the Rochester team soon took the lead and held it until eighteen minutes past one with Colgan batting, while Keinath and McNichol raked field goals, winning the game.

The Varsity basketball team returned from a successful trip up New York State with three more victories added to their already long list, making seventeen in all. In addition to defeating the Pennsylvanians, the Varsity defeated Rensselaer, Western Reserve, Niagara, and Colgate in their successive matches.

New Baseball Candidates Report

The second division of baseball can-
didates reported to Manager Clay in the gymnasium yesterday afternoon.

This list included all those members of last year's Freshman team who had received their uniforms.

Practically the entire team reported. Captains and second basemen were the last to report, and among the others were Wood, short-
stop, and Plummer, pitcher. Thayer, right field; House, pitcher; Regan, third base; Allyn Smith, catcher. Last one to report was Smith, and short stop, and Panitz, 1st base.

Manager Clay spoke very con-
tentiously about the season. Since this team included only a limited number of ends, so that we need not expect it to be a large number of men who would respond, much good natured banter was found in this list, as it is all they are all experienced men.

The third division of candidates, which includes those only who have played as a Varsity team, will report for a week or so. From this list Coach Blakey and Irwin expect to form a very good veteran material.
