Successfully Circulated.

The circle to be held at Weightman Hall on Friday night, April 3, promises to be a very successful event. Under the direction of Instructor Cromie everything is working smoothly and the men are practicing several nights a week.

The University affair will be as pleasant as possible, and will have among the old favorites the Eleanor, chartreuse, "Redes," and the many freaks, among which are the fat women, wild men from Borneo, and the Indian man. There will be a long of war between the Sophomore and Froshmen teams.

The gymnastics team, fencing, boxing and wrestling teams will participate, and there will be many interesting athletic events.

After the circle a medal will be awarded to the man who made up the best and one to the best dancer. The floor will then be cleared for dancing.

Instructor Cromie needs a few more men, and anyone who can make his circle see him at the gymnasium at any time.

A Personal Word from the President.

The college men who obtain the best temporary or permanent positions in July are usually the ones who start looking for them early in the year. Before you get entangled with any expensive or inefficient employment agency or before you start on a more or less aimless individual search for the position you desire, it will be worth your while to learn about our Cooperative Membership. We are an organization of college men. We can save you time, travel, trouble and money by furnishing you with accurate information while in college and by securing you a desirable position or business opportunity when out of college. There are no involved contracts, no costly commissions, no red tape, no strings attached to our service. We think we advise and problem in a new and better way.
