Sophomores and Freshmen to Contend

Annually, Sophomore and Freshman Classes.
Sophomores and Freshmen to Contend for Supremacy Upon Franklin Field at 11:30 O’clock—Marathons Appointed.

To take place at 11:30 o’clock on Franklin Field the annual bowl fight will take place between the Sophomore and Freshman Classes. The former have been customary during the past few years, will be held under the general supervision of the Student Superintendent of the Board of Trustees, and President Puller, of the Senior Class, which has been chosen by a majority of upper classmen to act as marshals of the event. The following have been appointed: Captain K. B. Emerick, B. C. Felchel, J. H. Crochan, D. Shouseman, J. L. White, H. Riddle, P. F. Krieger, T. Townsend, W. Shadle, P. C. Rogers and H. R. Brown.

Sophomore Class Meets.
A large and enthusiastic meeting of the Sophomore Class was held yesterday afternoon. The bowl fight was the main subject of discussion, and the consequence largely that of the two bowl fights of its history.

The bowl fight is an institution of the University which has existed since olden days, when it was not supervised as it is now. The bowl fight has been made into a sort of an institution by the man who is the habitual student. The Sophomore Class has the prestige gained by the fact that it has been the bowl fight of the Sophomore Class.

The bowl fight is a tradition of the University, the student’s society, and the University itself. It is the place where the student gets his value and his worth in the University, and where he is able to prove himself. The Sophomore Class has been the champion of the University in the bowl fight, and it is the tradition of the University to have the Sophomore Class as the champion.

H. C. WHITEHURST.

It is a pity that we are obliged to devote so much space to freshmen, but the fact that still more letters in regard to the pretensions of that class have been received induce us to speak of it again in connection with the honor system in elections.

The Freshman Class will meet to-day, and it is to be hoped that all those more reasonable and sober-minded third-year men will be there. Although voted down at the last meeting by a majority of only ten votes and then not because the system was disliked but because the freshmen objected to hearing the truth about themselves from upperclassmen, there is every reason to believe that it may yet be adopted. Whether it is or not, this is a lesson to the Undergraduate Committee. Hereafter if there be no way devised to institute this system as a matter and a matured project to be followed by all succeeding classes, it will not be because such a way does not exist. The honor system in elections is designed to:

1. Eliminate all campaigning and electioneering for candidates.

2. To place non-fraternity men on an equal footing with fraternity men, who have hitherto organized and thus decreased their strength, which others could not have.

3. To put into office the men who are best fitted for the places by reason of their popularity and not by reason of political combination and political deals.

The honor system in elections and the pledge which it entails are too well known by this time to need or explanation here. It is enough to say that the system, established evidently on the basis of absolute fairness, has produced, and will destroy many existing evils, especially in that field of politics, a Freshman Class.

We wish to refrain from publishing certain anarchistic letters we have received, chiefly because they are of such a character as to reflect not only upon the men who write them, but upon the entire University, for allowing such thoroughly bad spirit to exist among the freshmen.

We hope that the discontented classes will take part in the bowl fight tomorrow and have one of its "knock-the-chip-off-the-old-shingle" spirit spreadered in good old Pennsylvania style. It is not at all natural to have such silly habits of cooping ever again among freshmen, and we hope that they will die the sudden death that public opinion generally knows they deserve.

A Personal Word from the President.

The college men who obtain the best temporary or permanent positions in July are usually the ones who start looking for them early in the year. Before you get entangled with any expensive or inefficient employment agency or before you start on a more or less haphazard individual search for the position you desire, it will be worth your while to learn about our Co-operative Membership. We are an organization of college men. We can save you time, travel, trouble and money by furnishing you with accurate information while in college and by securing you a desirable position or business opportunity when out of college. There are no involved contracts, no costly commissions, no red tape, no strings attached to our service. We think we solve and settle it in a new and better way.
