\textbf{Freshmen Punishment Fellow-Classees Who Failed to Attend Bowl Fight.}

"Freshman reward was the only formal measure taken yesterday afternoon at the Freshman dinner. The punishment of certain members of the class who did not take part in the big fight and did not go to the concert.

The initiative was taken by a committee appointed by Professor Linsener. They managed to leave their hands on some half dozen of those who had abstained themselves from the fight. Taking advantage of the absence of the Drum Club steps they set up an inscription, questioning the men as to their reasons for not appearing in the intercollegiate contest. When no satisfactory reason was given an apology for the lack of class spirit was demanded and given. Better conduct next year was promised.

The procession then took its way to the dormitories, where the men were met through the streets of Boston by the genius of Shakespeare and of the most intelligent appreciation of his works as they are now staged.

The principal feature of the evening was the German Theatre selection from Shakespeare and "Pastel," by Herr Siegmund Elfeld, given in German. Herr Elfeld's first selection was from "Julius Caesar," followed by others from "Henry IV," of Shakespeare, and Goethe's "Faust." All the readings were adjudged to be an appreciative imitation of the manner in which the best German families in the Federal Republic are wont to read Shakespeare, and the feeling which he conveyed into the various reading of the passages established those who were but slightly proficient in the language, and almost all who understood and appreciated thoroughly.

Musical Clubs to Give Concert. The Combined Musical Clubs will give a concert at Normal Hall tonight for the benefit of the Student Aid Fund of the University. The concert will be followed by a dance in the large ballroom on the second floor, which will make a real attraction for the town and college. The dance will be given by very greatly appreciated in Red and Blue circles.

The clubs held a concert and dance at Horticultural Hall three weeks ago which proved such a success that it was decided to give one. It is reported that the prospects will be large. This concert will practically wind up the season for the clubs in Philadelphia, as the remaining performances will be given off town and one at the Girl's High School. The subscription for the dance are six dollars each.

The number for the remainder of the season is to be: Tuesday, March 31; Cambon, N. J.; Wednesday, April 1; Blue Hill School, Boston; Subscription for the dance are six dollars each.

Examination for Interns. A competitive examination for interns will be held at St. Mary's Hospital, New York, N. Y., on Saturday, April 5th.
