MIRACLE PLAY TO BE PRESENTED

SECOND SHEPHERD'S PLAY OF TOWNLEY CYCLE SELECTED.

Production will be managed by the Philomathean Society and given in the Botanical Gardens May 20th.

For the first time in the history of the University a "miracle play" will be presented by one of the literary societies when members of the Philomathean Society produce "The Second Shepherd's Play" of the Townley Cycle in the Botanical Gardens on May 20th.

The production of this "miracle play," one of the earliest dramas in the English language, will maintain a strong appeal to students of English literature and philology. The play dates back to the beginning of the fifteenth century, when the social and religious life of the people was centered on the church. It is a story that has continued to be told in annual celebrations of Christmas and Easter.

The "Second Shepherd's Play" forms a sort of comic interlude and is a popular folk play in that it is the first time any play of such date has been presented by the University in America. It offers a good idea of pleasant conditions in the fifteenth century. Mr. Child has revised the manuscript. The first act is the service for the visitant and will be sent next Wednesday evening.

For Four Days Only.

The first record committee will be unable to raise the price of the record the full 50c at this time, but will do so if the book at 125c from May

19 to May 24th, at which time the book will be raised to $1.50.

The record committee will ask the members of the more elite University fraternity ever published a record of any kind to join in the drive, and those who are unable or unwilling to do so will be encouraged to purchase the record for the benefit of the cause.

The "Miracle Play" will be an exciting event in the life of the University and will provide a splendid opportunity for all members of the University to participate in the celebration of an important religious and cultural tradition.

The Philomathean Society has worked diligently to prepare for this production, and the students are excited to share this unique experience with the University community.

Thursday, April 2, 1908.

News Editor of Today's Issue.

Frank A, Paul.

For the first time since 1901 the Varsity baseball team will line up against one of the big league nine when it plays the Philadelphia Atlantic Colonnades at Columbia Park, Twenty-ninth and Oxford streets, this afternoon.

During the late eighties and throughout about the nineties the series between the "Varmint" and the Phillies at Broad and Huntingdon streets were quite popular. Three and sometimes five games would be played, and while the National Leaguers usually won, thanks to superior hitting and base running, excellent practice was afforded the amateurs—practice that stood them in good stead in the intercollegiate series later.

Today's game should be fast and close. It will be the first real try-out for the 1908 team, and the players in particular should be materially benefited by facing experienced batters. Other games may be arranged with the Athletics later. Even though today's contest does not count in the championship series of either nine, it is worth while doing and every student who can possibly spare the time should go up there this afternoon and "root" for the team.

Gymnastic Championships.

The Middle Atlantic States Gymnastic Championships will be held at the Walnut Hall on Wednesday evening, April 9th. The following will be in the list of events: Horizontal bar, parallel bar, club swinging, tumbUing, rope climbing, side horse and flying rings. Rope climbing is being eliminated for the first time in years. The contestants will perform three exercises in each event. All entries must be made to Dr. H. L. Chadwick, Central, T. M. C. A., Pittsburgh and Chestnut streets. Registration blanks may be obtained from him if desired. The entries will be closed on April 4th.

Pennsylvania Haverford, Lehigh, many Young Men's Christian Associations, the German gymnastic societies, Reservoir Academy, Central High, and in fact every institution with any gymnastic talent, has promised to be on hand. Gymnasts and bronze medals will be given in each event.
