WOULD LIKE A UNIVERSITY DAY

TRAINER MURPHY MAKES A FEW MAY DAY SUGGESTIONS.

Tennis Undertakers' Rivalry Should Be Stimulated by Contests Between Crews and Various Athletic Teams.

"I should like to see May Day turned into a University Day," was Trainer Murphy's remark when questioned at Franklin and Marshall yesterday afternoon as to what his plans for the coming first of May were. "I would have the day one of university rivalry. There would be something going on all the time. The courses would fight it out early in the afternoon. After that the underclassmen baseball and track teams would meet on Franklin Field. The two underclass courses would match on the field in fantastic costume. This would have each a hand too, that wouldn't cost anything. It would be a small admission charged to help defray expenses. Then in the evening we would have the sophomores and juniors going, etc., etc." Knowledge.

To those who expressed astonishment over his plans. He wants to make May Day Pennsylvania's big day. It is a fact that he has one day in each year set apart for the display and promotion of class and college spirit, and he believes this movement should begin on the coming first of May. "It's what Pennsylvania needs," he concluded. "It's something that will raise up the whole University. I hope it goes through.

Swimming Trip To Be Decided.

The deciding meet of the interscholastic swimming championships will be held Thursday, May 10, when Pennsylvania and St. Louis University will meet at the old Washington Union League Club. The Penn Swimming Teams beat St. Louis University last year, and it is expected that the Penn swimmers will make the better form, too, of late than at the beginning of the series. However, Coach Miller prophesies a nice victory for Pennsylvania.

After the meet Yale will be met in a water-polo game. Pennsylvania will be represented by Coach Miller, captain, Reilly and Graham, forwards; Morgan (capy), and Mahler, backs; Reilly, hud, goal. The substitutes are Clement and Lucas.

Notions in regard to the time of leaving, both for the polo and swimming teams, will be posted in the gymnasium.

Schultz's Greater Better.

Schultz, the Freshman pitcher, who has been in the Hospital all the past week, was out yesterday afternoon for the first time. The broken bone in the wrist and knee are still giving him considerable trouble. He expects he will be able to be in the game again in two weeks.

For Fifteen Days Only

The 1908 catalogue of the university has decided not to raise the price of the records the full fifty cents at this time, but to add the loss of $5.28 from now until April 15th, at which time the prices will be raised to $2.50.

This year's Record will be the most elaborate university record ever published—a selection of over two hundred tunes, handsomely issued on high grade phonograph cylinders, large number of beautiful color plates and engravings, pictures of the famous chimes, classes, fraternities and societies with athletic records and championship stories of life in each department, check of the campus, athletic field and the buildings, interior and exterior, and many attractive features for numerous occasions, all together a monograph especially prepared and arranged material which Pennsylvania should be worth much more than the price to any one interested in the University.

Get your subscriptions now while you can save fifty cents on each record.

Lost—Umbrella.

The gentleman who lost an umbrella in the College Hall telephone booth on Monday of last week and, in response to an advertisement in The Pennsylvania, returned it to College Hall office, after noticing that hanging away the same, will obligate the owner, F. W. Kelvin, by returning it a second time to the College Hall office.
