PHILADELPHIA, TUESDAY, APRIL 14, 1908

PHILADELPHIA TIMES:

PETITZ, BURG, CHICAGO, AND ST. LOUIS.

SWIMMING TEAM’S TRIP WEST

will have meets in Pitts- burg, Chicago, and St. Louis.

The swimming team will leave Philadelphi Easter Monday for Pittsburgh if a match can be arranged for that night. If not they will leave here on Tuesday and go directly to Chicago, where there is a meeting of the Chicago Athletic Club on Wednesday night and the University of Chicago on Thursday. On Friday they will meet the University of Illinois at Urbana and on Saturday the Michigan and Ohio State universities will be defeated.

This will be the last meet in the West, the team returning to Philadelphia the following Monday.

By defeating Princeton on Saturday night the Penna. team has obtained the Intercolligate championship of the East. The score was 40 to 13. This match was to a great extent between the Pennsylvania and Pennsyl vania, caused by forfeiting one meet against Ohio State and a bad meet between the same teams earlier in the season resulting in the same score.

In the eight hundred feet race the Pennsylvania team, composed of Byrd J. Graham, Dalrymple and Shroyer, won in four minutes. The Princeton team was made up of Hall, Baumann, Chambers and Dondorf. Time, 2:40 3-5.

In the fancy diving event Dalrymple was first, Hall second, both of Pennsylvania, and Roger,. Shroyer, of Princeton, third. In the one-mile race Shroyer, of Pennsy lvania, and Roger,. Shroyer, of the two-mile race was decided between Princeton Law and Michigan, both having totaled in the two-mile race although their entries have not been announced. This event is considered necessary to complete the drawings some time before the races, in order to make the program complete for the contestants’ tickets, their names were put down, otherwise their teams would have been forced to take outside positions as outers.

The management of the Interga team has signified its intention of entering Francis, of Pennsylvania, and third, Rogers, of Princeton, in the three-mile race, according to time entering 28 seconds.

The two hundred and twenty yards race was won by David M. MacAdam, of Dartmouth, Pennsylvania, and third, Rogers, of Princeton. The Princeton team was made up of Hall, Baumann, Chambers and Dondorf. Time, 21:75 1-5.

The plunge for distance was captured by Hopkins, Pennsylvania, 67 feet 6 inches; second, Chapman, Pennsylvania, 64 feet 6 inches; third, Westport, Princeton, 62 feet. In the one hundred yards race chambers, of Princeton, captured first place; second, Shroyer, Pennsylvania; third, Dalrymple, Pennsylvania. Time, 1 min. 32-5 seconds.

Penn-Holy Cross Game To-Morrow.

The Holy Cross baseball team meet the pennsylvanians tomorrow afternoon at 3:30 o'clock. It is thought that the teams will fare no worse than last meeting.

Friday morning at 9:30 o'clock, a game of eighteen holes of golf was played between a double contest with the Carlisle Indians at Atlantic City, putting up the Hotel Albeourth. Those contests with the Indians are always a strong draw for those who want to visit the golf. Last year each team won a game.

Pennsylvania’s batting order will be: William Langford, center field; Ralph Lyman, second base; Spring, right field; Paschal, first base; Bland, short stop; John, pitcher. A Smith, catcher.

It is possible that Pastile may be elected to the backstop position, in which case John J. Smith may play at first.

Success of Events Prosaged by Entries from Colleges and "Prep" Schools.

The largest number of teams ever entered for an athletic meet—one hundred and eighty-two—prognoses that Pennsylvania’s Relay Races, to be held on Franklin Field, April 25th, will have more of an even success than usual.

Annuities from gymnast coaches and college and prep schools and colleges gathered in Philadelphia for the relay创意, coming from all parts east of the Mississippi River.

This year the college championship races promise to be of a very high grade—estates especially in the one-mile relay for col leges.

When two teams are very evenly matched the one of poorest water pole or the outside—will often give the race to the team that fortunate coaches for they have in their midst the members who will be the team leaders and the runners themselves.

The Michigan and Chicago teams were both listed in the two-mile race although their entries have not been announced. This event is considered necessary to complete the drawings some time before the races, in order to make the program complete for the contestants’ tickets, their names were put down, otherwise their teams would have been forced to take outside positions as outers.

The management of the Interga team has signified its intention of entering Francis, of Pennsylvania, and third, Rogers, of Princeton, in the three-mile race, according to time entering 28 seconds.

The attention of students in all departments of the University is called to the annual Architectural Exhibition now being held in the Academy of Fine Arts, Broad and Cherry streets, under the auspices of the T-Square Club. A number of examples of the work of students in the Architectural Department of the University is shown, but the principal interest of the exhibition centers in the increased activity of the public in all parts of the country in civic movements in architecture, sculpture and mural decoration.

There are many drawings in color of buildings proposed or already erected and several photo models, one being of the new Girard Trust Company’s building at Broad and Chestnut streets. Designs made in competition for the Municipal Fellowships of the University and Academy of Fine Arts are shown, together with numerous architects’ working drawings, groups of sculpture and eastons for stained glass and mural decorations.

Students of the University are invited by the management of the Academy and the faculty of the Architectural Department to attend this exhibition.

A Personal Word from the President.

The college men who obtain the best temporary or permanent positions in July are usually the ones who start looking for these early in the year. Before you get exasperated with any expensive or inefficient employment agency or before you start on a more or less aimless individual search for the position you desire, it will be worth your while to learn about our Cooperative Membership. We are an organization of college men. We can save you time, travel, trouble and money by furnishing you with accurate information while in college and by securing you a desirable position or business opportunity when out of college. There are no involved contracts, no costly commissions, no red tape, no strings attached to our service. We think we solve all problems in a new and better way.

FOR FIFTEEN DAYS ONLY.

The 19th Record committee has decided not to raise the price of the Record the full fifty cents at this time, but to sell the book at $2.50 from a point until April 15th, at which date the price will be raised to $3.00.

This year's Record will be the most elaborate University record ever published—a volume of over four hundred pages, handsomely bound in leather with gold trimming, containing a large number of beautiful color plates and engravings, pictures of the teams, clubs, classes, faculty and students with athletic records and chronicles, sketches of life in each department, views of the campus, athletic field and the buildings, interior and exterior, and many other attractive features too numerous to mention; altogether a masterpiece of carefully prepared and arranged material about Pennsylvania that should be worth much more than the price to any one interested in the University.
