ART TREASURIES FOR MUSEUM

What is probably the largest and most valuable single addition of specimens to the University Museum ever made was announced yesterday in the report of Dr. Maciver to Mr. Reiley R. With answers to all questions, the committee on the Egyptian sec-

Dr. Maciver reported that the official division of the limits of this season's excavation in the 'White City' has just been made and that it has been done very equably. The Cairo Museum will keep the greater part of the inscription tablets, and in compensation for this the University Museum will have a corresponding pre-
