SMOKER TO RELAY CONTESTANTS

Dr. Charles William Gordon, of Wi- nipeg, Canada, will address the Col- lege assembly in the Chapel this morn- ing. It is not known at present whether Dr. Gordon’s subject will be religious or not.

In the recent evangelical camp meeting at the Kemperian, there has been a re- port from the department of philosophy, that a series of lectures will be given on the subject of “The Christian and the World.” The lectures will be given by Dr. Gordon, and are expected to be of great interest to the students of the College.

Several hundred tickets were sold for the season and Junior recital for the University Night Music and Wig performances on April 30th. Today tickets may be bought by the Sopho- mores and Freshmen of the depart- ments from twelve until two and from 5 to 6 o’clock at the Club. Tickets will later be placed on public sale at the Broad street office.

Mention has been made of the “Bank of Baseball” which is to be held on the 23rd. This bank is to be held daily at 3:30 o’clock, unless otherwise specified.

play is to be given at the Steeplechase Pier, Atlantic City, Saturday, April 18th, with a matinee and evening pro-
duction. The club will then go to the
Chestnut Street Opera House, where they will play during Easter week, giving a matinée Wednesday and Saturday matinées. University Night will be celebrated at the Broad Street Theatre on Monday, April 17th. The production will then go on the road, playing at Washington, April 26th; Pittsburgh, May 2d, two performances, and Rochester on May 4th.

The alumni of the cities included in the trip have taken charge of the sale of tickets, and enough have been disposed of to insure the customary financial balance. Moreover the alumni have decided to provide entertain-
ment for the men wherever possible, as it is felt that some relief besides the house is due them for the work and tiresome rehearsals they have undergone.

... Captain Fenoll ineligible. The faculty committee has declared Captain Fenoll, of the Varsity base-
ball team, ineligible to represent the University on the diamond this spring because of four years’ participation on college athletics previous to this season.

This is a direct reversal of their de-

inition in rating him as a fit man in every respect to become the leader of the team, but it appears that the faculty committee was not aware that Fenoll had thrown the hammer in his first year in two dual meets.

Fenoll is a victim of circumstances, as he was only entered in the meets with Columbia and Cornell his Fresh-
man year on account of the illness of Frank Pickarzki, who could not com-

ete. It is possible that the team may decide to have Fenoll remain on the side lines and captain the team from the bench.

The Varsity baseball team will play the Carlisle Indian team to-morrow and Saturday afternoons of this week in Atlantic City. The games will be played at lake Park at three o’clock each day.

Men who are in Atlantic City over-

gardian can help the team materially by supporting them by their presence at these games.

A Personal Word from the President.

The college men who obtain the best temporary or permanent positions in July are usually the ones who start looking for them early in the year. Before you get stranded with any expensive or inefficient employment agency or before you start on a more or less aimless individual search for the position you desire, it will be worth your while to learn about our Cooperative Membership. We are an organization of college men. We can save you time, travel, trouble and money by furnishing you with accurate information while in college and by securing you a desirable position or business opportunity when out of college. There are no involved contracts and only nominal commissions on used types, no strings attached to our service. We think we solve and problem in a new and better way.
