The varsity baseball team lost for New York last night in a close 8 to 7 decision. The game was played in New Haven, where they play their first games with the Yale University varsity.

Time has had a fairly successful practice playing professional players and are concerned on a specific base running plan showing to do. As they have played Pennsy- lveria, no defensive comparisons can be made.

The celebration was carried by a card in the wind, which led to a prediction of students doves against student. The whole program was carried by the new medium to the last minute, the scene being a drag up to a new level.

University House has secured permanent quarters on Perkiomen Creek.

Beck's time for the race was 2 minutes 1 second, half mile race was the best of the spring handicaps, held yesterday afternoon on Franklin Field. It was the best race ever run, so far as the news reporting was concerned.

After this race, Beckett was asked how he ran. His answer was, "I am not an expert, but I think I ran as well as I could." He then added, "I am not satisfied with my performance, but I am content with what I have done so far."
