Pennsylvania will be represented by Schuykill River by the Junior Varsity, Cypheade and Freshman Eight.

With the exception of Cornell, Syracuse and Amherst every Eastern university that will be represented at the American Henley on the Hudson River at Tuxedo Park, that includes crews from Yale, Harvard, Columbia, Georgetown, New York and Pennsylvania. Every Eastern university that will be represented at the American Henley will be represented by the American Henley, but its management has practically been unable to send a crew to Philadelphia this year. However Pennsylvania will send a crew to New York for the Sophomore and Freshman eights. The coach, Dr. Band, has prepared the team for his first two races against the boat crews along the Schuylkill River, and they are expected to beat any crew picked up as Coach Wood has always been an expert on sailing. New York University will enter the Harvard and Western, and the Schuylkill crews will be up racing in competition with other colleges, and will be represented for the first time.

Were it not for the results at times one could hope Cornell would probably be represented in the American Henley, but its management has practically been unable to send a crew to Philadelphia this year. However Pennsylvania will send a crew to New York for the Sophomore and Freshman eights. The coach, Dr. Band, has prepared the team for his first two races against the boat crews along the Schuylkill River, and they are expected to beat any crew picked up as Coach Wood has always been an expert on sailing. In a well-played game yesterday afternoon the Princeton baseball team defeated Blair Academy by the score of 6 to 2. Two of Blair's hits were scored on home-run drives to left field. Bowns pitched a good game. Freshmen, keeping the bats scattered, and Aldenfielder at third base banded his position well. For Blair Academy Parce was the star. He pitched for five innings, holding the Big Red down to three runs, and when they gave hitter split a finger his place and finished the game, the performance was all the more noteworthy. In the feat that brought him pitched a right-handed pitcher's out.

TO PENNSYLVANIA MEN

A Personal Word from the President

The college men who obtain the best temporary or permanent positions in July are usually the ones who start looking for them early in the year. Begin to get acquainted with any expensive or inefficient employment agency before you start your more or less informal individual search for the position you desire. It will be worthwhile while to learn about your pre-operatives. We are an organization of college men. We can have you, too, travel, trade, and money for furnishing you with accurate information while in college and by securing you a desirable position or business opportunity when out of college. There are no involved contracts, no costly commissions, no red tape or insistence attached to our service. We think we solve and present a problem in a new and better way.
