TO PENNSYLVANIA MEN.

A Personal Word from the President.

The relation who obtains the most temporary or permanent positions in July are usually the ones who start looking for them early in the year. Before you get entangled with any expensive or inefficient employment agency or before you start on a tour of the country to search for the position you desire, it will be worth your while to learn about our Cooperative Department. We are an organization of college men. We can save you time, trouble, and money by furnishing you with accurate information while in college and atsemester you a desirable position or business opportunity when out of college. There are not hundreds coming at random umnations. We carefully canvass our coke, no strings attached to our service. We do not worry about and problem in a new and better way.
